Dear Ms. Filbeck:

Era Independent School District thanks you for your generous contribution. This letter will serve as a receipt for your tax purposes. Era Independent School District, a Texas public school district, acknowledges the receipt of the \$500 for the prom fund in February, 2022. The charitable contribution was received by Julie Maddux, Director of Finance, at the administration office. This letter confirms that no goods or services were provided in exchange for your generous contribution.

Again, we thank you for your generous contribution. We appreciate your support of our school district in this manner.

Very truly yours,

Julie Maddux  
Executive Director of Business Services
