

## **BUILDINGS/GROUNDS & TRANSPORTATION REPORT**

**Date:** February 25, 2019  
**To:** Board of Education  
**From:** Jeff Stauder

### **BUILDINGS/GROUNDS**

#### **Facilities Committee**

The Facilities Committee did not meet in February. The next meeting is scheduled for Wednesday, April 10, 2019 at 5:30 p.m. in the High School.

#### **Annual Life Safety Review**

The district's annual life safety review took place on Wednesday, February 13. Both the ROE representative and the State Fire Marshal were present. I do not have the formal report yet, but once that is received, I will share with the board.

#### **Gym Floor Cleaning & Recoating**

##### **Gym Floor Clean & Recoat Proposals for Summer, 2019**

	Veterans Floors, Inc.	Stalker Sports Floors	Specialty Floors
Sr. High Floor	\$1,935.00	No Quote	No Quote

As of today I have not received a quote from the other two companies. Veterans have done our gym floor work the past few years. With no other quotes at this time and only a \$15 increase from last year I would recommend we use Veterans.

#### **Custodial Supplies**

I have stated taking inventory of the supplies that are still on hand in the Unit Office, and I will be asking the Custodians to submit their request for next year, so that I can request bids if necessary.

#### **Jr. High Update**

Things are moving along well and plans are starting to fall into place. I have received tile and paint samples, which I gave to Mrs. Ellis for her input on colors. I will continue to keep the Board updated as we move along.

### **Transportation**

I am still waiting on bids for the replacement of one of our leased buses. I hope to have this information soon so that we can approve something at next month's Board Meeting.
