

Student Activities Board Report

October 11, 2016

Golf

The girls golf team placed 3rd at the Central "A" Divisional golf tournament. We sent 3 girls and 2 boys to the State Golf Tournament in Hamilton. We had Ranessa Skunkcap, Daniaya Polk, Makayla LaBuff from our girls team qualify for the State Golf Tournament. We had Trae Kennerly and Mark Pollock from our boys team qualify for the State Golf Tournament. It was a great season for both of our teams as we are trying to rebuild our golf team. We are still building and redeveloping the boys team. We did take a step forward as we were able to field a complete boys team at each of our golf tournaments this season. Again Trae Kennerly had another great season, he was able to place in the top 15 at divisionals and for the fourth year compete at the state golf tournament.

Cross Country

Cross Country Team will be competing at the Central "A" Divisional Cross Country meet in Belgrade on October 14, 2016. The Varsity Boys and Girls team placed 3rd, at the meet in Havre on October 1, 2016. Coach Omeasoo has been very pleased with the cross country team's performance this year, again the coaching staff is preparing the cross country team for the State Cross meet in Kalispell on Saturday October 22, 2016.

Volleyball

The Volleyball team has been showing continued improvement in some very close games, they are working very hard at getting ready for the second half of their season. Coaches are very pleased with all of the athletes.

Football

The football team is working very a hard this season. Just lately they have been hampered with injury's at key positions on the team. They came up short against Frenchtown this last weekend. The final score was 20-30, the Indians came within 2 points of tying the game, with Frenchtown winning the game with 30 seconds in the game. The Froshmore team as 4 wins and 1 loss this season.

Speech and Debate

Speech and Debate got started on Monday October 3, 2016. We have 12 students out for the team and are expecting about 10-12 more students. We will host our Speech and Debate meet on Saturday October 29, 2016 at 9:00 am.
