Mary Reeder, Business Manager

Business Manager Report for June 24, 2024

There will be a General Election held on November 5, 2024 for three school board candidate positions.

The candidate filing period begins on July 30, 2024 and the last day to submit an application will be August 13, 2024.

Candidates can obtain the Affidavit of Candidacy on the Secretary of State's website.

Applications must be notarized; both Bobbie Dahlke and I are notaries, and we will be able to provide that service to the applicants.

There is a \$2.00 application fee, that is due when the applications are submitted, as well.

There is a link on the district's website under School Board that has the link for the Affidavit of Candidacy and a link for additional candidate information – both links will bring candidates to the Secretary of State's webpage.
