

TMS Board Report
June 11, 2019

8th Grade Presidential Awards:

- President's Award for Academic Achievement: Criteria for this includes maintaining a 3.5 GPA for all three years of middle school as well as at least one MAP score per year that places the student in the 85th percentile or above in math or reading. This year 7 students were awarded this honor.
- President's Award for Academic Excellence: Criteria for this award is the same as outlined above except the students must have one MAP score each year that ranks them in the 85th percentile or above in reading and math. This year 3 students were awarded this honor.

eCybermission:

- TMS students, led by Laurie Tracey and Peg Billing, participated in the eCybermission competition this year. eCybermission is a web-based STEM competition for students in grades 6-9. Teams choose a real-world problem and work to develop a viable solution. The team consisting of Bryn Baalke, Elizabeth Lee, Robin Schmidt, Scout Stromberg earned a \$500 in Savings Bonds through a strong 2nd place finish. Their work consisted of finding an environmentally safe alternative to using salt to clear ice from our roadways during winter the winter months.
