Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

Comprehensive Needs Assessment Process

Campus committee comprised stakeholders from all required areas usually chosen by nomination or volunteer. Committee serves as the committee for most required communication.

Three meetings are held a year to discuss needs, create surveys for feedback, analyze feedback, and establish plans based on feedback. The committee prioritizes district needs, which then drives the creation of programs and activities as well as requested budgets to support those programs. Data from the Comprehensive Needs Assessment is used in developing both the District Improvement Plan and each Campus Improvement Plan.

ESSA requires three elements that are essential for effective implementation of a schoolwide program.

In accordance with the revised (07/31/2018) Section 1114(b)(1) of Title I, Part A Statute, a Schoolwide program shall include the following federally required elements:

Conduct a comprehensive needs assessment – (SWP CNA) Schoolwide Comprehensive Needs Assessment. (Section 1114(b)(6))

- Includes academic achievement of students.
- Needs of students who are failing, or are at-risk of failing, to meet State academic standards.
- Barriers for educators, students, and parents
- Demographics
- School culture and climate
- Staff quality, recruitment and retention
- Curriculum, instruction and assessment
- Family and community involvement
- School organization
- Technology.

Prepare a comprehensive schoolwide plan – (SWP CIP) Campus Improvement Plan. (Section 1114(b))

- Provide opportunities for all children to meet the challenging state academic standards.
- Use instructional strategies that strengthen the academic program in the school.
- Increase the amount and quality of learning time.
- Provide enriched and accelerated curriculum.
- Address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.
- Includes the involvement of parents, community members, teachers, principals, other school leaders, paraprofessionals, administrators, to the extent feasible, tribes and tribal organizations, and if appropriate, specialized instructional support personnel, technical assistance providers, school staff, and students.
- Available to the LEA, parents, and the public, in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

Conduct an annual evaluation of the schoolwide plan – (SWP EPE) Evaluation of Program Effectiveness. (Section 1116(b)(3))

- Regular monitoring and revision as necessary based on student needs.
- Ensure all students are provided opportunities to meet the State academic standards.

State Compensatory Education Criteria

- If the student is in grade 7, 8, 9, 10, 11, or 12, did not maintain an average equivalent to 70 on a scale of 100 in two or more subjects in the foundation curriculum during a semester in the preceding or current school year or is not maintaining such an average in two or more subjects in the foundation curriculum in the current semester;
 - Grades 7 – 12: End of six/nine weeks/semester/year student grade reports
- If a student did not perform satisfactorily on an assessment instrument administered to the student under Subchapter B, Chapter 39, and who has not in the previous or current school year subsequently performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument;
 - Grades 3 – 8: State of Texas Assessments of Academic Readiness (STAAR)
 - Grades 9 – 12: STAAR End of Course (EOC)
- If the student is in prekindergarten, kindergarten, or grade 1, 2, or 3, did not perform satisfactorily on a readiness test or assessment instrument administered during the current school year;
 - Prekindergarten:
 - Kindergarten:
 - Grade 1:
 - Grade 2:
 - Grade 3:
- If the student is pregnant or is a parent;
- If the student has been placed in an alternative education program in accordance with Section 37.006 during the preceding or current school year;
- If the student has been expelled in accordance with Section 37.007 during the preceding or current school year;
- If the student is currently on parole, probation, deferred prosecution, or other conditional release;
- If the student was previously reported through the Public Education Information Management System (PEIMS) to have dropped out of school;
- If the student is an emergent bilingual student, as defined by TEC Section 29.052;
 - Grades PK – 12: Language Assessment System (LAS) Battery
- If the student is in the custody or care of the Department of Family and Protective Services or has, during the current school year, been referred to the department by a school official, officer of the juvenile court, or law enforcement official;
- If the student is homeless;
- If the student resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility,

substance abuse treatment facility, emergency shelter, psychiatric hospital, halfway house, cottage home operation, specialized child-care home, or general residential operation;

- If the student has been incarcerated or has a parent or guardian who has been incarcerated, within the lifetime of the student, in a penal institution as defined by Section 1.07, Penal Code; or
- If the student is enrolled in a school district or open-enrollment charter school, or a campus of a school district or open-enrollment charter school, that is designated as a dropout recovery school under Section 39.0548; or
- Regardless of the student's age, participates in an adult education program provided under the adult high school charter school program under Subchapter G, Chapter 12.
- In keeping with Texas Education Code Section 29.081. Compensatory, Intensive and Accelerated Instruction above, the local education agency will identify students performing below grade level in reading (reading in the content area) and mathematics to ensure compliance. Assessment instruments will include those listed above, as well as:

Local Criteria: Based on the results of the annual needs assessment and continuous formative evaluation results, the district and campus administrators, as well as the District and Campus Site-Based Decision-Making Committees:

- Identify priorities and/or goals to alleviate the identified student needs;
- Identify available program(s), services, financial resources and support resources through which services can be delivered;
- Identify programs, services, strategies, and activities that need modifications based on formative and summative assessment data;
- Determine the strengths and needs of faculty members in meeting the identified student needs;
- Design the professional development program to ensure that faculty members receive prerequisite training to meet students' needs;
- Enlist parental and community support in meeting identified student needs;
- Train parents and community volunteers in methods for assisting students; and
- Develop the annual District/Campus Improvement Plan to include a process for ongoing monitoring of program effectiveness and redirection of services as needed.

Demographics

Demographics Summary

Overview

- Italy ISD is a PK-6th grade Title I district located in Italy, TX.
- Italy is a slow-growing rural community that is located south of Dallas and in the southernmost area of Ellis County.
- Italy has always been a farming community, but that image is beginning to shift as Italy is starting to become more of a bedroom community where residents commute to the metroplex or to one of the larger nearby cities of Dallas, Ennis, Waxahachie, or Hillsboro.
- Both campuses are located in the town and within 1- 2 miles of each other.
- There is strong community support for the students and the school district.
- Italy ISD is part of a shared service arrangement with Avalon ISD and Milford ISD for special education, DAEP and support services. Italy ISD serves as the fiscal agent and provides the instructional setting for DAEP and specialized special education classes.

Enrollment

- Student enrollment in Stafford Elementary has fluctuated in the past years. The 2023–2024 TAPR was an enrollment of 329.
- Per the 2023-2024 TAPR, the campus has three main student groups:
 - 9.4% are African American
 - 30.7% are Hispanic
 - 55.9% are White.
- 45.9% are female students and 54.1% are male.

Attendance

- Attendance rates have remained lower than pre-COVID:
 - 2019-2020 TAPR Attendance was 98.8%
 - 2020-2021 was 95.0%
 - 2021-2022 was 93.2%
 - 2022-2023 was 94.8%

Student Groups

- Stafford Elementary student groups include:
 - 100% Title 1
 - 10.3% Emergent Bilinguals (EBs)
 - 1.8% as Gifted and Talented (GT)
 - 19.1% Special Education
 - 7.9% Dyslexia
 - 72.3% Economically Disadvantaged
 - 29.5% are identified as at risk
 - 5.8% Section 504
- Special Education rate is high as the state is at 13.9%. We attribute that to a strong reputation of great special education services that attract parents to the district.

Staff:

- Stafford Elementary places a very high priority in employing a high-quality, talented staff.

- Our total staff is at 42.0.
 - Professional staff makes up 67.9%
 - Educational aides 32.1%
- Years of teaching experience stands at:
 - 3.8% beginning teachers
 - 16.5% with 1-5 years experience
 - 13.0% with 6-10 years experience
 - 53.3% with 11-20 years
 - 13.3% with 21-30 years experience.

Class Size

- Class size is also a high priority for the district.
- We have been able to continue to have class sizes smaller than the state average in all grades:
 - Kindergarten was 15.3
 - 1st was 15.6
 - 2nd was 15.9
 - 3rd was 13.6
 - 4th was 19.4 (equal to state)
 - 5th was 14.4
 - 6th was 12.4

Demographics Strengths

Stafford Elementary has many strengths. Some of the most notable demographics strengths include:

- There is strong community support for the students and the school district. The community shows up at events to show their support and love for the district.
- Many Italy ISD graduates are now employees in the district. Our school board is made up of all Italy ISD graduates.
- Our student-to-teacher ratios and our class sizes continue to be below the state average.
- More than 50% of our teachers have 11+ years of experience and our teacher turnover rate is lower than the state average.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Attendance rates have not averaged 98% or higher since 2019-2020. **Root Cause:** As a result of different factors, ADA has fallen over the past 3 years and the ramifications on education shows a need to continue decreasing the turnover rate of teachers.

Student Learning

Student Learning Summary

Overview

- Due to the delay in TEA's release of the 2022-2023 & 2023-2024 TAPR Report, data from the 2023-2024 TAPR Report was used
- The 2024 STAAR results include the performance levels of Approaching, Meets, and Masters Grade Level Performance. All three levels are considered to be passing. The Approaches category indicates that students show some knowledge of course content but may be missing critical elements — the student may need additional support in the coming year. The Meets category indicates the students have a strong knowledge of course content and students are prepared to progress to the next grade level or course. The Master's category indicates that students are on track for college and career readiness.
- The goals for the district for 2023-2024 are 85% approaching, 60% meets, and 30% masters along with a 97% attendance rate, 75% of students show growth, and 70% of seniors earn CCMR indicator.

Curriculum, Instruction, and Assessment

Summary of Strengths:

- The 2024 STAAR results include the performance levels of Approaching, Meets, and Masters Grade Level Performance. All three levels are considered to be passing.
 - The Approaches category indicates that students show some knowledge of course content but may be missing critical elements — the student may need additional support in the coming year.

- The Meets category indicates the students have a strong knowledge of course content and students are prepared to progress to the next grade level or course.
- The Master's category indicates that students are on track for college and career readiness.
- The goals for the district for 2024-2025 are:
 - 85% approaching
 - 60% meets
 - 30% masters
 - 97% attendance rate
 - 75% of students show growth
 - 70% of seniors earn CCMR indicator.
- Stafford Elementary has several programs in place to address identified needs. Students who need additional support or have difficulty passing the STAAR tests will qualify to receive additional assistance through the following programs:
 - Prekindergarten Program for eligible students
 - Intervention Program for grades PK - 12
 - Individualized Instruction for grades PK - 12
 - After School Tutorials for grades 2 - 12
 - Friday School for grades 3 - 12
 - Summer School Program for grades PK - 12
 - Counseling Services for grades PK - 12
 - English Learners are supported by the ESL Program
 - Special Education services for eligible students
 - Dyslexia services for eligible students
 - 504 services for eligible students

Summary of Needs:

- Some teachers required additional training on the resources available to support aligned curriculum expectations
 - Amplify ELAR (K-5)
 - Eureka Math (K-5)
 - Carnegie Math (6-12)

Priorities:

- Training
- Identification
- Effectiveness Analyzation
- Identify Usage Frequency

Actions:

- Identify all resources available
- Provide professional development on effective usage of materials and resources available
- Evaluate teacher usage of resource in comparison to student performance
- Ensure materials used by teachers are state adopted materials
- Encourage teachers to utilize research-based effective strategies to support the use of curriculum during instruction
- Provide evidence-based activities including intervention, tutorials, and summer school

School Culture and Climate:

Summary of Strengths:

- High expectations are yielding high student performance outcomes.
- The schools/district are small, collaborate together well, and support the efforts of each other and the district.
- Low teacher-student class ratios provide opportunities for more individualized & small group student instruction.
- Consistency of administrative staff the past 3-4 school years.
- 4-Day Instructional Week Calendar year 2
- Faculty Sunshine Committee for staff morale
- Experienced staff with continuity at the campuses
- Use of multiple communication methods
- Positive reputation with the community for support and services provided to students.
- Campus and district committees provide teachers and staff the opportunity to voice their concerns, ideas, and suggestions.

Summary of Needs:

- Lack of substitute teachers
- The curriculum materials, campus leadership and district leadership collaborate and identify the assessments used to measure student progress.
- Principals continue to work with class schedules to maximize planning opportunities within the school day.
- Integrate health and safety practices within everyday school activities
- Continuing mental health and support services to address the social, emotional, and mental health needs of all students

Priorities:

- Continuity of leadership and instructional support
- Instructional support plans at both campuses
- More counselor time for counseling, fewer administrative tasks
- Integrate health and safety practices within everyday school activities
- Mental health and support services to address the social, emotional, and mental health needs of all students

Actions:

- Continue to evaluate the school calendar and consider any options that would improve student achievement.
- Identify opportunities for more collaborative planning and discussion about instruction.
- Provide Social-Emotional Learning programs to all students

Staff Quality, Professional Development, Recruitment, and Retention

Summary of Strengths:

- Increase in hiring teachers with experience
- Decreasing retention rate of teachers

Summary of Needs:

- Retain fully certified staff and continue to employ existing staff

Priorities:

- Professional Development
- Retain fully certified staff and continue to employ existing staff

Actions:

- Professional Development

- Offer retention stipends twice per year

Family and Community Involvement:

Summary of Strengths:

- Various parent and community engagement opportunities

Summary of Needs:

- Continue to grow high school information meeting opportunities (FAFSA night, NHS, etc.)

Priorities:

- Improve communication to families and community
- Find/post instructional supports for parents on Google classrooms

Actions:

- More posting and emails to community and parents

Student Learning Strengths

Stafford Elementary has a population of hard-working, high-achieving students.

The campus is proud of many different student achievement strengths.

Stafford Elementary has several programs in place to address identified needs. Students who need additional support or have difficulty passing the STAAR tests will qualify to receive additional assistance.

High expectations are yielding high student performance outcomes.

The schools/district are small, collaborate together well, and support the efforts of each other and the district.

Low teacher-student class ratios provide opportunities for more individualized & small group student instruction.

Increase in hiring teachers with experience

Decreasing retention rate of teachers

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): The campus percentages at the Meets level and the Masters level need to improve to 60% and 30%. **Root Cause:** A difficult transition to emphasis on moving students to the meets and masters level and not just passing the test. **Root Cause:** A difficult transition to emphasis on moving students to the meets and masters level and not just passing the test.

Problem Statement 2 (Prioritized): All campus student groups need to improve to at least 90% approaching in all subject areas. **Root Cause:** Recovering from loss of teaching and learning during COVID 19 proves to be more difficult for students who were struggling pre COVID.

School Processes & Programs

School Processes & Programs Summary

Curriculum and Instruction

Stafford Elementary uses the TRS Scope and Sequence from Region 10. Highly qualified instructional materials also include Eureka & Carnegie Math, Amplify RLA, Lowman Social Studies and Stemsopes Science. The teachers follow the six weeks sequencing but have the academic freedom to rearrange the sequence based on student needs and the 4-day instructional week school calendar. The curriculum outlines what is taught but the teachers are in complete control as to how it is taught in their classrooms. All core teachers create their own quizzes and tests. The district uses NWEA MAP assessments three times per year to monitor student progress. The district conducts benchmark/ interim testing one to two times per school year depending on the subject and the needs of the students. All results from NWEA MAP, tests, mid-term, final, and benchmarks/interims are monitored by the district staff, campus administrators and instructional coaches.

Recruitment and Retention

Stafford Elementary will continue to be aggressive in recruiting new teachers and staff when vacancies occur. The district posts openings on the district website as well as the Region 10 Job Network site. All applications are screened by the campus administrators with support from the superintendent's office. The district has adopted multiple strategies to attract and retain teachers and staff including a retention bonus in December, increasing pay, decreasing the number of contracted work days, moving to a 4-day instructional week calendar and becoming a District of Innovation. The district participates in a teacher mentor program and offers other support with high quality and on going professional development.

Student Learning-Staff Working Environment

Stafford Elementary strives to provide a positive, safe and instructionally rigorous learning environment for our students and the same for our staff. Safety is a top priority as is evidenced by our district safety and security committee meetings 3 times a year, a developed and approved Emergency Operation Plan with multiple annexes, regular drills throughout the district, our partnership with the City of Italy Police Department and their canine member, as well as annual drug testing with random follow-up testing throughout the year at our JH-HS. Bell-to-bell instruction is expected, monitored and recognized. The 4-day instructional calendar also contributes to the positive attitude, morale and endurance seen in our students and staff.

School Organization

Stafford Elementary is grades PK-6th and has a principal, student support specialist/AP, a school counselor, two instructional coaches, and a school nurse.

Technology

Stafford Elementary has state-of-the-art technology. Bandwidth and firewall infrastructure is solid for accommodating end-user clients. One-to-one devices are available for all students. Promethean boards are installed and working in all classrooms. A variety of instructional technology resources are available for teachers. Professional development is provided in groups and individually. There is an efficient and effective help desk to remedy issues in classrooms. Technology resources are available and used to meet different levels of student learning.

School Processes & Programs Strengths

The TRS scope and sequence is a proven curriculum with excellent results.

Teachers have the academic freedom in their classrooms to meet the needs of the students.

High quality instructional materials and researched based instructional strategies are used in our classrooms.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Recruiting and retaining high quality teachers will continue to be an issue for Stafford Elementary. **Root Cause:** Neighboring districts pay scale is higher.

Problem Statement 2 (Prioritized): The learning and teaching environment is still challenged and directly impacted with social-emotional deficits, character education needs and endurance issues among its staff and students. Decreases in failure rates and office referrals, improved attendance and teacher retention rates are needed. **Root Cause:** As a result of many societal issues, various student learning-staff working environmental issues have emerged.

Perceptions

Perceptions Summary

Stafford Elementary works diligently to create an inclusive family atmosphere.

Safety of our staff and students is of primary importance and the focus on this component is evident throughout the district.

Our students and our staff like being a part of Stafford Elementary, and they believe that it is an excellent school district and a great place to learn and work.

Stafford Elementary is committed to a feeling of family and this intangible quality is encouraged and exemplified on every campus.

- We actively work toward that goal in three areas:
 - Student/Teacher
 - Families/School
 - Staff/Staff.

Administrators, counselors, and teachers regularly work to create opportunities for parent involvement in student learning.

The culture of Stafford Elementary is carefully studied and monitored and new employees are carefully vetted to make sure they have the same commitment to our family atmosphere.

Many programs, services, and common courtesies are extended to make sure that walking into a campus feels as if one is part of the family.

Stafford Elementary is responsible with the use of Federal, State, and Local services programs and funds.

Perceptions Strengths

Stafford Elementary is a great place to work and learn.

Teachers, staff, and students enjoy working and learning here in Italy.

There is definitely a feeling of family in Stafford Elementary.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Inconsistent and short-term leadership has hindered the stability of staff and overall performance of the students and campuses. **Root Cause:** Multiple principals have stayed for 2 or less years over the past several years until the current principal arrived. He is going on his fourth year.

Priority Problem Statements

Problem Statement 1: Attendance rates have not averaged 98% or higher since 2019-2020.

Root Cause 1: As a result of different factors, ADA has fallen over the past 3 years and the ramifications on education shows a need to continue decreasing the turnover rate of teachers.

Problem Statement 1 Areas: Demographics

Problem Statement 2: The campus percentages at the Meets level and the Masters level need to improve to 60% and 30%. Root Cause: A difficult transition to emphasis on moving students to the meets and masters level and not just passing the test.

Root Cause 2: A difficult transition to emphasis on moving students to the meets and masters level and not just passing the test.

Problem Statement 2 Areas: Student Learning

Problem Statement 3: All campus student groups need to improve to at least 90% approaching in all subject areas.

Root Cause 3: Recovering from loss of teaching and learning during COVID 19 proves to be more difficult for students who were struggling pre COVID.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: Recruiting and retaining high quality teachers will continue to be an issue for Stafford Elementary.

Root Cause 4: Neighboring districts pay scale is higher.

Title I

1.1: Comprehensive Needs Assessment

The campus site-based decision making committee is comprised of stakeholders from all required areas usually chosen by nomination or volunteer. The committee serves as committee for most campus required communication. Three meetings are held a year to discuss needs, create surveys for feedback, analyze feedback, and create a plan based on feedback. Then the committee prioritizes campus needs based on their analysis, which then drives the creation of programs and activities as well as requested budgets to support those programs.

ESSA requires three elements that are essential for effective implementation of a schoolwide program.

In accordance with the revised (07/31/2018) Section 1114(b)(1) of Title I, Part A Statute, a Schoolwide program shall include the following federally required elements:

Conduct a comprehensive needs assessment – (SWP CNA) Schoolwide Comprehensive Needs Assessment. (Section 1114(b)(6))

- Includes academic achievement of students.
- Needs of students who are failing, or are at-risk of failing, to meet State academic standards.
- Barriers for educators, students, and parents.

Prepare a comprehensive schoolwide plan – (SWP CIP) Campus Improvement Plan. (Section 1114(b))

- Provide opportunities for all children to meet the challenging state academic standards.
- Use instructional strategies that strengthen the academic program in the school.
- Increase the amount and quality of learning time.
- Provide enriched and accelerated curriculum.
- Address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.
- Includes the involvement of parents, community members, teachers, principals, other school leaders, paraprofessionals, administrators, to the extent feasible, tribes and tribal organizations, and if appropriate, specialized instructional support personnel, technical assistance providers, school staff, and students.
- Available to the LEA, parents, and the public, in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

Conduct an annual evaluation the schoolwide plan – (SWP EPE) Evaluation of Program Effectiveness. (Section 1116(b)(3))

- Regular monitoring and revision as necessary based on student needs.
- Ensure all students are provided opportunities to meet the State academic standards.
