SUBJECT:

Contract For TeachTown – Life Skills Curriculum

RATIONALE:

In accordance with state law requiring board approval for acquisitions exceeding \$50,000, the Administration recommends the purchase of the TeachTown Life Skills Curriculum. This comprehensive solution provides high-quality, physical instructional materials and integrated Social-Emotional Learning (SEL) specifically designed for students in alternative instructional settings.

Beyond student growth, this curriculum ensures our Life Skills educators remain eligible for the Teacher Incentive Allotment (TIA) by providing the necessary data and instructional framework. The agreement also extends support to our 18+ transition program and includes embedded professional development to ensure high-fidelity implementation. The proposed five-year contract begins July 2026, for a total investment of \$337,149.52.

RECOMMENDATION:

Administration recommends approval of the contract with Teachtown for Huntsville ISD through August 2031
