Employee of the Month, October 2010

The Employee of the Month for October is Anita Taylor. Anita has been an employee of CHISD for eleven months now. She is the ISS Aide at Cedar Hill High School. This is her first experience working in public schools.

Anita's duties include receiving students who have a discipline referral. She is responsible for ensuring that each student receives and completes his or her class work from each teacher. She is also responsible for assisting students where needed on this class work. This allows her to interact with the students, which is one of the aspects she enjoys most about her job.

Mrs. Taylor enjoys working for Mrs. Mariani and Cedar Hill High School. "Mrs. Mariani is very understanding and fair. If you need to talk with her, she always makes time for you. For the 11 months I've worked at the High School, she has been great. The district is great also. This is my first time working for a school district and I'm glad I chose CHISD and Cedar Hill High School."

When not at work, Anita enjoys shopping and spending time with her family.

Please congratulate this month's Employee of the Month, Mrs. Anita Taylor.
