Meeting Conduct

(formerly Public Participation At Board Meetings)

All regular and special meetings of the Board will be open to the public. Because the Board desires to hear the viewpoints of citizens throughout the district, it will schedule one or more periods during each meeting for public participation. It may set a time limit on the length of this period and / or a time limit for individual speakers.

Comments and questions at a regular meeting may deal with any topic related to the Board's conduct of the schools. Comments at special meetings must be related to the call of the meeting.

A. Meetings of the Board of Education shall be conducted by the Chairperson in a manner consistent with the provisions of the Freedom of Information Act and the adopted bylaws of the Board.
