Re: Bid Results for Bus Hoist

The Transportation and Operations Departments are recommending replacing the Bus Hoist in Bay One in the Transportation Garage for safety reasons. The source of funds for this project is the Sinking Fund.

A bid was posted on Buy4Michigan, the Livonia Public Schools web site, and published in the Livonia and Westland Observer newspapers. The bid was formally opened on March 4, 2015. We received two vendor responses for the bus lift system and three vendor responses for the electrical portion of the project. Please see the attached memo from Nick Armelagos, Administrator of Finance, bid recommendation from construction manager George W. Auch and the bid tabulations.

We would like to discuss the bid results for the Bus Hoist at the next Finance meeting on Monday, April 13, 2015.
