Re: Bid Results for Pavement Replacement

We would like to discuss the bid results for pavement replacement at Cleveland, Coolidge Elementary Schools and Frost Middle School at the next Building and Site meeting on July 20, 2015.

A formal bid was conducted and there were three vendor responses. The bid recommendation from Harry Lau, Administrator of Operations is attached along with the bid tabulation. We are recommending the second low bidder on this project. The difference in cost is \$175 and we have had some difficulties with the lowest cost vendor. Our recommendation is to award the bid to the lowest responsible bidder, Best Asphalt Inc., at a total cost of \$228,500.

The source of funds for this project is the Sinking Fund. Please feel free to contact me if you have any questions.

*Operations Department*

*Memorandum*

TO: Lisa Abbey, Director of Business Services  
FROM: Harry Lau, Administrator of Facilities and Operations  
DATE: July 13, 2015  
SUBJECT: Recommendation for Pavement Replacement at Three Sites

I am recommending and seeking approval to award the Pavement Replacement bid at Coolidge, Cleveland and Frost to Best Asphalt Inc. at a total cost of \$228,500.00. This project will be funded by the Sinking Fund, pg. 50. The vendors that participated in this quote process are listed below:

|                          |                    |                     |
|--------------------------|--------------------|---------------------|
| Pavex Corporation        | Trenton, MI        | \$228,325.00        |
| <b>Best Asphalt Inc.</b> | <b>Romulus, MI</b> | <b>\$228,500.00</b> |
| T&M Paving               | Milford, MI        | \$262,996.00        |

Rationale: Best Asphalt has a timeline of completion for each parking lot of ten days, Pavex stated timeline is fourteen days for each parking lot. Pavex shows a difference of one hundred seventy five less than Best Asphalt. Livonia Public Schools past experience with Pavex at Cooper was less than positive.

If you have any questions regarding this matter please contact me. Thank you.
