

# WYLIE SUMMER READING & MATH CAMP PROPOSAL

- WHEN:** Summer 2008, 4 Week Half-Day Program  
June 9-July 3
- WHERE:** Wylie Elementary and Wylie Junior High School
- WHO:** Pre-Kindergarten through Sixth grade  
(Approximately 75 students)
- PURPOSE:** To improve reading & math skills and self esteem.

This camp is designed to teach and improve reading and math skills of at-risk Pre-Kindergarten through Sixth grade students. The primary goals of Wylie Summer Reading & Math Camp are:

1. Improve reading & math skills through a variety of activities.
2. Improve self esteem by providing students with opportunities for success.
3. Promote a love of reading.

Students will be identified by their classroom teachers based on the following criteria:

1. Standardized Test Results.
2. Report Card Grades.
3. Title I Identification.
4. Parent/Teacher Recommendation.

**ESTIMATED COST:** Parents will provide transportation to and from the camp.

\$15,000.00 - This includes monies for 16 teachers, 4 computer lab teachers, and supplies.
