

MADRONA'S TOP TEN HAPPENINGS

1. Our Trunk or Treat was a huge success...over 35 cars and we made the front page of the COURIER!
2. We WiFied the remainder of our pods with classrooms, and moving towards making school-wide technology goals.
3. Our intermediate teacher team received Google Chromebooks. We have a school-wide goal for ALL TEACHERS to have one.
4. We planned our first major fundraiser, THE HOLIDAY STORE.... We will have systems in place for ALL students to be able to buy items for his or her family members.
5. Plans are underway for our WINTER PERFORMANCE. Traditionally only primary students have participated, we are going to have ALL classrooms partake.
6. We are putting many effective data systems into place to identify our students who need individualized reading instruction to assure academic success; we have created a team to focus on DATA while identifying effective services for these students.
7. We put an "ADOPT A TEACHER" program into full effect...the teachers are being spoiled on a monthly basis by their "adoptive" families.
8. We are putting computers in our Kindergarten classrooms to start promoting early keyboarding skills, along with interactive technology programs.
9. We are working with Hidden Valley High School on Service Projects around Madrona; most of the high school students who will be volunteering around our building are former Madrona students.
10. BE LOOKING FOR INFORMATION ON OUR Madrona SPARROW...Assembly will be happening in December. TSHIRTS are for sale for \$15.00 in support of our precious student.
