Principal Bonita Cherry
Waskom Middle School
PO BOX 748
Waskom, TX 75692

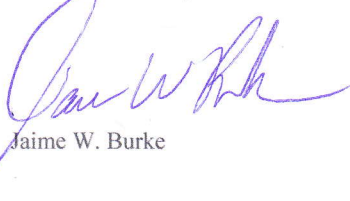

Dear Mrs. Cherry,

It is with large amounts of tears, heart ache, and prayer that I send this letter of resignation. I will be resigning my position as Action Lab Teacher for Waskom Middle School. I am not leaving because of any problem or grievance, but because I have been offered an opportunity at another school that I believe God has placed in my path.

I have enjoyed my eleven years at Waskom Middle School and wish you and the students nothing but the best. I will always be a Wildcat at heart and cannot thank you enough for the love, support, and opportunities that WISD has given me in my eleven years of service.

I am not going far and will be willing to help my replacement learn about the labs and the Paxton System. You can call/txt me 903-472-8679 or email me at Jaime.burke7@gmail.com

Forever a Wildcat,

Jaime W. Burke
