Memorandum Item 9h

FOR: School Board Members
FROM: Chris Reitan
DATE: May 26, 2021
SUBJECT: CCSD Board Smart Start to School Advisory Committee

Given the changing landscape with the COVID-19 pandemic coupled with CDC's recommendations in response to the changing COVID-19 landscape, there has been discussion amongst Board members and community members about the district developing a Board committee to provide recommendations for the Board's consideration as our Smart Start to School Guidelines continue to evolve. Outlined below is a CCSD Board Smart Start to School Advisory Committee organization chart to provide community members and CCSD staff an opportunity to review CDC guidelines relative to our community's priorities and to make recommendations for the Board's consideration to modify the district's Smart Start to School Guidelines based on the current COVID-19 context. The committee would meet at a minimum of monthly to regularly review the CCSD Smart Start to School Guidelines, CDC's recommendations for school districts, and analyze the island's current context in relation to the COVID-19 pandemic and draft recommended language changes to CCSD's Smart Start to School Guidelines for the Board to consider at each monthly meeting.
