Oki, it is a privilege and honor to welcome you to Browning Public Schools for the 2022-2023 school year.

I'm excited and want to thank the school board, administrators, directors, and staff for all their hard work preparing and planning for this new school year. We encourage all buildings and departments to focus on providing a welcoming environment that is centered around building positive school/department climates practicing kindness, caring, and courage to lead the way!

We will continue to follow our four district goals: Graduation Matters, Attendance Matters, Culture Matters, and Safety Matters. Please keep the District Mission & Vision in mind, and practice self-care.

Our focus this year for students will be centered around the “Whole Child and building self-identity”.

I look forward to this school year and can't wait to see and visit with every one of you! Let's have a great year!

Respectfully,
Corrina Guardipee-Hall ED.S.
