Board Meeting Date:	19-Apr-16	Agenda #	
Staff/Administrator:	Debbie Simons	Superintendent:	David Holmes
Type of Item:	☐ Informational	☒ Action	

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am recommending the board adopt the draft calendar for the 2016-2017 school year - it is the calendar that reflects as much of the staff input as possible. Both unions have seen and met on the calendar, it has been vetted with the administrative team, and also the Design Grant Committee. Next school year, much like this year, is an odd year because of when Labor Day falls - it is fairly late for September, which affects what happens later in the year. There are some changes with this calendar; mainly an additional two days noted for licensed staff in the event we are successful in our grant application for a Collaboration Grant, and a modification of conferences. With the revised changes in OAR 581-022-1620, this calendar represents changes to parent conference time, as well as provides staff development time for staff to continue PLCs, analyze data, and supports continuing the collaborative work that staff are working on. This calendar also has 284 days between the start of school until the end of school, exceeding the minimum of 265 days required by ODE. There are structures in place, should the District be successful with it's Collaboration Grant application, that will support the activities designed by the Design Grant Committee without requiring further changes. This calendar does require an exception to be made by OSEA to the holiday language of the collective bargaining agreement due to where New Year's Day falls; without that exception, school would resume on Tuesday, January 2, students would finish on Friday, June 16, and licensed staff would finish on Monday, June 19.

Provide history/background information on your proposal.

I have provided a summary of changes in requirements below for your consideration:

Grade level	Old Requirement	New Rule	Max hours
Kindergarten	405 hours for half day programs; 810 hours for full day programs	450 hours for half day programs; 900 hours for full day programs	8 hours a day; Up to 60 hours for recess a year
1st – 3rd	810 hours	900 hours	8 hours a day; Up to 60 hours for recess a year
4th – 8th	900 hours	900 hours	8 hours a day
9th – 11th	990 hours	990 hours	8.5 hours a day
12th	990 hours	966 hours	8.5 hours a day

	Current Rule	New Rule
Parent-Teacher Conferences	Unlimited hours counted	Up to 30 hours per year
Professional Development	Up to 30 hours	Up to 30 hours
Percent of Students Scheduled	No requirement on percent of kids fully scheduled	92% of all kids in district on a full schedule by 2018-2019 (80% per school)
Inclement weather	Up to 14 hours	0 hours counted after 2015-2016 school year
Non-academic assemblies and field trips	Unlimited hours counted	0 hours counted after 2014-2015 school year

List the advantages of your proposal:

We would start after Labor Day, much like most districts in our region and across the state. We preserve the week of Thanksgiving off, which is also a clear desire of many of our staff and of many of our families, and we are able to end at the end of the second full week of June, and not have to have staff return on Monday, June 19.

List possible disadvantages of your proposal:

Having parent conferences right before Thanksgiving break might influence turn-out unless schools actively work to contact parents and engage them in attending. With the way the quarter ends and where Veterans' Day falls, it is difficult to find a week to schedule parent conferences that month that doesn't cause some kind of a potential conflict.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Superintendent's recommendation(s):   **Approve:**   Yes ☐   No ☐
