**Staff Development (October 3, 2011 to October 31, 2011)**

|                                                                  |                                                                                             |
|------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| October 10 – BrackettJH Teaching Staff, Aides, and Administrator | G/T Recertification; Blood Born Pathogens, Diabetes, Epi Pen; Dept. Meetings on STAAR & EOC |
| October 10 – Selected Teaching Staff and Aides                   | ESHAR training                                                                              |
|                                                                  |                                                                                             |
|                                                                  |                                                                                             |
|                                                                  |                                                                                             |

## **Principal's General Narrative:**

TEA released the Gold Performance Acknowledgements for 2011. Brackett Junior High School received 3 out of a possible 8. Our faculty, staff, and students worked very hard for this recognition and they all deserve a big pat on the back.

### TEA Gold Performance Acknowledgements

Attendance

Commended Level on Reading

Commended Level on Writing

The Brackett JH students did well at the end of the first nine weeks with an overall passing rate of 88%. The 8<sup>th</sup> grade had a passing rate of 81.25 % while the 7<sup>th</sup> grade had a passing rate of 94.23%. The overall honor rolls ("A" or "A-B" honor rolls) rate was 47%. The 7<sup>th</sup> grade had 26% of their class on the honor rolls. The 8<sup>th</sup> grade had 21% of their class on the honor rolls.

Teachers in all courses have worked hard to get the students and athletes to be successful and have done a great job. They continue to learn about the state testing requirements concerning STAAR and EOC as information concerning these tests becomes available. The levels of expectations in the classrooms are kept high and the efforts to meet those expectations, by both teachers and students, are continuous and constant.

The Junior High Athletic program is moving into the basketball season after successful football, volleyball, and cross-country seasons. The coaches are continuing to do a great job and are great role models for the students.

The Junior High Academic program is going on also with students meeting with event coaches and working on the various literary contests they have signed up for. That contest will take place in December.

I would like to thank the school board for their continued support and efforts to make our schools the best they can be during the difficult economic times. Your efforts are indeed a factor in the positive results everyone works towards with such dedication. The end result is that our district stands out from others and our students are successful in their pursuits.

Respectfully Submitted,

George T. "Stoney" Burks
