Peter Hobart Elementary School

Who We Are

The *Bring it Home* program provides space and connection for the voices of our multilingual and multicultural families through building trusting relationships that promote cultural understanding and appreciation. *Bring it Home* seeks to strengthen the connection between home and school with your valuable input to ensure that Peter Hobart is a safe and welcoming community where every child can succeed and every family is an asset.

Quienes somos

El programa *Bring it Home* ofrece espacio y conexión para las voces de nuestras familias multilingües y multiculturales mediante el desarrollo de relaciones de confianza que promueven la comprensión y el aprecio cultural. *Bring it Home* busca fortalecer la conexión entre el hogar y la escuela con su valiosa contribución para garantizar que Peter Hobart sea una comunidad segura y acogedora donde cada niño pueda prosperar y cada familia sea un valor.

Bring It Home Team

Peter Hobart Elementary School

Started in 2013, Bring It Home is a program designed to meet the unique needs of multilingual families at Peter Hobart.

The primary activity is monthly meetings for parents, with childcare provided, run by teachers and staff. The primary goals of the meetings are:

- Teaching parents strategies to support their children in reading and math
- Helping parents understand navigation of the school system (e.g., explaining assessments, report cards)
- Providing a comfortable space for staff and families to build relationships and for parents to get their needs met.
- To be inclusive of families' culture and perspectives.
