MAP Winter Growth

All grades and curricular areas had above average growth except for 8th grade Reading. We are working with our data to guide our instructional decisions. We had a large growth spike in 8th grade reading in the Fall that may be contributing to the low growth in Winter. 7th grade has a new curriculum this year so it is great to see the reading data and the above normal student growth.

Gear Up Grant

Our 7th grade team has been implementing Gear Up activities with students that revolve around STEM, financial literacy, careers, and mentoring. This is a great opportunity that will follow this cohort of students through high school.

PBIS

Our staff participated in a professional development on January 18th delivered by Nate Anderson a member of the RK12 team. We are working as a staff on consistent expectations through the building. Students are responding positively to the Homedale Way. The student body has been focusing on kindness campaigns.

Upcoming Events:

February- Access Testing

February 8th- Staff Professional Development

February 25th- Parent Teacher Conferences

March 14th- End of Quarter 3
