

19 TAC §102.1307(d)

Innovation District

A local innovation plan must be developed for a school district before the district may be designated as an Innovation District. A local plan must provide for a comprehensive educational program for the district, which may include:

- 1) Innovative Curriculum
- 2) Instructional Methods
- 3) Community Participation
- 4) Governance of Campuses
- 5) Parental Involvement
- 6) Modifications to the school day or year
- 7) Provisions regarding the district budget and sustainable program funding
- 8) Accountability and assessment measures that exceed the requirements of state and federal law; and
- 9) Any other innovations prescribed by the board of trustees.

A local innovation plan must identify requirements imposed by the Education Code that inhibit the goals of the plan from which the district should be exempted on adoption of the plan. The local innovation plan should specify the manner in which a particular statute inhibits one or more goals of the plan. Please use the form below to check the statutes specifically identified in your district's local innovation plan as inhibiting a goal of the plan. Checking a specific statute does not necessarily indicate eligibility for an exemption from all subsections of the statute. The local innovation plan controls with regard to the specific exemptions adopted by a district. The form below provides a reporting mechanism to fulfill the reporting requirements of the statute. Entire sections of code may not be eligible for exemption and each district should consult its legal counsel in developing its innovation plan.

Exemptions claimed for an Innovation District apply only to the specific provision of the Texas Education Code (TEC) cited, which may or may not be governed by a separate legal requirement. The exemption does not relieve the district of any requirement imposed by other state or federal law or a duty imposed under federal regulation, grant compliance, agency rule applicable to a charter school or a local legal requirement. Each district should consult its legal counsel to ensure adoption of necessary local policies to ensure compliance with all applicable legal requirements.

Please note that this is not an exhaustive list of exemptions.
