Lakeview Junior High School

June 2025 Board Report

Goal One – Education

We had an amazing end to the school year at Lakeview, celebrating our students and all of their accomplishments both in the classroom and through extracurricular activities. Our students continued to show dedication and effort right through the final days. We capped off the year with a successful graduation ceremony, a memorable 8th grade dance, and fun, engaging culminating activities for our 6th and 7th graders. The year wrapped up with an incredible amount of enthusiasm and commitment from both students and staff to make Lakeview a great place for kids. We are hopeful and excited to carry that energy into the start of the new school year.

Goal Two – Essentials

We are incredibly proud of the amazing participation from our students in clubs and activities this year—95% of our students are involved in extracurricular opportunities, both in and out of school! With a goal of reaching 100% participation, we continue to explore new ways to engage students based on their interests and passions. We're thrilled to announce that next year we'll be adding a Fishing Club, Dungeons & Dragons Club, and a Crochet Club to our lineup.

Our theme, *"You Belong Here,"* drives everything we do. Our dedicated faculty and staff are committed to helping every student find their place to shine, connect, and grow—academically, socially, and personally.

📍 你屬於這裡。

📍 Vous appartenez ici.

📍 Tú perteneces aquí.

📍 You belong here.

Goal Three – Environment

Lakeview is hustling and bustling with activity, and not a moment is being wasted! The building was abuzz with progress mere minutes after students left for summer break. We're thrilled to see major upgrades already underway, including a refreshed lobby featuring flexible seating and vibrant new signage designed by our very own Team 66. In addition, improvements to flooring and HVAC systems are in progress, all aimed at enhancing our learning

environment. Lakeview will be a busy place this summer, and we're excited about the positive impact these changes will have on our students and school community.

A special thanks to Tom Tiede for all of his hard work and thoughtful planning that made these exciting changes possible!

Thank you for your leadership and everything you do to support our schools and district, and I hope everyone has a great summer!
