BACKGROUND:

We extend our deepest appreciation to the Cameron County Bar Association – Women's Law Section for their generous donation in support of the Sneakers for All event scheduled for December. The Cameron County Bar Association – Women's Law Section will be providing McKinney Vento students in grades Pre-K through 12 with shoes, benefiting students who have been identified through the program. We greatly appreciate the ongoing generosity and community spirit of the Women's Law Section members, whose continued support helps bring joy and encouragement to our students and families during the holiday season.
