

July Board Updates
Jones Elementary/Intermediate

<i>Summer School</i>	<i>June 1st thru 19th</i>
<i>Get Fit Brackettville Camp</i>	<i>June 23rd thru July 16th</i>
<i>3rd Administration of TAKS</i>	<i>June 29th and 30th</i>

- Summer School for at risk students in grades 2nd thru 6th grade was held during the 1st 3 weeks of June. We served 44 students in Math, Reading/LA, and Science. Attendance was great.
- BISD hosted Get Fit Brackettville Camp from June 23rd thru July 16th. The camp was under the direction of 4 University of Texas Health and Science Center students. The university hired 20 of our High School students to serve as camp counselors. The Camp served approximately 114 six thru twelve year olds in our community. The curriculum included Wellness and Nutrition Lessons, Fitness Games, Arts and Crafts, Swimming 3 times per week, Talent Show, and a field trip to Garner State Park. The directors hosted a banquet for where three of our High School students were awarded I-Pods and 5 of them were awarded the Llano Program (Learn, Lead, And Advance Opportunities) where they will get to spend 1 week at the University of Texas in San Antonio and get hands-on experience in the field of Health and Science.
- Our TAKS results are back from the 3rd administration. We had a total of 14 fifth grade students taking the Math TAKS and 6 taking the Reading TAKS. We also had one 3rd grader taking the Reading TAKS. The results are as follows:

3 rd Grade Reading		1 didn't pass
5 th Grade Reading	3 students passed	3 didn't pass
5 th Grade Math	6 students passed	8 didn't pass

As a result, the 3rd grader will be placed in 4th grade per ARD. 6 of the 5th graders will be retained and 2 will be placed in 6th grade; all with accelerated instruction in place.
