Mr. Luis Huerta, EPHS Principal

Eagle Pass High School

Dear Mr. Huerta,

I would like to formally recognize Chick-Fil-A and its local proprietors Juan and Jaque Garza for their service to our students at Eagle Pass High School. Chick-Fil-A and its franchise owners partner annually with secondary schools in an effort to promote the values of service and leadership to students across the nation. Through the Chick-Fil-A Leader Academy, students are given the opportunity to learn about the importance of service through action. Each month, students participate in leader labs where an essential component of service is explored. Through fun and engaging activities, students learn about the value of service to their community. Students also engage in two community service projects: one in December and one at the end of the school year. The Community Service Projects allow students to put into practice the lessons learned in the labs. The end result of the labs and subsequent 2 community service projects is the transformation of the student into an effective leader.

We are so happy that Chick-Fil-A has taken the initiative to launch such an amazing program. We are appreciative of the efforts shown by Mr. and Mrs. Juan Garza, our local Chick-Fil-A owners, and for their commitment in supporting the educational goals at Eagle Pass High School.

Sincerely,

Alejandro Salinas, EPHS Counselor
