I wanted to take a moment, as we approach **Minnesota Paraprofessional Appreciation Week, January 19-25, 2026**, to personally thank you for everything you do.

Your role as an ISD 917 Support Professional is simply essential. Because of the unique way our district operates, you make up nearly 40% of our entire staff. This means your commitment and skill are not just appreciated—they are absolutely vital to the progress and long-term success of our students.

We see you living out our district's core values every single day through your incredible work with students, families, and colleagues. Your personalized knowledge of each student and your team spirit are noticed and valued by everyone—your students, the licensed professionals you partner with, the administration, and the ISD 917 School Board.

We recognize the deep knowledge and relationships you develop, and we hope you will continue to grow professionally here within ISD 917's educational ecosystem. To support your growth, this year we've focused on key initiatives like implementing pay increases, continuing to support the Registered Teacher Apprenticeship Program, and providing tuition support for those pursuing special education teacher licensure.

Thank you for your hard work and dedication to fostering an inclusive community at ISD 917.

Sincerely,

Dr. Michael Favor  
ISD 917 Superintendent
