Re: Board of Directors Appointment

To each taxing entity in the Duval County Appraisal District:

It is time once again to appoint Board of Directors of the Duval County Appraisal District.

There are five voting members on the Board of Directors and there are three (3) seats open. The term of office is a two-year term, beginning on January 1, 2020. Your respective seat on the Board of Directors is vacant and needs to be filled.

In making the appointment, please remember that candidates have eligibility requirements:

1. Candidate must be a resident of the district and must have resided in the district for at least two years immediately preceding the date the term of office begins;
2. Membership on the governing body of the taxing unit does not disqualify a candidate;
3. An employee of a taxing unit that participates in the district is not eligible to serve on the Board unless the individual is also a member of the governing body or an elected official of the taxing unit that participates in the district.

After receiving a resolution from your governing body, the new members will be installed at the first regular scheduled Duval CAD Board of Directors meeting in 2020. Appointed members will then select new officers.
