Executive Summary Report

Date	District Guiding Pillar	
July 7, 2025	Goal 1: Student Achievement: Accelerate student learning to dramatically increase the number of students who perform on or above grade level.	

Agenda Item: Consider Approval of the EIC (Local) Policy Update

Summary:

Policy EIC (Local) determines how grades will be weighted for class rank. Upon review of the policy that is to take effect with the Class of 2026 and seeking guidance from both TASB Policy Service and district's legal counsel, the District recommends updating the policy to keep the provisions that applied to the Class of 2025 and prior in tact with a few minor exceptions to courses that will be excluded from grade calculations. An attached red-line version of the policy is attached. Upon approval, the District will update the policy with TASB in our on-line policy.
