

TO MS. SIRLENA THOMAS

Takoya P Jenkins

April 15, 2015

To whom it may concern,

My name is Takoya Jenkins and I am currently a full time first term senior at Chicago State University. This is officially my last semester as an undergraduate and I will be entering in the graduate program, for Occupational therapy, next school semester, which will be starting August 24, 2015. The reason for the letter is to show that I am still interested in continuing to work as a College Student for the 2015-2016 school year. Thank you for giving me this opportunity to consider in letting me continue to work at Bryant Elementary School as Ms. Bufford help. I have learned a lot from working under her and I really love being there. Thank you again!!

Sincerely, Takoya P Jenkins
