Athletics June 2025

Priorities

☑ **Priority 3:** Maximizing Co-Curricular and Extra-Curricular Opportunities, Performance, and Engagement.

Navarro Summer Athletic Camps:

Navarro Athletics is maximizing extra-curricular opportunities and engagement this summer. We have 596 registrations for our sports camps in June! Our coaches will reach athletes across all of our campuses. So far this summer, we have had softball, volleyball, football, track, and basketball camps. In addition, we will host our Panther Athletics Camp (Strength & Conditioning) and are anticipating huge numbers for both boys and girls athletics. Our Panther athletes will look to make tremendous strides this summer and build on our great tradition at Navarro.

We have also secured several hires. We are adding proven winners and coaches hungry for success. They are joining an already stellar coaching staff. In addition, we are bringing an elite athletic trainer on board with professional and division 1 collegiate experience. Our student athletes will be in great hands.
