

December

Greetings Evergreen Families,

Happy Holidays!

I have been so blessed by the support of volunteers in the recent weeks. It is amazing to see the various activities at our school being planned by our Parent Teacher Organization (PTO). They are always looking for new members. Please consider signing up. I have also been thrilled to see parent helpers in the classrooms and on field trips. Please follow the process through the District website to volunteer. We will be looking for help soon, as our Book Fair is back in person!

With winter weather approaching, please make sure to send your child in appropriate clothing and footwear. A name inside is always helpful when trying to match up lost clothing. Feel free to drop by our lost and found if your child is currently missing any sweaters or coats.

Finally, with the holiday season upon us I want to wish you all a time of rest and hope that this season gives you time to connect at home. Reading a great book over the time we are off is a wonderful experience for your student, so remind your child to bring home a library book over our winter break.

Sincerely,
Jenny Jones
Principal
