Background Information

The MSBA search package includes a post-hiring workshop at no additional cost. This will help set expectations for the coming year, particularly around superintendent goals and how performance evaluations will be conducted. It usually lasts about two hours, and everyone receives a copy of MSBA's "Goals- and Standards-Based Superintendent Evaluation" booklet.

Most boards hold these workshops in September/October/November.

Barb Dorn, Director of Leadership Development and Executive Search with MSBA will typically conduct these workshops virtually.

Recommendation

I move to authorize the Superintendent to contact Barb Dorn with MSBA and set up a date and time to conduct a Post-Hiring Workshop.
