

## **Huckabay Independent School District**

### **Board Agenda Item Synopsis**

Subject: Review and consider approval of Huckabay ISD House Bill 3 (HB3) Board Goals – Revised January 2023

Background Information: HB3 requires every school district's Board of Trustees to set, review, and revise annual; performance goals in early childhood literacy, math, and college, career, and military-ready performance goals. These goals must extend to a period of five years. The Board will annually review the goals and, throughout the school year monitor the progress of these goals.

Administrative Consideration: Progress monitoring will be conducted throughout the school year using benchmark data, progress-based monitoring assessments, and intervention strategies.

Budgetary Impact: None

Recommendation: In January 2023, the Huckabay ISD reviewed and revised the district's HB3 goals. This was completed in a team building/improving student outcomes board workshop. The recommendation is to approve the revised goals as presented.
