Textbooks for high schools recommended by textbook selection committees will be placed on display in the District office for a period of at least sixty (60) days prior to the meeting at which the Board will consider their adoption. Information related to high school textbooks, which are proposed for approval, shall be placed on the District website.

Objectives of Selection

- A. Recommend resources that will support and enrich the curriculum, taking into consideration the varied interests, abilities, learning styles, and maturity levels of students served.

B. Recommend resources that will stimulate growth in factual knowledge, critical analysis of differing sides of issues, literary appreciation, aesthetic values, and recognition of various societal values.

C. Place principle above personal opinion and reason above prejudice in the recommendation of resources of the highest quality in order to assure a comprehensive collection of resources appropriate for the complete education of all students.

The Superintendent will establish procedures for the purchase and distribution of all necessary textbooks, supplemental books, and other related instructional materials from the adopted list free of cost to students.

Removal of Textbooks/Supplementary Materials

Textbook selection committees may recommend to the Superintendent that certain previously adopted textbooks or supplementary materials be deleted from the Board-approved list. Textbooks and supplementary materials will not be deleted without the approval of the Board.
