

**LIVONIA PUBLIC SCHOOLS  
BOARD OF EDUCATION MEETING  
June 18, 2018**

**ITEM: VII.B.**

**TOPIC:                      Approval to Purchase Generator**

**RECOMMENDATION:**

Move that the Board of Education of the Livonia Public Schools School District approve the purchase of a 100kW diesel generator for the Administration Complex from Cummins Sales and Service, New Hudson, Michigan in the amount of \$34,691.00.

**RATIONALE:**

This additional diesel generator would provide enough backup power during outages to easily power the District's I.T. needs. Additionally, we will continue to use the current 60kW generator to backup other essential items such as lights, electrical outlets, and boilers. The pricing is from the National Joint Powers Alliance Cooperative and will be paid from the District's Sinking Fund.

**BUDGETARY INFORMATION:**

The source of funds for these purchases will be the Sinking Fund.
