Purpose of Agenda Item: Action needed

Administrative Recommendation: Move to approve the proposed Memorandum of Understanding and Agreements with Central Texas College Dual Credit Programs for the term August 1, 2025 to July 31, 2026, as presented.

Background Information: Killeen ISD has an ongoing partnership with Central Texas College to provide dual credit coursework to high school students through Killeen ISD's Early College High School, High School Dual Credit program, High School STEM Academy, and the Culinary Arts Program. This arrangement has been successful in allowing students to take courses that the district cannot currently offer at existing facilities. Students who successfully complete coursework are prepared to enter the workforce or continue their postsecondary education upon graduation. KISD and Central Texas College would like to continue this partnership.

Fiscal Analysis: The funding source for the CTC Dual Credit programming is the Student Support and Academic Enrichment Program (Title IV, Part A Funds), and local district funds. The funding source for the Culinary Arts program is Career and Technical Education funding.

Regulatory Requirement: All courses submitted have been approved by the Texas Education Agency.
