

Elementary Board Report

October 2024

Month	GSRP <i>(not included in count)</i>	K	1st	2nd	3rd	4th	5th	Total
September	24- Enrolled 1- Waitlisted	25	46	35	35	33	38	212
October	26	23	46	34	35	33	38	209

Celebrations:

Glow Walk- Thank you to the Mendon Elementary PTO for organizing the Glow Walk held on October 5th. They raised \$4,008!!

Fire Safety- Thank you to the Mendon Fire Department for visiting on October 11th, presenting about fire safety to our students, and letting them check out the fire trucks!

Engaged Learner's Journey

- **On-site visit:** Dr. Harris and a team from the ISD observed our Hive Time and Hornet Huddle. We had many positive comments from all of our visitors.
- **Parent Workshop:** Dr. Harris presented to our parents about fostering their child's growth mindset.
- **MTSS Statewide Conference:** Angie will be joining the ISD Instructional Leadership Team at the statewide MTSS conference to share our experience with the Engaged Learners Journey.

Parent-Teacher Conferences- 94% of our families attended. A shout-out to the teachers for their persistence in scheduling these meetings with parents.

Fall Data Review

Teachers analyzed data during our October 15th half-day PD and at the October Leadership Team meeting.

Patterns/Trends/Noticings

- Looking at trend data for math and reading, scores are relatively consistent
- Reading scores are lower than math at each grade level.

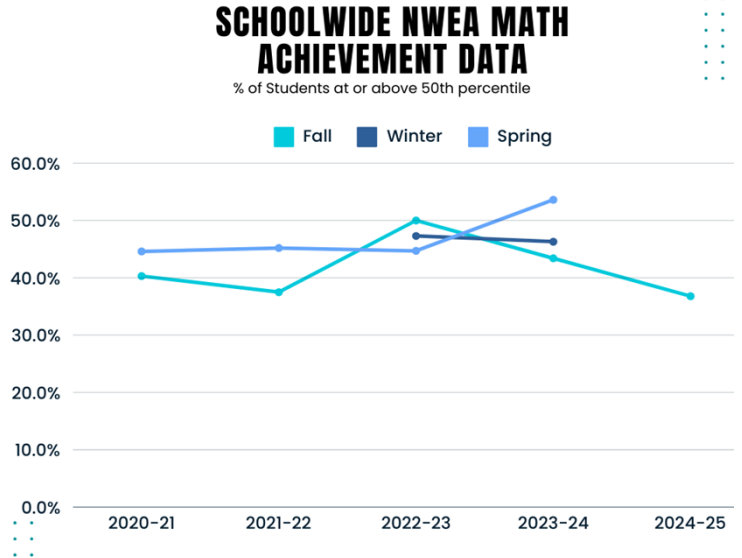

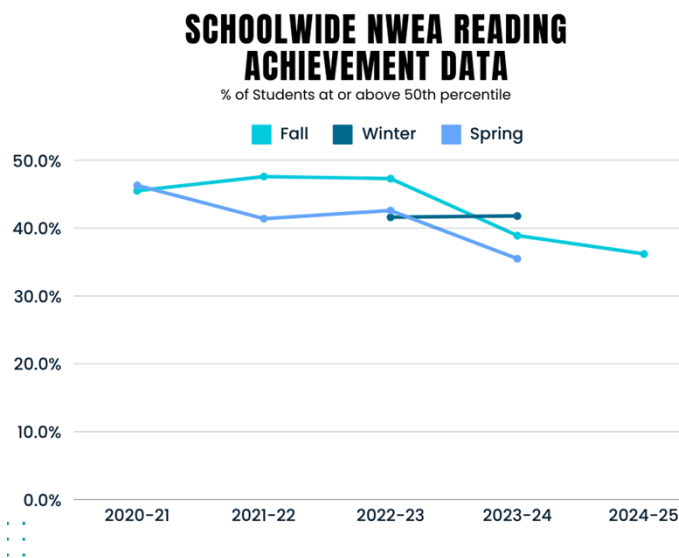

Potential Problems

- Testing during Fair Week- many teachers felt this impacted scores
- Testing environment, consistent administration, and test-taking strategies
- Reading- the rigor of ELA instruction
- Training and experience with curriculum resources- new resources and new staff

Action Plan

- Revise the assessment plan to include more specific guidelines for testing administration
 - Take age into consideration (Ex.- Kindergarten and 1st administer in small groups)
- Implementation of Wit and Wisdom with literacy coaching and additional professional learning throughout the year

- Number Corner implementation with instructional coaching support
- Development of Eureka Math implementation guide, coaching, engaging teachers in classroom walkthroughs

Upcoming Events

Week of October 21st- Fall Into Reading Week with *What Do You Do With a Chance?* as One School One Book selection

October 24th- Steven Courtney assembly during the day and Family Fun Concert at 6:00 pm
