

CONSIDERATION OF CHANGING THE DATE OF THE REGULAR MARCH MEETING TO ALLEVIATE CONFLICT WITH SPRING BREAK

Action Item:

The regularly scheduled board meeting in March (the 13th) is during the district's spring break. For convenience, this item has been placed on the agenda to allow for consideration of an "official" change in date related to that particular meeting so that school personnel, board members, and others may have the freedom to make personal/family plans during that time.

Recommendation:

(The March meeting should be changed to either Tuesday, March 6th at 6:00 p.m., or Tuesday March 20th at 6:00 pm, so please check your calendars! It doesn't make much difference to me.)
