

Reference: Honda Outboard Motors for sale.

The Alpena County Sheriff's Office has 2 – 225 outboard motor for sale. These motors came off of a 2005 Safeboat and ran well when replaced. One motor is counter rotation and both have stainless props and 30 inch shafts. All wiring, shifters, and gauges are included. The motors were removed, winterized, and were shrink wrapped prior to being stored in a heated garage by a local dealer. Both motors are believed to be 2005, one has approx. 5000 hours and the other approx. 3500. The hours are not definite because the Alpena County Sheriff's Office was not the original owner.
