Proposed Alliance – “Joining Hands to Lift Students” and Expressions of Appreciation to TPSD Teachers, Staff, Administration and Schools

Mr. David Meadows, Interim Superintendent

Several weeks ago TPSD Parents Gina Thorderson and Lori Robertson contacted me about participation by the Tupelo Public School District in a proposed alliance “Joining Hands to Lift Students.” Ms. Thorderson and Ms. Robertson also mentioned that they would like to express appreciation to the TPSD teachers, staff, administration, and schools. I have invited Ms. Thorderson and Ms. Robertson to share this information with the Board of Trustees.
