Leadership is a quality that is hard to define, but remains critical to our society. CABE has developed criteria that help to define leadership. Your Principal received a list of these criteria and was asked to name Derby High School students who met them. Your Principal considers you such a School Leader!

Richard Murray  
Immediate Past President

We are pleased to present you, together with other Student Leaders across Connecticut, with our twentieth annual CABE Student Leadership Award. You should take pride in the recognition bestowed upon you. We encourage you to continue to think and act like a leader.
