Investment Report

August 2025 Regular School Board Meeting

Shannon Baird, Finance Director

FY25 Quarter 4

AMLIP Series I

- Realized \$6,786.88 in revenue during quarter four of FY25.

AMLIP Series II

- Realized \$2.76 in revenue during quarter four of FY25.
- Additionally had an unrealized gain on investment of \$5,513.47 in quarter four of FY25.
- Total value increase of \$5,516.23

Please see attached

FY25 Overview

- Our interest rates are decreasing compared to a year ago. See the AMLIP quarterly newsletter attached for details, investment fund recaps, and a 5-Year Money Market Comparison.
- Our total investment revenue for FY25, \$52,734.82, is way up from previous years.
- Our new(as of FY24 Q4) investments are still out earning our old portfolio, but they will be more volatile and follow market trends. In a bad year we should still be earning more than FY23 and prior.

Yearly interest revenue comparison

	FY2025	FY2024	FY2023	FY2022
Q1	\$15,005.34	\$260.30	\$200.23	\$159.70
Q2	\$13,432.53	\$260.36	\$260.09	\$159.73
Q3	\$11,993.84	\$219.92	\$257.07	\$158.00
Q4	\$12,303.11	\$12,125.64	\$258.69	\$158.91
TOTAL	\$52,734.82	\$12,866.22	\$976.08	\$636.34

Looking Ahead...

We anticipate the district will increase earnings in FY26, even if our rates decline a moderate amount. This is because we will be investing more of our cash on hand. This will require us to move capital in and out of our investments as needed to meet the fluctuating cash activity in our checking account throughout the year.

A Pause in the Fog

By KeyBank Institutional Advisors

The Federal Reserve held its benchmark interest rate steady at 4.25% to 4.50%, extending its pause into a fourth consecutive meeting in 2025. But beneath the surface of the status quo lies a more complicated story – one marked by slower growth, persistent inflation, and a policy path growing harder to read.

Today's updated Summary of Economic Projections ("SEP") still shows two rate cuts penciled in for 2025, maintaining the median outlook from March. But that apparent consistency masks growing internal division. A rising number of Fed participants now foresee fewer or even zero cuts this year. The once-clear road to easing has become a narrowing trail, surrounded by geopolitical uncertainty and stubborn price pressures. Powell's Message: Data Will Decide In his post-meeting press conference, Chair Powell emphasized a familiar refrain: patience, flexibility, and vigilance. He acknowledged the Fed's progress on inflation but stopped well short of declaring victory. "We need greater confidence that inflation is sustainably moving toward 2%," he said, reiterating that policy decisions will remain data dependent, not calendar driven.

When pressed on whether two cuts remain realistic this year, Powell avoided commitment, noting that "the risks are two-sided." He pointed to recent economic crosscurrents: softening consumer spending, improving supply chains, but also tariff-related price pressures and

labor market resilience. The implication was clear: the Fed isn't yet convinced it can cut without consequence.

Slower Growth, Stubborn Inflation

The Fed revised its 2025 GDP growth estimate downward to 1.4%, a notable slowdown from the prior 1.7%. At the same time, core PCE inflation remains above target, projected at 3.0% by year-end. The labor market is expected to soften modestly, with unemployment rising to 4.5%, but remains relatively stable by historical standards.

Taken together, the projections paint a portrait of a slow-moving economy with sticky inflation – a mix that justifies the Fed's reluctance to ease prematurely. It also underscores the challenge of achieving a so-called "soft landing" without leaving policy too tight for too long.

Markets Watch the Dots and the Silence Between Them

While the SEP remains technically unchanged, Powell's caution and the widening range of views within the Committee are resonating with markets. Treasury yields nudged higher on the day, and the futures markets trimmed their odds of a September rate cut. What markets once viewed as a near certainty is now a question of timing, conditionality, and inflation's unpredictable path.

What It Means for Investors

The June announcement reinforces a single theme: the Fed is in no rush to cut, and investors shouldn't rush to reposition.

The "higher-for-longer" stance strengthens. Short-term debt and U.S. Treasury Bills remain attractive for income and flexibility. The yield curve could stay flat or even invert further. Consider barbell strategies that balance short-term liquidity with selective long-term exposure. With a rate relief delayed, valuation pressure persists in the equity market. Growth in stocks may wobble; defensive sectors gain appeal. Stick to quality. Prolonged high rates challenge lower-rated corporate debt, especially near refinancing windows. Cash yields are still compelling. Liquid alternatives and ultra-short duration vehicles can help manage volatility while preserving optionality.

The Fed hasn't ruled out easing, but it's made it clear it will only do so with conviction, not hope. In this environment, discipline, diversification, and patience matter more than ever.

Still Walking Through the Fog

The June decision offers no surprise in substance, but the context around it has shifted. The Fed remains in a holding pattern, but the grip is tighter and the room to maneuver narrower. With inflation not yet yielding and growth decelerating, the Fed's margin for error has grown thin.

The pause continues. But so does the fog.

BUDGET

After months of anticipation, we are confident that we now have a finalized budget. Federal funding was released this summer, and the legislature convened in Juneau in early August to override the Governor's line-item veto of the BSA (Base Student Allocation) increase associated with House Bill 57. While these funds provide some relief, we will still be operating at a deficit this school year and anticipate the need to make operational reductions beginning in FY27.

STAFFING:

Certified Positions Vacant: Preschool Teacher, Reading Interventionist

Classified Positions Vacant: Special Education Paraprofessionals (4), Part-Time Custodian

We are working with the Alaska Education Retention and Recruitment Center (AERRC) to bring special education teacher Sharon Balcos from the Philippines. An anticipated arrival date has not yet been determined.

Administration has also reached out to retired teachers to serve in long-term substitute roles to help fill gaps while we continue to work toward permanent placements.

CLSD GRANT:

The district has been awarded the Comprehensive Literacy Statewide Development (CLSD) grant. This five-year grant provides \$350,000 annually to support data-driven literacy instruction and professional development for children from birth through 12th grade.

Lee Ann Jenkins has transitioned into the role of District Literacy Coach and will serve as the grant coordinator.]

EARLY EDUCATION PROGRAM (EEP) APPLICATION

The district submitted its EEP application to the State of Alaska on May 14. The state indicated districts would be notified by September 1 regarding acceptance; as of this report, we have not yet received notification from Alaska DEED.

CAPITAL IMPROVEMENT PROJECTS:

1. **PHS Safety and Security Upgrade** – The high school office remodel is nearly complete. Final touches are underway, and staff will return the week of August 18, 2025.
2. **PHS/MMS Roof Replacement** – Favorable weather has allowed significant progress. The front side of the building will be completed before the first day of school, with the back side to be finished in the fall.
3. **Code and Condition Survey** – LCG conducted a multi-day site visit earlier this summer and is finalizing the report. One significant concern is the lack of proper ventilation and drainage beneath the elementary school building. Once finalized, the report will be included in the board packet.
4. **Door Replacement Safety and Security Project** – Due to increased costs, the scope of work is being revised. Priority will be given to key exterior doors for electronic swipe access, rather than replacing all exterior and interior doors.
5. **Six-Year CIP List** – Included in this board packet. We anticipate the FY27 list will incorporate items identified in the Code and Condition Survey.

AUDITS

The State of Alaska Department of Education and Early Development will audit multiple areas of school operations this year, including:

- Fiscal
- Special Education
- Facilities
- National School Lunch Program

Principal's School Board Report
Mitkof Middle School/Petersburg High School
8/14/2025

- Amplify MS mathematics materials have arrived. Savvas HS Math materials have arrived.
- We will be starting a curriculum committee for Social Studies this year.
- I have met our new teachers and we are getting them settled into their classrooms.
- We have unified the assembly schedules to avoid coverage problems when the MS or HS has an assembly and the other does not. The shared teacher situation makes these coverage anomalies difficult to handle so we will be scheduling assemblies on the same days to avoid this situation.
- The deadline senior work for commencement inclusion has been included in the handbook this year as we want to establish this completion criteria.
- The office is looking forward to moving back into the offices. We will have a limited presence in the MS office in the mornings next year.
- We have revised the handbooks. A substantial changes page is included in this report.
- The school staff for the 2025-26 school year is shaping up nicely. I believe in my people to do an excellent job in the coming year and am honored to work with them.

Projected Student Counts: MMS = ?

PHS = ?

(I believe we will be larger than expected in both schools.)

ATTENDANCE

ABSENCES REPORTING

Students who are absent 20+ consecutive school days will be unenrolled from classes and will need to seek comparative coursework through an accredited Homeschool program. This may include options available in Petersburg High School independent study programs.

ELECTRONICS--PERSONAL (Cell Phones, Airpods, Headphones, Ear Buds, Smart Watches, etc.)

Students may not use personal laptops, ebooks, pads or any mobile device that sends or receives a signal without prior approval from the technology director and administration.

Student cell phone and other personal device use is not a right. The following points outline the policy and enforcement.

1. Cell phones are **NOT** to be on the student's person during school. This means cell phones **MUST** be in the cell phone classroom hotel, not in a pocket, in hand, or out in the classroom.
2. Cell phones and other devices **MUST** be placed in the cell hotel of the first period class or the office cell phone hotel if the student does not have a first period. Students may retrieve these during lunch if they are going off campus. They **MUST** do this immediately following the bell release for lunch.
3. Upon return from lunch, students who retrieved their devices **MUST** place them in the cell hotel in the class that follows lunch. They may retrieve them at the end of the school day. They **MUST** do this immediately following the bell release from the last class.

4. Cell phone notifications/ringers are to be silenced.
5. At no time may students create a hot spot or tether devices; the school network must be used at all times in accordance with the Children's Internet Protection Act.
6. Students **MUST** surrender personal electronic devices, including cell phones, to a PSD staff member when requested as they are a disruption to the learning environment.
7. The return of personal devices **WILL REQUIRE A PARENT** to pick up the device at the school office. This policy includes the use of personal electronic devices of any kind.
8. Exceptions to the head phone usage will only be made for medical necessities and **MUST** be documented with the office and special education department.
9. Any devices that takes pictures **SHALL** not be used in sensitive areas such as locker rooms, bathrooms, etc. Additionally, photographing or capturing videos of other students and/or staff without their prior approval is prohibited and may earn disciplinary actions.

It is highly recommended that students do not bring cell phones or other electronic devices to school. The school will not be liable for lost or damaged devices.

LATE/MISSING WORK

Timely completion and submission of school work are essential components of the educational process and help to prepare students for future academic and professional success. This policy applies uniformly to all students and classes.

Assignment Deadlines: Each teacher will establish specific deadlines for assignments. This will be stated when the assignment is given.

Late Submissions: Assignments submitted after the established deadline will be considered late/missing.

Gradebook Entry: A grade of "zero" (0) will be entered into the PowerSchool gradebook for all late/missing work. This reflects the student's current grade without the late/missing work.

Late Work Penalties: Assignments submitted up to 5 school days late will receive a maximum of 80% of the total possible points. Assignments submitted between 6 and 20 school days late will receive a maximum of 50% of the possible points. Assignments submitted more than 20 school days late will not receive credit.

Gradebook Indicators: Late or missing work will be clearly flagged in the PowerSchool gradebook to inform students and parents.

Academic Quarter Deadline: The end of the academic quarter is a hard deadline for all quarter work unless an appeal has been granted for extenuating circumstances by administration as outlined below.

Appeals Process: Exceptions for unusual circumstances must be appealed to the administration in writing by the student and/or teacher. A decision on the appeal will be provided by administration to the teacher and student within one calendar week of the appeal submission. During the appeal process no additional penalties will be applied to the work.

SENIOR WORK COMPLETION DEADLINE

Graduating seniors/students for the class of 2026 must complete and submit all course work to fulfill graduation requirements by May 27th, 2026 by 4:00 PM. This allows teachers to complete grading and for all aspects of graduation ceremonies to be finalized.

CLUB ACTIVITIES/ATHLETICS @ PETERSBURG SCHOOL DISTRICT

When considering the sponsorship or addition of a new activity and/or athletics program, the district will review multiple factors, in no specific order, including:

- Compliance with Title IX and Office of Civil Rights regulations
- Liability and safety considerations
- Alignment with the rules and regulations of PSD, Region 5 of ASAA, and ASAA
- Appropriateness for the intended student group
- Demonstrated need and student interest in the activity
- Availability of adequate supervision
- Availability of adequate facilities
- Long-term sustainability
- Availability of transportation
- Funding for both transportation and facilities

Historically, the Petersburg School District (PSD) has required new activities to operate as a club team representing the district for a minimum of five (5) to nine (9) years before possibly becoming a funded activity through the district. In some cases, clubs have operated for up to ten (10) years with no district funding before adoption.

Regardless of funding or adoption status, any team seeking recognition as a PSD club team must agree to the following:

- Abide by all Petersburg School District policies and procedures regarding extracurricular activities.
- Abide by the constitution, bylaws, policies, and procedures of Region 5 of the Alaska School Activities Association (ASAA).
- Abide by the constitution, bylaws, policies, and procedures of the Alaska School Activities Association (ASAA).
- Abide by all applicable National Federation of High Schools (NFHS) rules and regulations.
- Follow any additional policies or procedures deemed necessary to represent the Petersburg School District and Petersburg High School.

Additional Information

Club teams are not insured by the Petersburg School District. Coaches are considered volunteers, serve without pay, and must comply with all policies, procedures, constitutions, and bylaws of:

- Petersburg School District (PSD)
- Petersburg High School (PHS)
- Region 5 of the Alaska School Activities Association (ASAA)
- Alaska School Activities Association (ASAA)
- National Federation of High School Sports (NFHS)

- Supplemental insurance information will be made available to participants and their families through a private insurance carrier that is no cost to the district.

- Any activity or athletic group seeking recognition as a club team must meet with the Activities & Athletics Director, Principal, and Superintendent before a final decision regarding representation and/or approval.
- There is no guarantee that a group or team will receive district funding, even after fulfilling the period outlined in this document.

Other Notable Items: ASAA's new Policy (May 2025)

1. Must have 6 or more schools that are currently competing in the sport/activity within the Region.
2. At least 8 schools must sign an emerging status application and commit to continuing their program in an emerging status.
3. Gain approval from the Board of Directors to be deemed emerging.
4. Remain in emerging status for a minimum of 2 years and a maximum of 5 years.
5. Must reach 12 teams of registered and fully participating teams for two years before becoming eligible for approval as a fully sanctioned interscholastic.
6. If it does not reach 12 teams in 5 years, it is sent back to the Board for review to either provide additional time or remove it from Emerging Status.

 - **David Hoover-** I was born and raised in Rialto, California (Southern California). I joined the U.S. Coast Guard on February 14, 2000 and after boot camp I was stationed in Sitka, Alaska. I have sailed all around the world, including to the North Pole, through the Panama Canal three times and circumnavigated the globe on the Coast Guard's largest icebreaker in 2023. After multiple tours in Alaska, Washington, Oregon and California I recently retired after 25 years of service as a Senior Chief Culinary Specialist. I have been married to my wife Anna (who is from Petersburg) for 24 years, I have two adult children Christopher and Jacob and a two year old chocolate lab named Charlie with another red lab (Ruby) on the way. I love to cook all types of food but I especially like to grill and make barbecue.
 - **Ronald Dela Cruz-** I am from a small town of Salinas Ca. aka the "Salad Bowl". Agriculture and produce was my backyard. My Mom was my biggest influence and inspiration for cooking. My first job and cooking job was in a pizza hut when I was a sophomore in high school. It wasn't until much later in life that I decided to cook in restaurants, it was 2011 when I took it on as a career path. My favorite meal, Really Good sushi is up there on the list and my mom's chicken adobo. If there is Tiramisu on the menu I am ordering it! Fun fact author John Steinbeck is from my hometown.
 - **Amie Grimm-** I am a proud Coast Guard wife and my husband recently took command of the USCGC Pike. We have two kids, Sam who will be going into 6th grade and Ben who will be entering 5th grade. I love to do

cross stitch, forage wild berries and mushrooms. I volunteer at every place we've ever lived, doing everything from meals on wheels and staffing the homeless shelter to summer lunch programs. My favorite meal is venison crostini with a parmesan cream sauce or coffee rubbed goose breast nachos! My husband is a mean wild game cook! My favorite dessert is creme brulee. We are an incredibly active outdoor family and love to spend time exploring any chance we get with our dog, Aquinnah. A fun fact about me is that my husband and I got married in Italy! We also have been trying to get stationed back in Alaska since we left in 2020 so to say we are excited to make Petersburg our home is an understatement! I am so looking forward to joining your team!

Petersburg School District Technology Department

Board Report – August 15, 2025

- **Special thanks to Jakyle Williams and Nolan Lutomski for their outstanding summer work. Their efforts made it possible to prepare all district technology for the new year.**
-

Technology Infrastructure & Devices

All K–12 student devices have been cleaned, updated, and inspected over the summer in preparation for fall deployment.

iOS devices were successfully migrated from our previous mobile device management (MDM) platform to the same system used for macOS. This unified platform allows us to manage updates, enforce security settings, and streamline support across devices.

Finance and accounting systems were upgraded from Windows to macOS, enhancing security and enabling these devices to be managed through our MDM for consistent patching and permission control.

Smartboard Upgrades

Our classroom smartboards have undergone a modular upgrade, allowing them to operate independently of a teacher's MacBook.

Teachers and students can now connect and present more efficiently, reducing downtime and preserving instructional minutes.

This upgrade also extends the lifespan of our smartboards and maximizes the district's investment in classroom technology.

Chromebooks

Chromebooks purchased in 2020 are approaching the end of their lifecycle and will not be reissued for home use this school year.

Students in grades 6–8 will continue to have access to devices during the school day. Families who need a device for home use are encouraged to contact the school administration to explore available options. Backpacks will be provided for middle school students upon request to support safe transport when needed.

Students in grades 9–12 will continue to be supported with take-home devices as part of the ongoing 1:1 program.

Secondary Office Remodel

The Technology Department has supported the secondary office remodel by updating phone and data ports, as well as installing camera drops for future expansion.

Digital Safety Event

On **September 17–18**, Petersburg School District will host nationally recognized digital health and safety expert **Katie Greer** for a two-day, community-wide event focused on proactive digital citizenship education. Katie will deliver developmentally tailored presentations to students in grades 2–12 during the school day, addressing topics such as online privacy, cyberbullying, social media use, screen time balance, and healthy digital relationships.

An evening presentation for parents and caregivers will provide practical guidance on emerging tech trends, social media safety, family device rules, and how to foster meaningful conversations around digital life at home.

This event is made possible thanks to the generous planning and financial support of **the Petersburg Police Department, Partners in Education, Wave, PIA, and Petersburg Medical Center (PMC)**.

Communication Tools

We are preparing to launch the Rooms communication platform districtwide.

Staff will receive training during in-service week, followed by a community-facing PR campaign to promote use and support family engagement.

Professional Development & Staff Training

A “Technology Boot Camp” for new certified staff is scheduled for Monday, August 18. Dustin Crump and I will co-facilitate this training.

Throughout In-Service Week, the Technology Department will provide hands-on support to help teachers set up their classrooms, devices, and essential instructional tools.

Cybersecurity

As part of our ongoing participation in the 2022 State and Local Cybersecurity Grant Program, PSD has enrolled in two federal services provided by the Department of Homeland Security’s Cybersecurity and Infrastructure Security Agency (CISA):

- **Vulnerability Scanning (VS):**

Continuously scans and evaluates internet-accessible devices for risks. Weekly reports and urgent alerts help us take immediate action on any detected vulnerabilities.

- **Web Application Scanning (WAS):**

Evaluates public-facing web applications for security flaws. Monthly and on-demand reports help ensure the security of our online systems.

In addition:

The district is transitioning from KnowBe4 to **Hook Security** for staff cybersecurity awareness training.

Hook Security will deliver monthly phishing simulations and brief, engaging training modules to help build skills in reporting, recognizing, and avoiding cyber threats. (Staff will be trained on how to report these simulations, as well as on other emerging cyber threats.)

1	C	<p>Petersburg High School/Middle School Entry and Security Renovation</p> <p>This project renovates approximately 2,400 square feet of the front office and administrative area at Petersburg High School/Middle School. The renovation is driven by the need to enhance entry security and provide ADA-compliant accessibility for students, staff, and visitors. The work includes site preparation, slab infill, and minor demolition activities, including removal of walls, flooring, ceiling grid, and selected mechanical and electrical components. Interior improvements include new framing, doors, windows, casework, and partitions. The mechanical scope includes plumbing fixture upgrades, HVAC diffusers, hydronic heating elements, and a range hood system. Electrical work includes updated lighting, power distribution, fire alarm modifications, telecom/data cabling, and integration of DDC controls. The project concludes with new flooring, ceiling finishes, and complete interior painting.</p>	X	\$1,700,000
2	C	<p>Petersburg Gym Sewer Line Repair</p> <p>The project generally consisted of the removal and replacement of a failed sewer line located beneath the indoor concrete slab floor. The scope extended into adjoining rooms containing plumbing fixtures, where work was performed as necessary to complete the system replacement. Approximately 200 linear feet of sanitary sewer piping was removed and replaced with new piping meeting current code requirements.</p> <p>During the course of construction, care was taken to preserve existing wall and ceiling finishes. All disturbed finishes were restored to match original conditions to the greatest extent feasible. However, all floor finishes in affected areas required full replacement due to the extent of slab penetration and removal. Temporary protection and dust control measures were implemented throughout the work to minimize disruption to surrounding spaces.</p>	X	\$501,316

		installation of card readers, electrified door strikes, request-to-exit devices, lockdown alarms, and intercom system upgrades. The main entry will be reconfigured with improved sightlines and protective barriers. Interior classroom doors and key student spaces will be upgraded for ADA accessibility, and all systems will be unified through centralized access management software.		
4	C	Petersburg Aquatic Center Sewer Line Repair This project addresses sanitary sewer failures at the Petersburg Aquatic Center, primarily affecting the family, women's, and men's locker rooms. Due to differential settlement beneath the slab, multiple pipe separations and blockages have occurred, causing sewage backups and foul odors. The work includes replacement of failed horizontal waste lines and reconnection of detached floor drains. Two repair approaches have been developed: tunneling beneath the slab to access and replace piping while minimizing facility disruption, or slab removal and interior demolition to access damaged systems from above. Repairs will restore drainage function and prevent future failures.	X	\$1,213,760

The main switchboard and branch panels in the 1951 and 1985 additions would have their feeder circuit breakers tested/replaced and feeder terminations re-torqued. OUR MISSION:

***Petersburg Schools will advocate for continuous growth,
promote a healthy environment, and provide diverse educational opportunities
where all students achieve.***

A message from the principal...

Welcome to Stedman Elementary School! We are off to the start of another new year and are so glad your children will be with us.

By reading this handbook, you are already showing a vested interest in your child's education. Parents are an integral part of the process for students to become lifelong learners. Research shows that a supportive home environment leads to successful student learning. Please start the year off by joining us in:

- Partners in Education (PIE) Meetings (pg)
- Nightly reading routines
- Checking your child's backpack & planner daily
- Encourage positive habits for routines
- Volunteering in our Stedman community (pg)

This handbook outlines guidelines that are meant to clearly outline our routines, procedures, and expectations, which will foster our children's learning to the fullest. Items in this handbook are subject to change and at times there may be missing pieces. If you find something missing please feel free to email, write a note, or stop by the office.

I believe our mission statement paints a clear picture of who we are as educators and what we want our students to accomplish here at Stedman. When we are all dedicated to continuous growth and provide an environment that is healthy and diverse, there are no limits to what can be achieved.

I really look forward to seeing each of you personally in the coming weeks and then getting to work side-by-side with you through the coming years as we help our students and Stedman community grow. You are always welcome to visit us. Remember that communication is the key to success in everything we do.

ADMISSIONS:

Kindergarten students must be five years of age by September 1. There is a registration period for kindergarten students every spring. Families are welcome to come in and register before school officially begins in the fall. Further information about the registration process may be obtained by calling the elementary school office between August 18th, 2025 and June 12th, 2026. Hours of operation are 8:00-4:00, Monday - Friday.

To be eligible for the first grade, a student must be six years of age by September 1.

New students who are entering our school for the first time need to be enrolled by their parents or guardians, who will sign a confidential record release form and other specific permission forms (i.e. field trips, etc.). A copy of the student's BIRTH CERTIFICATE and IMMUNIZATION RECORDS will be needed as certain immunizations are required by Alaska State Law before a student may attend school. Parents are encouraged to enroll their children in school as soon as they arrive in Petersburg. Please call the school office if you have any questions.

ATTENDANCE AND ABSENCE REPORTING PROCEDURES:

Regular and consistent attendance is necessary for a student's success in school. Makeup work does not replace all of the instruction and classroom activities that are essential to keeping up with the rest of the class.

1) The bell rings at 8:00 a.m. and students may enter the building at this time.

- School officially begins at 8:00 a.m. We ask that students arrive no sooner than 7:50.
- Please make every effort to have your children here by 8:00 am. When your child is tardy, they miss the most important part of the day and feel anxious or awkward coming in late and not knowing what to do because instructions have already been given. If your child will be tardy and needs a school lunch, let us know so s/he can be included in our lunch count.

Tardies and absences affect a child socially and academically. Other children notice that a child is not present to rely on as a friend and a collaborator on group projects. If a student's tardiness or attendance

becomes disruptive to their education, a meeting will be scheduled with parents to make a plan so that attendance will not continue to negatively impact the child's education.

2) All absences are documented daily by staff and verified by the parent through a phone call or note. If we have not been notified by the time attendance is recorded in the office (9:00 am), we will call to verify the absence. This procedure ensures student safety and is a requirement of the Alaska Statute 14.30.010. (Compulsory Attendance Statute) . You are welcome to use our online [Student Absence Form](#) rather than calling in.

3) Our calendar has built-in leave time, if families decide to take leave outside this allotted time we will not provide missing work. Please use our [Stedman Trip Slip](#) 3 days prior to leaving for communication purposes. The link can be found here: <https://www.pcsd.us/page/stedman-elementary-school>

In accordance with the Every Student Succeeds Act (ESSA), the state of Alaska holds schools responsible for Chronic absences as a measurement of school quality and student success. Chronic absence, defined as missing 10 percent of school days within one academic year (17.2) for any reason, is a powerful early warning predictor of student performance. Attendance is marked by full or half days.

For more information regarding the Alaska State Compulsory Attendance Law (**Alaska Statute 14.30.010**) you may visit the Alaska Legal Resource Center online or contact the school for a copy of the statute.

BUS TRANSPORTATION/RULES:

The bus drivers have the responsibility for the safety and conduct of all students riding the bus to and from school. Students are expected to obey the driver at ALL times. If students do not heed warnings from the bus driver, they may receive a bus misconduct citation.

First Citation:

- Conference with student and driver.
- Parents contacted.

Second Citation:

- Conference with student and driver.
- Parents contacted.
- Student may be denied bus privileges for 2-5 days.

Third Citation:

- Conference with student, driver, and parents.
- Student may be denied bus privileges for the remainder of the school year.

CELL PHONE USE:

Cell phones need to stay at home. Cell phones are not to be used for any reason throughout the school day. They can be turned on and used once students leave the building at the end of the school day. We ask that all parents and visitors observe the same standard in order to minimize disruptions in the hallway and in classrooms. Cell phones will be taken from students and held in the office for parent pick-up if this standard is not followed. Staff cell phone use is to be restricted for school use only, such as group communication texts, school email, and apps that require cell phone technology.

CHANGE OF ADDRESS OR PHONE:

In order to maintain accurate records, it is important to inform the school of any changes in telephone or post office box numbers. In case of an emergency, the school needs current phone numbers where family members can be reached during school hours.

COMMUNICATION:

Family members play a major role in helping us efficiently manage the day to day activities at school. We want our school to be a safe and productive environment for learning. We ask that parents and/or guardians observe the following considerations:

- Rooms by Apptegy is a secure messaging tool that lets families and school staff communicate directly, share updates, and ask questions in real time. It helps everyone stay informed and connected. Be ready to install this app and communicate with us!
- Safety issues require that all visitors must check into the school office before going to their child's classroom.
- Please call ahead to make an appointment with your child's teacher. Each teacher has a daily plan of instruction and activities. Unexpected visitors require the teacher to shift attention from the students, instructional time is lost, and the children become distracted. It would be much appreciated if you could call ahead to arrange a time to visit with your child's teacher.
- Please call ahead to make an appointment to talk with the principal. She may be away from the office attending meetings, greeting children in the hallway as they arrive or leave the school, or meeting with individual students. She may be elsewhere in the building working with the staff or observing in one of the classrooms. If you call ahead, she will be more than happy to schedule a time to meet with you.
- It is our goal to minimize disruption to the school and classroom routine as little as possible while maintaining the flow of communication between home and school.
- We appreciate it when you send absence notes, permission slips, and lunch money to school when it is due.

Our students show “Eagle Pride” when they are **Respectful, Responsible, and Safe.**

At Stedman, learning dispositions are a core part of who we are. Our staff, students, and community work together to uphold a shared vision of what it means to be a learner. Our motto, **ROCC**, stands for **Resilient, Open-Minded, Confident, and Connected**. When learners embody all four qualities, they find balance, both in life and in learning. *Please see the attached matrix in Appendix A of the student handbook.*

Throughout the year, students are taught specific expectations from a school-wide matrix based on these three behaviors. Staff members model and role-play in order to teach and reinforce expected behaviors. *Please see the attached matrix in Appendix B of the student handbook.* Students are called out for making respectful, responsible, and safe choices.

There are also times when students make poor choices and may face disciplinary consequences. The main goal of any disciplinary action is to help the student learn from their mistake and make better choices in the future. If students choose to continue to be disrespectful, irresponsible, and unsafe their loss of privileges will be seen in extended learning opportunities as well as in alternative choices for lunch, recess, music, library, and physical education times. Consequences may include:

DISMISSAL:

K-5 students will be dismissed at 3:00 pm Monday - Thursday and 1:30 pm on Fridays.

****Students should not arrive at school before 7:50 am unless they go directly to the cafeteria for breakfast. Students are not to remain at school after 3:00pm, unless in an after school club, as there is no supervision available****

DRESS AND GROOMING:

The dress code for all students shall meet school board requirements. The dress and grooming of students shall contribute to the health and safety of the individual, promote a positive educational environment and good school spirit, and is non-disruptive of the educational activities and processes of the school.

- Shoes or boots shall be worn. Heely wheel shoes are not allowed in the building or outside at our recess and clubs for safety reasons.
- Inside shoes must be worn while inside the school. This helps protect our carpets.
- Clothing that exposes the entire shoulder, strapless tops, spaghetti straps, or similar type clothing, may be worn only with a blouse or shirt. We have the two to three finger rule for tank tops, we don't want to see undergarments. All genders need to be treated equally.
- Clothing exposing the torso or the midriff, either front, back, or sides, shall not be worn. Underwear shall not be visible.
- Headwear can be worn in the main areas of the building. Each teacher has discretion in their classrooms. Sweatshirt hoods are to be removed at all times in the building.
- Mini skirts, mini dresses, and short shorts are to be worn only with leggings or tights.
- Garments and/or jewelry which display or suggest sexual, vulgar, drug, gang, or alcohol-related wording or graphics, or which provoke or may tend to provoke violence or disruption in the school, shall not be worn.
- We ask that students dress for being out in the rain, snow, or sun.

Educator Qualification:

In compliance with federal requirements, parents may request information on the professional qualifications of their child's teachers to include whether the teacher

- has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived: and
- is teaching in the field of discipline of the certification of the teachers.

All of our current teachers meet these requirements. Additionally, any paraprofessional serving as a reading instructor has passed the State paraprofessional qualifying exam and is trained in all our reading programs.

EMERGENCY DRILLS:

Periodic emergency drills are required by law and are an important safety precaution. We practice these drills and take the possibility of a fire, need for evacuation, or need for lock-down or lock-out at school very seriously. Students are taught the run, hide, or fight concepts for safety. The children quickly learn that everyone must look to the trusted adult in the room for instructions during emergency situations.

EMERGENCY PROCEDURES and Emergency Commands:

A.L.I.C.E. is a school safety program created in the year 2000 to offer additional options to students and staff in dealing with an armed intruder situation.

A.L.I.C.E. is an acronym that stands for:

ALERT: Get the word out that a threat exists.

LOCKDOWN: Secure a place to stay as much as possible as a starting point to buy time.

INFORM: Give constant, real-time information throughout the building using all available technology.

COUNTER: This is a last resort. Individuals are unable to escape. Countering may be as simple as creating a distraction to allow opportunities to escape.

EVACUATE: The goal is to move students out of the danger zone. It's important to be prepared to escape.

Traditionally, schools have used a procedure known as "lockdown" which essentially means locking the school building and classrooms and having students and teachers take shelter in their classroom. We believe that offering additional age-appropriate options will allow our students and teachers to be better prepared if a crisis situation occurs. Providing a constant flow of information to everyone in the building can allow opportunities to safely evacuate the building. An important goal of the A.L.I.C.E. program is to evacuate as many people as possible to a safe place.

FERPA NOTIFICATION FOR ELEMENTARY AND SECONDARY INSTITUTIONS (60 Fed. Reg. 59291, 59297)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the Petersburg City School District to amend the record that they believe is inaccurate or misleading. They should write to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the students education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company in whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605**

HEALTH SERVICES

1) ILLNESS

If students become ill during the school day, they will be sent to the office for the nurse or secretary to determine what action should be taken. If necessary, the parent or guardian will be contacted for advice or information or to take the child home. At this time Stedman would like to continue to be a symptom free school. Students with fevers, diarrhea, and vomiting will be asked to stay home for 24 hours after the last incident. Other symptoms not welcomed at Stedman include extreme coughing or extreme runny nose.

Please keep your children home if they have a temperature of 100.4 or higher, cough, sore throat, shortness of breath, chills, muscle pain, run or stuffy nose, headache, vomiting, diarrhea, loss of taste or smell, undiagnosed rash or skin condition, or taking antibiotics for the first 24 hours.

2) FIRST AID AND EMERGENCY CARE

A) A nurse will be on site **Monday & Wednesday 10:00-3:00, Tuesday & Thursday 11:00-3:00, and Friday 9:30-1:30**

B) The secretary and other staff may have First Aid and CPR training, but they are not nurses.

C) In case of a serious accident or injury, appropriate first aid and emergency care will be provided by the most accessible and qualified first aid care giver. Parents or guardians will be contacted as soon as possible. If deemed necessary, the Emergency Medical System (911) will be activated to provide additional assistance. (Please be sure that all emergency information on your child's school records is current and complete.)

3) MEDICATION

A) If it is necessary for your child to take any **prescription or over-the-counter** medication during the school day, you (**and your doctor for prescription medication**) must complete a **medication form** indicating what is to be administered to your child, when, why, the dosage and the duration. Medication is to be sent to the school in the original bottle or packaging.

B) All medication must be stored in the office. Please deliver the medication directly to the office and do not send it to school in your child's backpack.

C) It would be best to ask your doctor for dosages that do not require taking medicine during school hours. Most children's prescriptions can be given at home outside of school hours.

D) You can contact the school for a medication form.

4) COMMUNICABLE DISEASES

A) Examples: strep throat, chicken pox, lice, pink eye, scabies, ringworm, impetigo, covid, etc.

B) Students will be sent home if suspected of having a communicable disease and will be advised to remain out of school until a doctor's note is provided with a return date.

C) Please notify the school any time your child is kept home for suspected contagious conditions. This will help us observe other staff and students for signs and symptoms.

5) FEVER or DIARRHEA

If a child has a fever or diarrhea they need to stay home. If a child develops a fever or diarrhea while at school we will call his/her parent or guardian. Students must be fever and diarrhea free for 24 hours before returning to school.

6) VOMITING (due to illness):

Children may return to school 24 hours after the last vomiting incident.

7) LICE: **UPDATED based on 2020 Research from National Association of School Nurses**

A) Head lice infestation is a common concern worldwide, with both social and medical implications. In the United States it is estimated that 6-12 million head lice infestations occur in children 3-11 years of age each year. The infestations are most likely to occur in preschool and elementary age students and their household members, regardless of socioeconomic status or geographic region (Centers for Disease Control and Prevention [CDC], 2019, Who Is at Risk section, para. 1).

The cost of treatment in the United States has been estimated to be \$500 million dollars per year (Cummings et al., 2018). A head lice infestation is not a communicable disease and no health risks have been associated with head lice (Pontius, 2014; CDC, 2015, para. 2; CDC, 2019, Do Head Lice Spread Disease section). Current research indicates that families are over- or incorrectly treating pediculosis, which may be a contributing factor in lice resistance (Cummings et al., 2018; Koch et al., 2016). Head lice infestation, including “no live lice” and “no nit” policies, causes unnecessary school absences for students and loss of parent workdays and family wages. Exclusion from school can adversely affect students emotionally, socially and academically (Devore et al., 2015; Pontius, 2014).

For more information please visit:

<https://www.nasn.org/nasn-resources/professional-practice-documents/position-statements/ps-head-lice>

B) Both the American Academy of Pediatrics (AAP) and the CDC advocate for the following practices to be **discontinued**:

- whole classroom screening
- exclusion for nits or live lice
- notification to others except for parents/guardians of students with head lice infestations (Devore et al., 2015; CDC, 2015b, para. 3)

C) To prevent the spread of lice, we take many precautions at school. The students are taught about lice and not to share combs, brushes, hats, clothing, etc. We take special precautions with coats, earphones, carpeting, stuffed animals and anything that may contribute to the spreading of the lice.

D) YOU CAN HELP!

- Inspect your child's head on a regular basis looking for lice or nits. Checking after each bath/shower is the best way to remember – establish it as a routine. Make sure you check the first week of school so we don't start off the year spreading them.
- Notify any groups, neighbors, friends or playmates or anyone who has been in close contact with members of your family who have head lice. This could prevent the re-infestation in your own family and the other families.
- If you ever have questions, or would like assistance, please call the school and we would be happy to help in any way we can.

HOMEWORK POLICY:

The Stedman staff believes that the practicing of skills is an important part of the educational process. Therefore, skill practice will be assigned during the school year inside the school day. If families would like to establish a routine at home for nightly reading or math here is our recommendation:

Grades K-3: Recommended 20 minutes of reading a night

Grades 4-5: Recommended 30 minutes of reading a night with 20 minutes of math practice

NOTE: Here is a great article on homework to consider as a parent:

<https://www.edutopia.org/article/whats-right-amount-homework/>

The purpose of school work at this age is to cement new skills. The purpose of homework at this age is to practice skills already mastered and practice bringing things back and forth between home and school. If your child is routinely spending more than the recommended time a night on homework (including reading) please let your teacher know!!

LABELS AND LOCKS:

It is not unusual for elementary students to have problems managing their personal belongings. To avoid lost lunch bags, swimsuits, hats, boots, coats, etc., we suggest labeling. If parents/guardians put the child's name and phone number on all items that could be misplaced at school they can be easily identified and returned to the owner.

There is a bike rack for students who ride their bikes to school. To be sure that the bike is safe, parents/guardians are encouraged to invest in a good lock that is large enough to lock the bike to the rack. It is also recommended that students wear bike helmets.

LIBRARY:

The Rae C. Stedman library provides an ever-expanding resource center containing a healthy collection of books and other media tools, which support the curriculum (i.e. computers with internet access, video tapes, books on tape). There are also a variety of fiction and non-fiction books designed to meet the needs of emerging and developing readers.

During library time, students in kindergarten, 1st, and 2nd grade will be able to check in and out books. Students in 3rd, 4th, and 5th grade will be learning research skills, online catalog, locating books using the Dewey Decimal system, internet navigation skills and safety, and book care. They also learn a variety of information literacy skills. The librarian and teachers coordinate as much as possible to link library lessons in grades 3-5 with grade level curriculum.

Book Checkout looks like:

All grade levels will start with one book for checkout.

They may increase as individual students settle into the routine of returning books

Kindergarten: 3 books (Starts with 1 and increases when they get the idea of returning.)

1st: 3 books (Starts with 1 and increases when they get the idea of returning.)

2nd: 3 books (Starts with 2 and increases when they get the idea of returning.)

3rd: 4 books (Starts with 3 and increases when they get the idea of returning.)

4th: 4 books

5th: 5 books

LUNCH/BREAKFAST PROGRAM:

Our award-winning hot lunch and breakfast program is served on full school days and early release days. Students bringing cold lunch will also eat in the lunchroom. BREAKFAST & LUNCH prices are FREE for ALL students. Menus are published in the weekly newsletter, in the newspaper and on the app, and all menus *exceed* state and federal nutritional guidelines.

The school district offers reduced lunch/breakfast prices based on family size and income. Free and reduced meal forms are available at the school office and on the school district website. Please keep filling them out, so we can continue to get FREE Breakfast and Lunch.

Students may leave the school during their scheduled lunchtime, but MUST have a written note from a parent. We encourage families to prepay meals.

We appreciate the support you give whether it is in the classroom during the regular school day, after school hours, or helping with special projects on the weekends. We do have an active parent/teacher organization called "Partners in Education" (PIE) if you are interested in joining. We welcome your support and involvement! We also recognize that you make valuable contributions to your child's success at school every day when you see that your child completes his or her homework, gets plenty of rest, and eats nutritious meals.

PETERSBURG SCHOOL DISTRICT MAP

REPORT CARDS, PARENT CONFERENCES, and POWERSCHOOL:

Report cards are given to families at the end of each trimester. Scheduled conferences are held at the end of September, then the end of the first and second trimesters. If needed, conferences can be arranged at other times during the year. Call your child's teacher to set up an additional conference or to request a progress report. "Introduction to My Child" conferences take place at the beginning of the school year in September. This is an opportunity for parents to exchange information about their child with the classroom teacher and for classroom teachers to share the 1st set of testing results with families.

Parents and students can also access current grades and attendance through the internet. The following PowerSchool website will allow you access to your information: **pcsd.powerschool.com/public**. For security purposes, parents are assigned unique usernames and passwords for each individual student at Rae C. Stedman Elementary. To receive your ID and password, please contact the elementary office.

SOCIAL MEDIA Opt-Out Policy:

Rae C Stedman Elementary School follows an opt-out policy. Student work, photographs, video images, and/or recorded statements may be posted on District websites, social media pages, and other electronic media to highlight student achievements or showcase educational experiences.

Please complete the online opt-out form if you prefer to opt your student out. This will exclude your child and their work from being posted on the District's website (PCSD.US), Facebook, Instagram, and Twitter. Please note that only first names will be used in posts.

The opt-out form is available at the website address- <https://www.pcsd.us/page/optout> or scan the following QR Code with your phone-

SNACK/CELEBRATION GUIDELINES and Gifts:

The FFVP program will be served around 10:00 am Monday through Thursday. This will NOT fill up your child, as the purpose of this program is to introduce students to fresh fruit and vegetables. If your child needs more of a snack please have students bring in their own. Parents are asked not to bring in birthday treats on individual student birthdays, as there will be a monthly celebration in each classroom (focusing on healthy food choices and activities, in accordance with district Wellness Policy). Student birthdays will be recognized during morning announcements, as well as receiving a special certificate and gift from the principal (summer birthdays will be recognized during the school year). Gifts brought to the school for students will be kept at the office and students may pick them up after school to avoid disruption in the school day.

SUPPORT PROGRAMS:

Our school offers a variety of support programs to provide the most appropriate learning opportunities for all of our students. Students are identified for programs through careful evaluations administered by qualified personnel. Teams of parents, teachers, students, and appropriate professionals meet to determine which of the following programs might be prescribed to meet the particular needs of students:

- **Hearing and Speech:** Our speech therapist screens all kindergarten for speech articulation every fall. We provide hearing screenings throughout the year as specialists are available.
- **Special Education Program:** Students who qualify for special education services have academic, physical, and/or emotional needs that require specialized learning programs. The special education staff works closely with parents and classroom teachers to identify, test, and develop programs for these students. Our district also contracts occupational and physical therapy for students who require these services.
- **Title I and Migrant Education:** The Title I and Migrant Education programs have been consolidated. This helps provide instructional aides in our classrooms and support early literacy programs for all students.
- **ESL/ELL Program:** This program provides services in the regular classroom to students learning English as a second language. Services include translation (when available), English as a second language instruction, and assistance with regular academics.
- **Counseling Services:** Petersburg School District would like to introduce Mr. F., David Fonken came to us from Oregon and will be an instrumental part of our Stedman Team. All counseling services are determined on a needs basis.

- **Eagle Soar:** We are fortunate to have a full-time counselor, Mr. F, to teach from the Wayfinder Curriculum. Wayfinder focuses on helping young people build resilience, gain a sense of purpose, and understand their emotions in order to navigate life's challenges. This will be a weekly lesson for All grades.
- **Sources of Strength:** The Petersburg School District and Petersburg Medical Center have partnered to bring the Sources of Strength program to local schools, promoting wellness, resilience, and strong connections. This collaboration supports students and families by encouraging healthy relationships, open conversations about mental health, and access to trusted resources, creating a supportive network for success both in and out of school.
- **After School Math Support:** Our paraprofessionals are trained in math interventions. This is for students who qualify as Tier 2 or 3 support for services. Please reach out to the office for additional information.
- **After School Reading Support:** Our paraprofessionals are trained in reading interventions. This is for students who qualify as Tier 2 or 3 support for services. Please reach out to the office for additional information.

PHYSICAL EDUCATION:

All students will spend August through December in the community gym as part of their physical education program. From January to the end of school all physical education will take place in the pool. The Physical Education program both in the gym and pool helps develop fundamental skills, water safety, physical fitness, game play, and sportsmanship.

Clothing needs for each student:

- Swimming suit and towel for swimming class.
- Inside shoes that will remain in the classroom throughout the year. (Outside shoes are removed when children enter their classroom).
- Indoor gym shoes for P.E. class (lace-up or Velcro; no slip-ons). These shoes can be the same ones used for "inside shoes" in the classroom.

Swim Locker Rooms:

Students are being held to a high standard for locker room usage and this includes keeping it clear of urine in order to keep the doors open. Here is our policy for this problem.

1st Citation: Whole class Group Conversation

2nd Citation: The gender group who has this issue will be pulled from swim for one day.

3rd Citation: The gender group who sat out will have a bathroom break halfway through their swim class for four days.

TECHNOLOGY:

Stedman Elementary is networked with the district office, the middle school, and the high school. Each classroom has supervised internet access, laptop computers and ipads. Students are taught basic computer skills, word processing skills, internet navigation skills, as well as online safety. Students have the opportunity to explore a variety of age-appropriate software programs and apps. Our technology program continues to grow, progress, and adapt as the student and staff needs change. The emphasis is shifting from “computer instruction” to “technology integration,” as students enter school with more advanced computer skills.

TEXTBOOKS AND SUPPLIES:

All classroom textbooks and materials, and library materials are loaned to students free of charge. However, students are responsible for lost or damaged books and materials, and will be expected to pay for them. Students are urged to take good care of their books. Many of the consumable supplies are furnished by the school, but the students will be required to bring some personal supplies. The classroom teacher will indicate what personal materials will be necessary.

TRANSFERRING TO A NEW SCHOOL:

When a family is planning to move, we ask that parents or guardians notify the child’s teacher and the principal as far in advance as possible so we can make the transfer to another school as smooth as possible. Library books and textbooks must be returned and outstanding meal balances paid before leaving so that school records can be forwarded.

Home of the Stedman Eagles

Dear Families,

We are looking forward to a great year, with students in classes and ready to learn every day.

We have learned that students who miss even a few days of school each month are at far greater risk of academic failure and dropout than students who attend regularly. We have set a goal that every student in our school attends regularly (has nine or fewer absences in a year).

Because attendance is so important, please send your child to school every day unless he or she has a contagious illness or is running a fever.

We have included a chart with this letter that will help you keep track of your student's absences. If your child is at risk of missing too much school, please feel free to contact me. We will also monitor each student's attendance across the year so we can work with families when the number of absences puts a student at risk.

We will be happy to work with you to help your student(s) attend regularly and have greater opportunities for success.

Sincerely,

Heather Conn, Principal

Parents of Incoming Kindergarteners,

I am so excited to be on this journey with you! Kindergarten is such a wonderful experience and sometimes the 1st experience that children have in our school system. It is our goal to make this the BEST YEAR EVER for the kids and for parents!

Kindergarten will start on Wednesday, September 3rd, 2025. The hours for kindergarten are still being discussed as an administration at this time. The bus is an option in kindergarten, but we will need very clear communication between teachers, the office, and the bus drivers to make this happen.

Next school year will be approaching rapidly and we need your help in making this transition as smooth as possible. Our kindergarten teachers will be focusing on routine, consistency, and independence this upcoming year. We need your help!

What can I do to support them at school and at home to help themselves?

Support them in being independent with:

- Carrying their own belongings
- Serving themselves at breakfast or lunch
- Zipping and unzipping their coats and pants
- Buttoning and unbuttoning their coats and pants
- Taking outside gear on and off

- Taking their shoes on and off
- Tying, Velcroing, or Slipping on their own shoes
- Getting dressed and undressed in everything they wear

While at school we would like to have you encourage these skills and allow kindergartners the space to put all their gear away on their own in their cubbies. This will allow them to transition independently into their classrooms. This doesn't mean you can't be present, just allow them the space to do this without help.

These types of life skills are skills we will work on every day in kindergarten. These are skills that help our kindergarteners to become independent and grow. We need your help in helping them become independent by allowing them the time and space to do it on their own. This may at times require much patience.

We look forward to partnering with you on this journey from kindergarten to adulthood.

Academics is also another piece that is introduced in kindergarten. Building the foundational skills for reading, writing, and math is a very important part of kindergarten. There are a few laws and requirements in regards to how we proceed in academics. I have included a screener they are required to take, information about the screener, as well as an article about our reading curriculum. We use a sounds first approach, which means kindergarten students are introduced to a symbol and taught that a sound goes with that symbol. Children do not need to know letter names in order to read, so the idea is to teach them the sounds then letters at a later point. Please read the attached article for more information.

This is a BIG year and we look forward to walking beside you!

Sincerely,

Heather Conn

What is DIBELS? What does it mean to be proficient?

DIBELS Tips for Families

Why DIBELS?

DIBELS stands for Dynamic Indicators of Basic Early Literacy Skills. DIBELS is a series of short, quick assessments that some schools use to determine if students may be struggling with reading and need additional help. Teachers use DIBELS to inform their reading instruction. In other words, DIBELS tells teachers if students are at risk in reading and the type of help they may need.

What are Risk Categories?

Results of DIBELS subtests are categorized according to the risk, or likelihood, that students will meet end-of-year grade-level goals in reading. The categories were determined based on research in which DIBELS and end-of-year reading tests were administered to many students across the country.

Blue - Negligible risk: Students with negligible risk are on track for reading success and should continue to receive the instruction they are getting – sometimes called “Core Support.” We might call these students “Above Benchmark.”

Green - Minimal risk: Students with minimal risk are on track for reading success and should continue receiving the instruction that they are getting – sometimes called “Core Support.” We might call these students “At Benchmark.”

Yellow - Some risk: Students with some risk may be struggling with one or more components of reading. They need additional instruction, usually in a small group setting. Their progress should be monitored in the area in which they are struggling. In other words, these students need “Strategic Support.”

Red - At risk: Students at risk are struggling with reading, either scoring well below the benchmark or struggling with more than one component of reading. They need extra instruction in a small group or one-on-one setting. Their progress should be monitored in the areas in which they are struggling. In other words, these students need “Intensive Support.”

What About Percentiles?

First, percentiles are not like grades. If your child's score is at the 40th percentile, that's not the same as getting 40% on an assignment at school. If your child's score is at the 40th percentile on DIBELS that means they scored as well as or better than 40% of students in the same grade at the same time of year. Scoring 40% on an assignment means your child got 40% of the points possible on that assignment. Most students who fall in the 40th percentile or above on DIBELS are in the minimal or negligible risk categories. That means with regular instruction in reading, they are likely to be a successful reader.

Sometimes percentiles can be confusing if your child is a very good reader – say in the 90th percentile for Oral Reading Fluency Words Correct – but has a much lower percentile in Accuracy – say the 43rd percentile. Many students have excellent accuracy (99-100%) so even if your child has very good accuracy, their percentile could look lower than you expect because most students are also very accurate. Rest assured, in second grade and beyond, if your student's accuracy is high – say above 96% – the percentile on accuracy is not cause for concern.

Should I Be Worried if My Student is at Risk?

The best answer we can provide is maybe. If your child is at risk or at some risk based on their DIBELS scores, there is reason to be watchful. We recommend talking with your child's teacher.

Here are some things to ask about:

- The instruction your child is receiving.
- The intervention provided for students who struggle with reading.
- How they monitor students' progress in reading.
- How you can support your student's progress.

Partnering with the school is one of the best ways to ensure your student's success in reading.

My Student Failed DIBELS! What Should I Do?

Don't panic! DIBELS is an indicator of risk, but it's not a test with a grade. Put another way, students cannot "fail" DIBELS. DIBELS gives teachers information, so they know how to proceed with instruction. It can be thought of as one indicator of reading health, just like taking your student's temperature is an indicator of their physical health. If your student is "at risk" or "at some risk" that tells you and the teacher that your student needs additional or more explicit reading instruction.

Please read the article below in order to understand what our philosophy is and what we are recommending to parents of kindergarten students.

mCLASS DIBELS Letter Naming Fluency (LNF) and CKLA Kindergarten Instruction

Many students enter Kindergarten already knowing some letter names. Letter names are widely taught in homes and preschools, on educational television, and by educational toys and games. Knowing the letter names, however, is no guarantee that students have phonemic awareness (knowing the sounds the letters represent) that leads to accurate phoneme-to-grapheme mapping, a critical component of early reading instruction.

Letter Naming Fluency (LNF) is a standardized, individually administered test within mCLASS with DIBELS 8th edition used as an indicator of risk for reading difficulty rather than an instructional target. The ability to recognize and name letters in preschool and at the beginning of kindergarten is a strong predictor of later reading achievement (e.g., Badian, 1995; Walsh, Price, & Gillingham, 1988). Prior to formal education, some students have the benefit of being exposed to words, stories, and books. In those cases, caretakers often teach the alphabet and letter names, particularly those

associated with the child's name. Students who do not demonstrate this ability may be at risk for later reading difficulties; thus, performance on LNF is included within the DIBELS Composite Score in kindergarten and first grade.

However, studies have failed to show that teaching letter names to students enhances their reading ability (e.g., Ehri, 1983) and, in fact, have demonstrated that successful learning of letter-sound correspondences that lead to reading acquisition can occur without the knowledge of letter names (Bruck, Genesee, & Caravolas, 1997; Mann & Wimmer, 2002).

The LNF measure at the beginning of the year does not assume students have had previous letter-naming instruction, whether in Amplify Core Knowledge Language Arts (CKLA) or any other program. If students' DIBELS LNF and Composite Scores indicate that they are at-risk for reading difficulty, teachers should use data on the priority skills assessed by DIBELS to plan instruction for students, and should not plan to emphasize letter naming for the purpose of raising LNF scores. This prioritization of skills is in direct alignment with CKLA, which, particularly in kindergarten, focuses on the use of letter sounds over letter names. The DIBELS 8th Edition Composite Score takes into account performance on each measure and places a substantial weighting on the Nonsense Fluency score.

If students respond to the activities in Kindergarten CKLA units by calling the letters by names, instead of sounds, please gently redirect them; for example say, "That's the letter name. Can you tell me the sound we have been practicing?"

Note that while letter names are not utilized in the initial units of Kindergarten CKLA

instruction, they are introduced in Unit 6. By that unit, students have learned many letter sounds, and since letter names are no longer likely to interfere with decoding, letter names are introduced.

Please note that this is not to say that teachers should discourage parents from instructing their children at home. But in the classroom, LNF does not yield a high return on investment when providing targeted remediation for students that are already at risk.

ATTENDANCE

ABSENCES REPORTING

Students who are absent 20+ consecutive school days will be unenrolled from classes and will need to seek comparative coursework through an accredited Homeschool program. This may include options available in Petersburg High School independent study programs.

ELECTRONICS--PERSONAL (Cell Phones, Airpods, Headphones, Ear Buds, Smart Watches, etc.)

Students may not use personal laptops, ebooks, pads or any mobile device that sends or receives a signal without prior approval from the technology director and administration.

Student cell phone and other personal device use is not a right. The following points outline the policy and enforcement.

1. Cell phones are **NOT** to be on the student's person during school. This means cell phones **MUST** in the cell phone classroom hotel, not in a pocket, in hand, or out in the classroom.
2. Cell phones and other devices **MUST** be placed in the cell hotel of the first period class or the office cell phone hotel if the student does not have a first period. Students may retrieve these during lunch if they are going off campus. They **MUST** do this immediately following the bell release for lunch.
3. Upon return from lunch, students who retrieved their devices **MUST** place them in the cell hotel in the class that follows lunch. They may retrieve them at the end of the school day. They **MUST** do this immediately following the bell release from the last class.
4. Cell phone notifications/ringers are to be silenced.
5. At no time may students create a hot spot or tether devices; the school network must be used at all times in accordance with the Children's Internet Protection Act.
6. Students **MUST** surrender personal electronic devices, including cell phones, to a PSD staff member when requested as they are a disruption to the learning environment.
7. The return of personal devices **WILL REQUIRE A PARENT** to pick up the device at the school office. This policy includes the use of personal electronic devices of any kind.
8. Exceptions to the head phone usage will only be made for medical necessities and **MUST** be documented with the office and special education department.
9. Any devices that takes pictures **SHALL** not be used in sensitive areas such as locker rooms, bathrooms, etc. Additionally, photographing or capturing videos of other students and/or staff without their prior approval is prohibited and may earn disciplinary actions.
10. Students leaving on school sponsored or other trips during the school day shall leave their cell phones in the office so as to avoid disrupting classes to retrieve the phone prior to departure.

It is highly recommended that students do not bring cell phones or other electronic devices to school. The school will not be liable for lost or damaged devices.

LATE/MISSING WORK

Timely completion and submission of school work are essential components of the educational process and help to prepare students for future academic and professional success. This policy applies uniformly to all students and classes.

Assignment Deadlines: Each teacher will establish specific deadlines for assignments. This will be stated when the assignment is given.

Late Submissions: Assignments submitted after the established deadline will be considered late/missing.

Gradebook Entry: A grade of "zero" (0) will be entered into the PowerSchool gradebook for all late/missing work. This reflects the student's current grade without the late/missing work.

Late Work Penalties: Assignments submitted up to 5 school days late will receive a maximum of 80% of the total possible points. Assignments submitted between 6 and 20 school days late will receive a maximum of 50% of the possible points. Assignments submitted more than 20 school days late will not receive credit.

Gradebook Indicators: Late or missing work will be clearly flagged in the PowerSchool gradebook to inform students and parents.

Academic Quarter Deadline: The end of the academic quarter is a hard deadline for all quarter work unless an appeal has been granted for extenuating circumstances by administration as outlined below.

Appeals Process: Exceptions for unusual circumstances must be appealed to the administration in writing by the student and/or teacher. A decision on the appeal will be provided by administration to the teacher and student within one calendar week of the appeal submission. During the appeal process no additional penalties will be applied to the work.

SENIOR WORK COMPLETION DEADLINE

Graduating seniors/students for the class of 2026 must complete and submit all course work to fulfill graduation requirements by May 27th, 2026 by 4:00 PM. This allows teachers to complete grading and for all aspects of graduation ceremonies to be finalized.

Activity Nights: The middle school hosts Activity Nights throughout the school year. Middle school staff provide supervision during these nights to ensure a fun and safe environment. Access is limited to middle school students. Parents of middle school students are invited and welcome to attend. Students must be in attendance for the duration of the school day in order to attend activity nights. School policy is in effect at these nights as these activities are considered school functions. Activities are organized by the Student Council and include such things as: dance, gym time and other games and activities. Behavioral and academic eligibility can be considerations as to students being allowed to attend.

Awards Assembly: The middle school hosts an Awards Assembly at the end of each quarter to recognize the academic, attendance and behavioral success of students. The awards given include:

- Honor Roll for students with Proficient or Advanced academic standing
- Academic Achievement for students who raise their average grade by 10pts from one quarter to the next.
- Teachers often recognize other outstanding student achievement during these assemblies

Parents are always invited and welcomed to these assemblies. Please watch the middle school Activities Calendar to see when these assemblies will occur.

School Yearbook: Publication of the school yearbook is under the leadership of a designated teacher(s). Students who have an interest in art, writing, photography, and/or layouts are encouraged to request participation.

Student Council: The middle school has an active student government composed of classroom representatives and officers. They are involved in planning and conducting special events and taking part in school leadership and community service. Class nominations and elections are held at the beginning of each school year. Students may not have missing products and/or attendance issues to be a nomination for officer. All students are encouraged to participate in the Student Council election process. Members of the Student Council must have passing grades (C's or better) and regular attendance or may be removed from serving on the council.

Activity Day Eligibility

Students become ineligible for end-of-the-quarter activity days when they have a D or F in any class. Students with unserved detentions are also ineligible for Activity Day.

The school staff feels that academic support interventions are sufficient to help all students be able to participate in end-of-the-quarter activity days. However, if students fail to make use of these opportunities and complete all missing work, they will have the chance to participate in the next end-of-the-quarter activity day based on the completion of all assignments by the next end of the quarter deadline.

Students with outstanding assignments are ineligible for End-of-the-Quarter Activity Days. Students become ineligible for end of quarter activity days if they receive a disciplinary action that results in an In-School or Out-of-School suspension during the quarter. Students may be ineligible for activity days if they have received several discipline referrals. Administration and staff will evaluate these students and determine eligibility.

Athletic/Activity Eligibility

ACADEMIC CHECK POLICY

1. All students traveling as part of the PSD activities program must be grade eligible the Wednesday of the week of departure.
 - Activities Director or Designee will pull grades on Tuesday morning.
 - Students who do not meet the grade requirements will get a grade check sheet from the Activities Director
 - Students must return the grade check sheet signed by the teacher no later than Wednesday at 3:45pm for eligibility. This includes home events.
2. If there are extenuating circumstances, the Principal may extend the deadline. The principal will document all incidences of extenuating circumstances. Under no circumstances shall an administrator, coach, or parent pressure a teacher to extend deadlines or certify eligibility for an ineligible player. A teacher may request that an administrator extend the deadline if that teacher is in the process of working with a student on their eligibility and feels that circumstances would warrant an extension.
3. The Superintendent or designee may revoke a student's eligibility for participation in extra/co-curricular activities when a student's poor citizenship is serious enough to warrant loss of this privilege.
4. The Activities Director will inform the coaches Wednesday evening if a player is ineligible for the next week's event.

Ineligible players may practice if approved by the head coach and administration. MMS students that have been on the grade check for two (2) consecutive weeks will be deemed ineligible for practice until all grades are passing and are placed on a probationary status for the remainder of the activity season. Students that are on a probationary status will be ineligible to practice and participate in any interscholastic competition until the next scheduled grade check and regain practice eligibility by meeting academic minimums.

ATTENDANCE REQUIREMENTS

PHS & MMS students must attend all classes on the day of travel or activity, up to the departure time for an event. If students leave or participate on a weekend or holiday, students must attend all classes on the last school day before departure or competition. Students should return to school within approximately one hour after their return to Petersburg. Dates and times for departure and return will be determined by the principal and/or the Activities Director. If a student is unclear, they must ask the coach/advisor before leaving the terminal. Those who do not return within the time frame or do not report to school following the travel may become ineligible for participation in the next traveling event. The loss of travel privileges will be for the same activity, however, if it happens at the last activity of the season, it will apply to the very next activity in which the student may participate.

Students that receive an unexcused absence in any class throughout the day or that leave school during the school day that are not deemed excusable absences (i.e., doctor appointments, scheduled dental appointments, see also PHS & MMS School handbook)

will not be allowed to practice for their activity on that school day. Please plan appointments accordingly to avoid conflicts with the attendance requirements. Schedules and dates of competition and travel are posted and planned well in advance.

Mitkof Middle School students that do not dress down for PE class and/or are unexcused or not in attendance for that school calendar day are not allowed to practice during that same calendar day for an activity. MMS & PHS Students that have disciplinary detentions must complete a minimum of one (1) detention prior to attending practice. MMS Students that earn a major disciplinary infraction may be removed from travel or participation in any academic or athletic related competition.

Practice – As defined by ASAA and Article 7 Section 7.A of ASAA Bylaws. A practice is defined as a regularly scheduled team physical activity designed for the preparation of athletes for the sports season and conducted under the supervision of a certified school coach during the season established by the Board of Directors. In order to qualify as a practice, the student must participate in at least one hour of physical activity. Students are required to attend a minimum of 10 practices per activity in order to be eligible for any travel/competition. For overlapping activities that require a minimum practice quantity, the number required to be eligible for the next activity is 5 practices.

Examinations for Student Athletes: Students who wish to participate in school athletics shall present to school officials a physician's written certification dated within eighteen (18) months prior to participation in the activity, that they have been examined and are fit to participate in sports. Students shall also present to school officials, prior to participation, verification of responsibility for accident insurance coverage signed by the parent/guardian. A parent/guardian who has no insurance coverage shall by signature accept full financial responsibility for injuries.

Attendance Policy

It's very difficult to learn when you're not in class. Students who have been absent are responsible for making up missed work without disrupting the flow of classroom activities.

8 Alaska Statute 14.30.010. (When Attendance Compulsory)

Tardiness and poor attendance affect children socially and academically. Students may feel awkward walking in late to a class, and other children will notice when a peer is absent in class to help with a project or collaborate in studying, for example. If a student's tardiness or attendance becomes disruptive to their education, a meeting will be scheduled to make a plan so that attendance will not continue to negatively impact your child's education.

Absences due to vacations are discouraged. We hope you can make your vacation plans during any of the regular school vacation times.

A. Absence

Being absent from a class for more than 10 minutes may be considered an aggravated tardy. There are three types of absence: excused, unexcused, and absent. Valid reasons for an excused absence (E) are listed below. Unexcused absences (U) are those for which there is not a legal, excusable reason for the absence. Absent (A) reflects a parent removing a student from school without meeting the criteria for an excused absence.

B. HOME NOTIFICATION

Attendance records are kept each period. Every effort is made to notify parents by phone/text when a student is absent and the school does not have prior notification. Parents are notified by letter when the student is in danger of failing due to absences.

C. TARDIES

Tardiness is disruptive to the classroom environment and infringes on others' learning rights. Students are expected to be at their assigned learning stations on time. A "tardy" means the student was less than ten (10) minutes late for class. Students arriving to class more than 10 minutes late will be assigned an aggravated tardy which will have more discipline associated and may result in loss of credit on class assignments. After three (3) tardies per quarter per class student, parent, and teacher will receive notification that each additional tardies for that class, students will be assigned 30 minutes of detention with the teacher. Habitual tardiness will result in additional consequences.

LEGAL REASONS FOR AN EXCUSED ABSENCE

1. Sickness, flu/communicable diseases, or other medical diagnoses. Students with ongoing and/or major illness and who are under the verified care of a doctor may be granted extra days for absence.
2. Communicable Diseases
 - a. Examples: strep throat, chicken pox, lice, pink eye, scabies, ringworm, impetigo, etc.
 - b. Students will be sent home if suspected of having a communicable disease and will be advised to remain out of school until properly treated or no longer contagious. Please check with your family physician to determine when your child may return to school. (Doctors note is REQUIRED)
 - c. Please notify the school any time your child is kept home for suspected contagious conditions. This will help us observe other students for signs and symptoms.
3. Fever or Diarrhea
 - a. If a child has a fever or diarrhea they need to stay home. If a child develops a fever or diarrhea while at school we will call his/her parent or guardian.
Students must be fever and diarrhea free for 24 hours before returning to school.
4. Vomiting (due to illness)
 - a. Children may return to school 24 hours after the last vomiting incident.
5. School-sponsored activities; e.g., local and regional athletic events, AASG, etc.
6. Death in the immediate family, parents, grandparents, or siblings.
7. Students participating in Viking Swim Club or other sanctioned club sports.
Absences must be prearranged with the proper forms through the attendance office.
8. Family trips or local, non-profit community organizations.
 - a. A trip slip must be on file in the high school office a minimum of three days before departure.

ABSENCES REPORTING

A note or a phone call by parent/guardian explaining daily absences is needed. Please call the main office between 8:00 A.M. and 4:00 P.M. at 877-526-7656, or you may call outside office hours and leave a message and leave a message **within the same day of absence.**

1. All absences are documented daily by staff and verified by the parent through a phone call or note. If we have not been notified by the time attendance is recorded in the office, we will call to verify the absence. This procedure ensures student safety.
If a student is absent for 5 consecutive days due to medical/illness, after communicating with school officials, we may request a doctor's note to excuse the absence. A "Release

from School” form may be requested from the Petersburg Medical Center by a patient or patient representative at no charge.

Please consult Petersburg Medical Center (or attending medical facility) and your insurance provider to predetermine medical costs. Petersburg School District is not responsible for medical charges associated with your child.

2. If a student is going to be out of school for family trips or other personal reasons, a trip slip needs to be filed in the office before leaving (with the exception of family emergencies.) The trip slip must be signed and turned into the office before all travel. Class work will be done according to the arrangements made ahead of time with individual teachers. Students need to take this form to their teachers a minimum of three school days prior to their absence. In order to receive credit for work missed, the student must have a signed trip slip and complete assigned work on time.

3. Step 1: After five (5) cumulative days of unexcused absences per quarter in the MS and semester in the HS, a letter will be sent home describing the attendance concern along with a copy of the Alaska State Compulsory Attendance Law.

4. Step 2: After ten (10) unexcused absences per quarter in the MS and semester in the HS, another letter will be sent home describing the attendance concern along with a copy of the Alaska State Compulsory Attendance Law.

5. Step 3: Students who have unexcused absences beyond 12 days per quarter in the MS and semester in the HS, parents will be notified by the school office to make an appointment with the principal and school counselor to assess any concerns, including medical that may be keeping the child from attending school on a regular basis so other supports or concerns can be addressed. This includes a doctor's verification and or other professional evaluations.

MAKEUP WORK

See page 18 for the Late/Missing Work policy.

Unexcused absences may result in reduced or no credit for assignments that were assigned or due on the date of the student unexcused absence(s). Teachers will ensure that students will have access to the information to allow the opportunity for learning to continue.

If you feel there are extenuating circumstances, a parent/guardian has the option of the appeal procedure.

Out of School Suspension. Daily work is to be handed in the day OSS students return to school. All of their assignments are posted on the teacher's web site. Work not handed in on time turns into a "0".

CHECKING OUT

Parents are advised to call the school on the morning of a student's absence, if possible. Please call the main office by 8:15am at 877-526-7656, or you may call outside office hours and leave a message. Notification will enable the teacher to plan makeup work, to know approximately how long the student will be absent, and to arrange to send assignments home.

Students who leave school grounds for any reason, including students leaving on a school-sponsored trip, are to check out through the office. Returning students must check

in to the office before re-entering class. Failure to check out through the office will result in disciplinary action.

1. Home address and telephone number.
2. Parent/guardian's business address and telephone number.
3. Name, address and telephone number of a relative or friend who is authorized by the parent/guardian to care for the student in cases of emergency when the parent/guardian cannot be reached.
4. Local physician to call in case of emergency. BP 5141(a)

Fire Drills

Required fire drills are held monthly during the school year.

SIGNAL: A continual sounding of the fire alarm is the signal to exit immediately.

PROCEDURE: Upon hearing the alarm, rise and leave the room briskly and in an orderly way. Form a line and file outside the building according to the instructions of the teacher. When outside, be alert to further instructions so that fire lanes may be kept clear. Return to class at a signal from the principal or teachers.

Gun Free Schools

By state law, any student who is determined to have brought a gun or other firearm to a school in the district shall be expelled from the district for a period of not less than one

year. The Board may, on its own initiative or on the recommendation of the Superintendent, modify the expulsion requirement on a case-by-case basis.

The term "firearm" means a firearm as defined in Section 921 of Title 18 of the United States Code and includes bombs and other incendiary devices. The term also includes parts from which a firearm may be assembled.

Homework Policy

All assignments including classwork, projects, quizzes, and tests are covered in this policy. Assignments are designed with a specific instructional purpose in mind, such as: preparation, practice, extension, and/or creativity. It is essential for students to demonstrate proficiency by meeting a minimal standard on all assignments. *Practices* are assignments that reinforce taught curricular skills whereas *Products* assess learning benchmarks within each class. Teachers will establish a grading policy for their class and inform students and parents at the beginning of the course. Students are welcome and encouraged to stay after school to get help with their work.

Late/Missing Work

Timely completion and submission of school work are essential components of the educational process and help to prepare students for future academic and professional success. This policy applies uniformly to all students and classes.

Assignment Deadlines: Each teacher will establish specific deadlines for assignments. This will be stated when the assignment is given.

Late Submissions: Assignments submitted after the established deadline will be considered late/missing.

Gradebook Entry: A grade of "zero" (0) will be entered into the PowerSchool gradebook for all late/missing work. This reflects the student's current grade without the late/missing work.

Late Work Penalties: Assignments submitted up to 5 school days late will receive a maximum of 80% of the total possible points. Assignments submitted between 6 and 20 school days late will receive a maximum of 50% of the possible points. Assignments submitted more than 20 school days late will not receive credit.

Gradebook Indicators: Late or missing work will be clearly flagged in the PowerSchool gradebook to inform students and parents.

Academic Quarter Deadline: The end of the academic quarter is a hard deadline for all quarter work unless an appeal has been granted for extenuating circumstances by administration as outlined below.

Appeals Process: Exceptions for unusual circumstances must be appealed to the administration in writing by the student and/or teacher. A decision on the appeal will be provided by administration to the teacher and student within one calendar week of the appeal submission. During the appeal process no additional penalties will be applied to the work.

Lockers

Lockers are school property. Lockers may be opened and inspected by school officials without student permission. Any items contained in a locker shall be considered to be the property of the student to whom the locker was assigned. Items in a locker are the student's responsibility, and they need to make sure to keep their belongings locked up and secure in their locker. The school is not responsible for items that are lost or stolen out of lockers. Students are not to jam the locks or in any way permanently alter the locker.

Make-up work

Students are responsible for any missed work when they are absent. In the event the student is absent for illness, the student needs to confer with the teacher, either via email or on the first day returning to school, to create a plan for learning and to get the assignments missed. For pre-arranged absences i.e. Family trip, activity trip, etc., make up work is due upon return to school unless previously arranged with the teacher. If work is not turned in during the agreed-upon time frame, a "0" will be placed in the grade book for those assignments.

Non-Discrimination Policy

Petersburg School District does not discriminate on the basis of age, gender, race, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability or any other unlawful consideration in providing educational services, activities, and programs, including vocational and career technology education programs. Petersburg School District complies with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; Title II of the Americans with Disabilities Act of 1990 ("ADA"), as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975, as amended; and any other legally-protected classification or status protected by applicable law. Any questions or concerns about Petersburg School District's compliance with these federal programs should be brought to the attention of the following persons designated as being responsible for coordinating compliance with these requirements:

For more information regarding accommodations, civil rights or grievance procedures, contact: Superintendent Taylor at (877) 526-7656, Petersburg School District, 201 Charles W. St., PO Box 289, Petersburg, Alaska, 99833.

For more information regarding Title IX regulations or to file a grievance contact: Mara Lutomski, Title IX coordinator at 877-526-7656 x100 Petersburg School District, 201 Charles W. St. PO Box 289, Petersburg, Alaska, 99833.

Petersburg School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

PART-TIME ENROLLMENT

Students who are enrolled in another school as their primary school may also enroll at Mitkof Middle School, if space is available in the desired classes. Part-time students will enroll after full time students have registered.

Part-time students will need to request to attend school day activities outside of their scheduled enrollments. Additional criteria may apply to participate in these events.

PBIS

PBIS (Positive Behavior Interventions and Supports) is a school-wide, proactive approach, which emphasizes the instruction of social skills, data-based decision making, and the prevention of problematic behavior. While fostering positive behaviors and interactions, PBIS also improves academic performance.

The most important part of PBIS is teaching expected behaviors. This is accomplished by utilizing a school-wide matrix of behaviors, which encompasses the three main expectations of Petersburg School District -- Be Safe, Be Respectful, and Be

Responsible.

Physical Education and Athletics Health Restriction

A student who has been removed from participation in physical education class, an athletic practice or game for serious physical injury or medical condition by a supervising adult (i.e. coach, parent, athletic director, etc.) may not return to play until the student has been evaluated, diagnosed and cleared for participation by a licensed practitioner, which may be:

1) A health care provider licensed in Alaska, or exempt from licensure under Alaska law (AS 08.64.370(1), (2), or (4),

OR

2) a person acting at the direction and under the supervision of a physician licensed in Alaska, or exempt from licensure.

If your child has a diagnosis that may restrict or limit his/her activities in physical education, then your child's doctor must fill out a Release From School form and have it submitted to the school office at the beginning of the school year or prior to the beginning of the next school day. The doctor must specify the amount of time this form is valid. Note that a student who is unable to participate in physical education is not able to participate in interscholastic sports and may be excluded from certain field trips.

The following health conditions may require a completed Release From School form:

- Asthma
- Heart Conditions, including murmurs
- Orthopedic problems
- Cerebral Palsy
- Seizure Disorder
- History of head injury, dizziness and/or fainting
- Any other disease/illness that may restrict physical activity.

During the school year, your son/daughter may sustain an illness or injury that will require your child to be excluded or restricted from participating in physical education and interscholastic activities. All notes from a medical professional or parent must be brought to the school office for your child to be excused from the gym. Petersburg School District limits parent excuses to 3 days for each quarter in the MS and 3 days per semester in the HS. Students requiring more than the above exclusion/restriction must bring in a doctor's note to be excused (see above). Additional excused days of physical education may be required to be made up with the PE teacher.

Parents who are a licensed practitioner cannot excuse their own child, as legal documentation must come from a third party medical professional.

PowerSchool

Mitkof Middle School provides parents and students access to current grades and attendance through the Internet. Access your information at: <http://27.237.243.14> or <http://24.237.243.14> For security purposes, parents and students are assigned unique user names and passwords for each individual student at MMS. To receive your ID and password, please contact the middle school office.

Report Cards and Grading System

Report cards are sent home at the end of each quarter (nine weeks). In addition, midterm report is sent home midway into each quarter. Parent teacher conferences are held as designated in school calendar. Additional parent conferences can be arranged as needed. Parents are encouraged to speak with their child's teachers frequently. Our grading system is as follows:

A	Excellent
A-	
B+	
B	Above Average
B-	
C+	
C	Average
C-	
D+	
D	Below Average
D-	
F	Failing
P	Passing
W	Withdrawal
I	Incomplete
NG	No Grade

An incomplete is given only when a student's work is not finished because of illness, other excused absence, or by teacher request to take additional time to assess the student's achievement level. If not made up within two weeks after the end of the term, an incomplete will be assigned a grade that indicates the student's completed progress during that term. Students shall be graded Pass/Fail only for study skills classes. A No Grade is assigned only with counselor and principal approval. (AR 5121)

Safe Schools and Crisis Response

Students need to feel safe within their school. The District has a crisis response plan. Procedures are in place for a response to threats of attack, shooting in the school and hostage situations as well as other dangerous situations, including a death. The response team consists of staff, parents, students, police, clergy, and social service professionals.

Students who are aware of plans that would endanger any member of the school community or school property should contact the principal or Superintendent immediately to let them know about the situation.

A student should never hesitate to contact school officials or Crime Stoppers (772-7463) with knowledge concerning threats towards another student, staff member or the school buildings. What one student may believe to be an insignificant threat could, in actuality, be the only information known to prevent a tragedy. Students sharing information with school officials can know that their efforts will be respected and valued even if the threat proves to be uneventful.

EMERGENCY PROCEDURES and Emergency Commands:

A.L.I.C.E. is a school safety program created in the year 2000 to offer additional options to students and staff in dealing with an armed intruder situation. Two of the individuals who

founded and developed the program are long-term law enforcement professionals. A 30-year educational professional is a member of the team and works to ensure that A.L.I.C.E. teaching/training materials are age-appropriate, psychologically sound, and address the issues of individuals with special needs.

A.L.I.C.E. is an acronym that stands for:

ALERT: Get the word out that a threat exists.

LOCKDOWN: Secure a place to stay as much as possible as a starting point to buy time.

INFORM: Give constant, real-time information throughout the building using all available technology.

COUNTER: This is a last resort. Individuals are unable to escape. Countering may be as simple as creating a distraction to allow opportunities to escape.

EVACUATE: The goal is to move students out of the danger zone. It's important to be prepared to escape.

Traditionally, schools have used a procedure known as "lockdown" which essentially means locking the school building and classrooms and having students and teachers take shelter in their classroom. We believe that offering additional age-appropriate options will allow our students and teachers to be better prepared if a crisis situation occurs. Providing a constant flow of information to everyone in the building can allow opportunities to safely evacuate the building. An important goal of the A.L.I.C.E. program is to evacuate as many people as possible to a safe place.

School Safety and Discipline Policies

This School Safety and Discipline Policy has been prepared by the school with the input of the larger school community over an extended period of time. It contains information the school wants students to know about their rights and responsibilities.

Student success is very important to teachers and the principal. "Success" can mean a lot of things. It is much more than passing classes and graduating from high school. It begins with learning to work with and respect others. It means respecting your culture and your community. Most importantly, it means respecting yourself. Most of the school rules are related to respect for other people and for the rights of other people.

This policy begins with the descriptions of the rights that students have. Those rights are to be honored and protected. It continues with a description of student responsibilities. Those responsibilities will also be upheld. If you have questions or concerns, talk to your teachers or your principal. They are there to help you with problems that arise.

Search and Seizure

Because lockers are under the joint control of the student and the district, school officials shall have the right and ability to open and inspect any school locker without student permission when they have reasonable suspicion that the search will disclose evidence of illegal possessions or activity or when odors, smoke, fire and/or other threats to student health, welfare or safety emanate from the locker.

For health and safety reasons, a general inspection of school properties such as lockers and desks may be conducted on a regular, announced basis. Any items contained in a locker shall be considered to be the property of the student to whom the locker was assigned. Notice of this policy shall be given to all students when lockers are assigned. Notice will also be posted in prominent locations throughout the school.

Authorization to search is specified in BP 5145.12(b)

Any district administrator may search a student's clothing, possessions and/or automobile on school premises if the administrator has reason to suspect that a student possesses contraband.

The superintendent may authorize a district employee to request a drug test from a student, if the employee has reasonable cause to suspect that the student is under the influence of alcohol or a controlled substance not prescribed as required by law. A student's failure to comply upon request pursuant to this policy may be used as evidence against the student in a disciplinary proceeding or may subject the student to other sanctions by board policies and school rules. BP 5145.12 (Search and seizure) does not authorize any school employee to conduct a strip search of a student.

Contraband discovered in the course of a search shall be seized. If the seized item is not illegal to possess, but is prohibited on school grounds, the item shall be returned to the student's parent(s) or guardian at the end of the school day. If the item is illegal to possess, the Superintendent may direct that the item be surrendered to the police.

A reasonable attempt will be made to notify the student's parent(s) or guardian before a search has taken place, if practical. If prior notification is not practical, a reasonable attempt will be made to notify the student's parent(s) or guardian after a search has taken place. The notification shall include the reason for the search and the nature of any contraband discovered.

Sexual Harassment

The Board shall not tolerate the sexual harassment of any student by any other student or any district employee. Any student or employee who is found guilty of sexual harassment shall be subject to disciplinary action.

Students or staff should immediately report incidences of sexual harassment to the principal or designee. The Superintendent or designee shall promptly investigate each complaint of sexual harassment in a way that ensures the privacy of all parties concerned. In no case shall the student be required to resolve the complaint directly with the offending person. BP 5145.7(a) Sexual Harassment complaints shall be reported to the Title IX Coordinator Mara Lutomski at titleix@pcsd.us

Student Fees

Students are responsible for any damaged books or supplies on loan. A student activity fee is required for each sport in which a student participates in which they travel, with a reduced activity fee for activities/grades in which students do not travel. Each student must pay a yearly fee for ASB, which contributes to the many events that student government organizes for the student body. An optional fee for an annual yearbook can also be paid at the beginning of the year. Students are assigned a PSD laptop and will be required to pay the insurance fee annually. A complete schedule of student fees can be found in the school office or be accessed on the school district website.

Mitkof Middle School follows an opt-out policy. Student work, photographs, video images, and/or recorded statements may be posted on District websites, social media pages, and

other electronic media to highlight student achievements or showcase educational experiences.

Please complete the online opt-out form if you prefer to opt your student out. This will exclude your child and their work from being posted on the District's website (PCSD.US), Facebook, Instagram, and Twitter. Please note that only first names will be used in posts.

Release of Information to military recruiters

The federal Elementary and Secondary Education Act requires all local education agencies to provide to military recruiters, upon their request, the name, address and telephone number (including unlisted number) of secondary school students. Although military recruiters focus their efforts on high school juniors and seniors, the law allows for the gathering of this information from the broad category of "secondary" students, defined as students in grades 7 through 12. If any secondary student or the parent/guardian of a secondary student does not want the District to provide the requested information to military recruiters, the secondary student or the parent/guardian must "opt out" of providing such information by submitting a signed, written request to this effect.

Institutions of Higher Learning information release

The Every Student Succeeds Act of 2015 (ESSA) requires all local education agencies to provide to institutions of higher education, upon their request, the name, address, and telephone number of secondary school students. Although post-secondary institutions/schools focus their efforts on high school juniors and seniors, the law allows for the gathering of this information from secondary students. If any eligible student (18 years of age) or the parent/guardian of a secondary student does not want the District to provide the requested information to institutions of higher education, the secondary student or the parent/guardian must "opt out" of providing such information by submitting a signed, written request to this effect.

Student Rights, Responsibilities and Grievance Procedures

School rules have been made to protect every student's right to learn. If a student breaks a school rule, it means they are interfering with the right of others to learn. Remember that a lot of thought has gone into making school rules. They have not been made to upset students or to make adults happy. They are there for student protection!

All school rules are related to law that guarantees a free, public school education to all people ages seven through sixteen. No one can take that right away from students without a good reason. Such "good reasons" are related to behavior. If students behave in a way that endangers other people, their right to a free education can be taken away. Also, if

students interfere with the education of others, their rights can be taken away.

Principals and teachers have the responsibility to keep the school safe and secure. Students have the responsibility to always behave in a safe and secure manner. When student behavior is not responsible, consequences result.

If there are any questions relating to student rights, contact the principal. Petersburg Schools are committed to providing an effective means for parents and the community to voice concerns and complaints. In general, the complaint should be received and addressed at the level closest to which the complaint originated. For example, if it involves a teacher, first talk to that individual. If you are still concerned, talk with the principal. Then if you are still concerned, make an appointment to talk with the Superintendent.

A grievance as defined herein is a written complaint, registered by identifiable individuals, involving an alleged violation of the Federal laws or regulations governing Title IX, Section 504, and Title II by the local educational agency. A grievance is a formal complaint regarding specific decisions made by school personnel. A grievance may be submitted in specific circumstances such as when a student or parent believes that board policy or law has been misapplied, misinterpreted, or violated. Any claims of discrimination on the basis of race, color, national origin, sex, pregnancy, religion, age, or disability also may be submitted as a grievance.

The Petersburg School District recognizes that in accordance with Title IX of the Educational Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, a procedure is required whereby parents, employees and students can be assured of a prompt and fair disposition of their grievances.

A grievance must be filed as soon as possible but no longer than 30 days after disclosure or discovery of the facts giving rise to the grievance. A student who has a grievance must provide the following information in writing to the principal:

- The name of the school district employee or other individual whose decision or action is at issue;
- The specific decision(s) or actions at issue;
- Any board policy or law that the parent or student believes has been misapplied, misinterpreted, or violated; and
- The specific resolution desired

The right to file a complaint shall be afforded to any parent, employee, and/or student, and the general public and shall begin with a written statement by said parent, employee, and/or student alleging a violation of the Federal law or include, as a minimum, the following information:

- a. the name and address of the party or parties alleging the violation, and
- b. a description of the alleged violation of the Federal law or regulation by the local educational agency.

Persons who desire to register complaints relative to Title IX of the Educational Amendments of 1972 should direct these complaints or other inquiries to the Title IX Coordinator at:

2. The principal shall provide an opportunity for the complainant or the complainant's representative, or both, to present evidence, including an opportunity to question the parties involved.

Suspension and Expulsion

Grounds for Suspension and Expulsion:

A student may be suspended or expelled for the following causes:

1. Continued willful disobedience or open and persistent defiance of reasonable school authority;
2. Behavior which is in some way harmful to the welfare, safety or morals of other students;
3. Conviction of a felony which the board determines will cause the attendance of the child to be in some way harmful to the welfare or education of other students.

A student may be suspended or expelled for behavior occurring at any time, including but not limited to the following circumstances:

1. While on school grounds.
2. While going to or coming from school or a school-sponsored activity.
3. During the lunch period, whether on or off the school campus.

AR 5144.1(a)

A Principal may suspend a student from school for any of the acts listed under "Grounds for Suspension and Expulsion" for not more than thirty (30) consecutive days.

Suspension may be imposed upon a first offense if the principal determines the student's behavior to be in some way harmful to the welfare, safety or morals of other students or the student's presence represents a danger to persons or property or threatens to disrupt

the instructional process.

AR 5144.1(b)

Short Term Suspension Procedures (10 days or less)

Suspension shall be preceded by an informal conference conducted by the Superintendent or principal, and shall include the student, and whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her and shall be given the opportunity to explain his/her version and evidence in support of his/her defense.

If at the end of this discussion the Superintendent or principal believes the student is guilty of the misconduct charged, the student may be suspended for 10 days or less.

AR 5144.1(b)

This conference may be omitted if the principal, designee or the Superintendent determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If the pre-suspension conference is not held, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference will be held as soon as the student is physically able to return to school.

AR 5144.1(c)

Notice to Parents/Guardians

At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/ guardian shall be notified in writing of the suspension.

This notice shall state the reasons for suspension and the date and time when the student may return to school, and may request that the parent/guardian confer with school authorities regarding matters pertinent to the suspension.

No penalties may be imposed on the student for the failure or refusal of the parent/guardian to meet with school authorities. The student may not be denied readmission solely because the parent/ guardian failed to meet with school authorities.

AR 5144.1(c)

Long Term Suspension (more than 10 days)

Where alleged misconduct of a student warrants a suspension of more than 10 days, the student will be provided the opportunity for a hearing as outlined under the expulsion procedure. The long term suspension procedure does not preclude a student from being suspended for up to 10 days if procedures for short term suspension have been followed.

A student requesting a hearing regarding a long term suspension will be readmitted in the program (at the end of a short term suspension if applicable) pending the outcome of the hearing except where the superintendent determines that the student's presence in school poses a threat to harm to him or herself or others.

Authority to Expel

A student may be expelled only by the Board.

The Superintendent or principal shall recommend a student's expulsion for any of the following acts, unless the principal or Superintendent finds, and reports in writing to the

Board, that expulsion is inappropriate due to particular circumstances which shall be set out in the report of the incident:

1. Causing serious physical injury to another person, except in self-defense.
2. Possession of any firearm, knife, explosive or other dangerous object at school or at a school activity off school grounds.
3. Unlawful sale of any controlled substance.
4. Robbery, extortion, or the conviction of any other felony which will cause the attendance of the student to be injurious to the welfare or education of other students. AR 5144.1(d)

Textbooks and Supplies

Vandalism includes the negligent, willful, or unlawful damaging or theft of any district-owned real or personal property, including the writing of graffiti. Any district student who commits an act of vandalism shall be subject to disciplinary action, reparation for damages, and also may be reported to the appropriate authorities for legal prosecution. If reparation of damages is not made, the district also may withhold the student's grades, diploma and/or transcripts. BP 5131.5

Weapons and Dangerous Instruments

Students shall not bring to, possess, or use deadly weapons, firearms, dangerous instruments, or their replicas in school buildings, on school grounds or district-provided transportation, or at any school-related or school-sponsored activity away from school, unless written permission has been previously obtained from the Superintendent or designee specifically authorizing that possession or use. Students who violate this policy are subject to disciplinary action in accordance with district policy and procedures.

The Board shall expel any student who brings a firearm to school in violation of this policy for a period of not less than one (1) calendar year. The Board shall suspend for at least 30 days, or expel for the school year, or permanently, a student who possesses a deadly weapon other than a firearm. The district may consider requests for early reinstatement by students suspended or expelled for violations of this policy.

WELCOME TO PETERSBURG HIGH SCHOOL

This is your student handbook. It is intended to be used to acquaint you with your school, its operation, government, opportunities, and your responsibilities as a student citizen. Knowledge and an understanding of this handbook will ensure that you have an enjoyable and productive year.

PHILOSOPHY

Petersburg High School (PHS) fosters the development of wise decision-makers who can communicate clearly, think creatively, develop positive values, and attain personal goals. The school provides opportunities to learn skills and attitudes and increase aesthetic awareness. Through instruction and the activity program, the school teaches an appreciation of the citizenship responsibilities of American democracy. Petersburg High School assists students to develop the self esteem, knowledge, and discipline necessary to choose and prepare for a career and recognize learning as a life-long process.

MISSION STATEMENT

In a safe and orderly environment, Petersburg High School provides an education which enables students to develop their intellectual, social, physical and aesthetic lives.

BOARD OF EDUCATION

The Petersburg School Board is elected by the people of the Borough of Petersburg. The board is directed by the State of Alaska to establish policies consistent with Alaska law which determines what is taught and to whom. The Petersburg School Board consists of five members elected for a term of three years. The board holds public meetings on the third Tuesday of each month. The Board's Policy Manual presents the school's operating structures and philosophy in much more detail and is available online at www.pcsd.us or at the district office, 201 Charles W. Street.

ADMINISTRATION

Superintendent of schools. The Superintendent is charged with the responsibility of administering the educational program within the framework of the Petersburg School Board's policies.

High school principal. The high school principal is responsible for the high school buildings and the program of studies carried on therein.

ADVANCED PLACEMENT CLASSES (A.P.)

AP admissions criteria: Students who wish to enroll in Advanced Placement classes must go through an application procedure. The AP teacher will distribute the application materials in the spring for the next school year's class. The class size is limited to a maximum of 25. Exceptions to this limit require teacher approval in writing.

Applicants for AP English will be asked to submit writing for scoring, and those students receiving the highest scores will be considered for the class. The applications will have a due date, and submissions received after that date may not be considered. Once students have been admitted their junior year, they are not required to re-apply for admission in their senior years. Students who take an AP course do so with the understanding that they are expected to take the AP test in May.

For purposes of GPA, Advanced Placement (AP) courses will be calculated on a 5.0 scale if students complete the course in good standing (70% or higher) and take the AP exam associated with the course.

ALCOHOL, ILLEGAL DRUGS AND TOBACCO (PCSD BP 5131.6)

The use, possession, sale, purchase, or transfer (any transaction) of products containing tobacco, alcoholic beverages and drugs are prohibited in all school buildings, on school grounds, and at all school activities, including parties, dances, athletic events, and school-sponsored trips of any kind. The school district unequivocally supports drug-free schools and disciplinary measures to assure that the schools stay drug free.

See Tobacco, Alcohol, Drugs under Extracurricular Activities for violation consequences.

ATTENDANCE

It's very difficult to learn when you're not in class. Students who have been absent are responsible for making up missed work without disrupting the flow of classroom activities. *Alaska Statute 14.30.010. (When Attendance Compulsory)* Tardiness and poor attendance affect children socially and academically. Students may feel awkward walking in late to a class, and other children will notice when a peer is absent in class to help with a project or collaborate in learning, for example. If a student's tardiness or attendance becomes disruptive to their education, a meeting will be scheduled to make a plan so that attendance will not continue to negatively impact your child's education.

Absences due to vacations are discouraged. We hope you can make your vacation plans during any of the regular school vacation times.

ABSENCES

Being absent from a class for more than 10 minutes may be considered as an absence. There are three types of absence: excused, unexcused, and absent. Valid reasons for an excused absence (E) are listed below. Unexcused absences (U) are those for which there is not a legal, excusable reason for the absence. Absent (A) reflects a parent removing a student from school without meeting the criteria for an excused absence.

HOME NOTIFICATION

Attendance records are kept each period. Every effort is made to notify parents by phone when a student is absent and the school does not have prior notification. Parents are notified by letter when the student is in danger of failing due to absences.

TARDIES

Tardiness is disruptive to the classroom environment and infringes on others' learning rights. Students are expected to be at their assigned learning stations on time. A "tardy" means the student was less than ten (10) minutes late for class. Students arriving to class more than 10 minutes late will be assigned an aggravated tardy which will have more discipline associated and may result in loss of credit on class assignments. After three (3) tardies per quarter per class student, parent, and teacher will receive notification that each additional tardy for that class, students will be assigned 30 minutes of detention with the teacher. Habitual tardiness will result in additional consequences.

LEGAL REASONS FOR AN EXCUSED ABSENCE (BP 5113)

1. Sickness, flu/communicable diseases, or other medical diagnoses. Students with ongoing and/or major illness and who are under the verified care of a doctor may be granted extra days for absence. Home study may be provided for extended medical leave.
2. School-sponsored activities; e.g., local and regional athletic events, AASG, etc.
3. Death in the immediate family, parents, grandparents, or siblings.
4. Students participating in Viking Swim Club or other sanctioned club sports. Absences must be prearranged with the proper forms through the attendance office.
5. Family trips or employment (such as commercial fishing) -- special arrangements must be made with the principal.

ABSENCES REPORTING

A note or a phone call by parent/guardian explaining daily absences is needed. Please call the main office by 8:15 am at 877-526-7656, or you may call outside office hours and leave a message **within the same day of absence**.

1. All absences are documented daily by staff and verified by the parent through a phone call or note. If we have not been notified by the time attendance is recorded in the office, we will call to verify the absence. This procedure ensures student safety.

If a student is absent for 5 consecutive days due to medical/illness, after communicating with school officials, we may request a doctor's note to excuse the absence. A "Release from School" form may be requested from the Petersburg Medical Clinic by a patient or patient representative at no charge.

Please consult Petersburg Medical Center (or attending medical facility) and your insurance provider to predetermine medical costs. Petersburg School District is not responsible for medical charges associated with your child.

2. If a student is going to be out of school for family trips or other personal reasons, a "Parent Request for Student Absence" needs to be filed in the office before leaving (with the exception of family emergencies.) Class work will be done according to the arrangements made ahead of time with individual teachers. Students need to take this form to their teachers a minimum of three school days prior to their absence. In order to receive credit for work missed, the student must have a signed "Parent Request for Student Absence" and complete assigned work on time. This applies to extended absence under 20 consecutive school attendance days. Students who are absent 20+ consecutive school days will be

unenrolled from classes and will need to seek comparative coursework through an accredited Homeschool program. This may include options available in Petersburg High School independent study programs.

3. Step 1: After five (5) cumulative days of absences per semester in the HS, a letter will be sent home describing the attendance concern along with a copy of the Alaska State Compulsory Attendance Law.

4. Step 2: After ten (10) absences per semester in the HS, a second letter will be sent home describing the attendance concern along with a copy of the Alaska State Compulsory Attendance Law.

5. Step 3: Students who have absences beyond 12 days per semester in the HS, parents will be notified by the school office to make an appointment with the principal and school counselor to assess any concerns, including medical that may be keeping the child from attending school on a regular basis so other supports or concerns can be addressed. This includes a doctor's verification and or other professional evaluations.

MAKEUP WORK

Students are responsible for any missed work when they are absent. In the event the student is absent for illness, the student needs to confer with the teacher, either via email or on the first day returning to school, to create a plan for learning and to get the assignments missed. For pre-arranged absences i.e. Family trip, activity trip, etc., make up work is due either upon the return to school or via electronic turn in methods, unless previously arranged with the teacher. For missing and late work, a "0" will be placed in the grade book for those assignments (see-Late/Missing Work Policy). Unexcused absences may result in reduced or no credit for assignments that were assigned or due on the date of the student unexcused absence(s). Teachers will ensure that students will have access to the information to allow the opportunity for learning to continue.

If you feel there are extenuating circumstances, a parent/guardian has the option of the appeal procedure, starting with the teacher.

CHECKING OUT

Parents are advised to call the school on the morning of a student's absence, if possible. Please call the main office by 8:15am at 877-526-7656 x200, or you may call outside office hours and leave a message. Notification will enable the teacher to plan makeup work, to know approximately how long the student will be absent, and to arrange to send assignments home.

Students who leave school grounds for any reason (excluding open-campus lunch), including students leaving on a school-sponsored trip, are to check out through the office. Returning students must check in to the office before re-entering class. Failure to check out through the office will result in disciplinary action.

OUT OF SCHOOL SUSPENSION Daily work is to be handed in the day OSS students return to school or via electronic means, unless prior arrangements have been made with the teacher(s). All of their assignments are posted on the teacher's web site. Work not handed in on time turns into a "0".

BULLYING

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated. (Source: stopbullying.gov)

A form of repeated aggression and occurs when a person(s) with a perceived power imbalance willfully subjects another person (victim) to an intentional, unwanted, and hurtful verbal and/or physical action(s) which result(s) in the victim feeling oppressed (stress, injury, intimidation, discomfort) at any school site or school-sponsored activity or event. Bullying may also occur as various forms of hazing, including initiation rites perpetrated against a new student or a new member of a team. Students who engage in such conduct shall be subject to a range of punishment to include parent conference, verbal or written reprimand, in-school or out-of- school suspension, and/or placement in an alternative learning environment.

Students are prohibited from engaging in any form of harassment, intimidation, or bullying while on school property, on school buses, at the bus stop, or at school-sponsored activities or functions. Students or staff members who have witnessed or have reliable information that a student has been subjected to harassment, intimidation or bullying should report the incident immediately to school staff members, who shall promptly initiate an investigation. Allegations of bullying shall be promptly investigated, giving due regard to the need for confidentiality and the safety of the victim and/or any individual(s) who report an incident(s) of bullying to a teacher, counselor, or principal. An individual has the legal right to report an incident(s) of bullying without fear of reprisal or retaliation at any time.

Reporting Harassment: Students or staff members who have witnessed or have reliable information that a student has been subjected to harassment, intimidation or bullying should report the incident immediately to the principal or his/her designee, who shall promptly initiate an investigation. The STOP It reporting system is a confidential option for

reporting. The STOP It app is available for cell phones and a link to the system is available on the school websites. The investigation shall include an assessment of what actions should be taken, as appropriate, to protect the student who has been found to be the victim of harassment, intimidation or bullying. Such actions may include the provision of support services necessary to permit the student to feel safe and secure in attending school. BP 5131.43(c)

False Reporting Harassment: Students and staff who knowingly or willfully make a false report of harassment, intimidation or bullying, or provide false information in connection with an investigation, will be subject to disciplinary action up to and including suspension/expulsion for students.

Retaliation Prohibited: Retaliation or reprisal against any person who reports an incident of harassment, intimidation or bullying, or cooperates in an investigation, is strictly prohibited. Any such retaliation or reprisals will result in disciplinary procedures, which may include suspension or expulsion of offending students. *All information regarding Reporting of Harassment to Retaliation Prohibited referenced in AR 5131.43(b)*

Cyberbullying/Harassment via Technology: The district's computer network, including access to the Internet via that network, whether accessed on campus or off campus, during or after school hours, may not be used for the purpose of harassment, intimidation, or bullying. Users are responsible for the appropriateness of the material they transmit over the system. All forms of harassment, intimidation or bullying over the network, commonly referred to as cyberbullying, are prohibited. Cyberbullying also includes, but is not limited to, other misuses of technology to harass, intimidate, or bully, including sending or posting inappropriate email messages, instant messages, text messages, digital pictures or images, or Web site postings, including blogs.

Students and staff who believe they have been the victims of such misuses of technology, as described in this policy, should not erase the offending material from the system. A copy of the material should be printed and a report made under this policy. In situations in which the cyberbullying originated from a non-school computer, but is brought to the attention of school officials, disciplinary measures may be imposed provided the cyberbullying and/or Internet threats:

1. Contain threats of violence against staff members or students; 2. Threaten vandalism to school property; 3. Suggest or advocate physical harm to staff members or students; or 4. Create a significant disruption to the school's educational mission, purpose and objectives.

Disciplinary action may include, but is not limited to, the loss of computer privileges, detention, suspension, or expulsion for those committing acts of cyberbullying. In addition, when any kind of threat is communicated or when a hate crime is committed, this shall be reported to local law officials. BP 5131.43(b)

4. E-mail (or any other computer communication) must be used only for legitimate and responsible communication between students, faculty, and the outside world. Rude, abusive, threatening, or otherwise inappropriate language is not permitted.
5. Students may access only those files that belong to them or which they are certain they have permission to use.
6. Files stored within the school computer systems should be limited to those relating to formal school courses and activities. Games, commercial software, or graphic files that are not for a school project or formal activity should not be stored on the school computer systems.

CREDIT BY EXAMINATION (Course Challenge)

Credit by Examination is an opportunity for students in grades 9-12 to receive credit through a testing process. Students who have completed 8th grade and those entering grades 9-12, who are currently enrolled in PSD, may challenge courses for high school credit. This option is designed to provide students the opportunity to demonstrate mastery through exam. It is not a process for credit recovery or course retakes. Assessments determined by the content area teachers will be used in most instances to challenge courses in mathematics, language arts, science, social studies, and world languages by demonstrating mastery of course material. The course challenge request form, along with a \$25 fee, must be submitted to the PHS office before the course begins for the student. Upon receipt of an approved application for Credit by Examination (Course Challenge), the Principal (or designee) will consult with the content area teachers to determine the appropriate evaluative process. This examination may include an assessment of the student's knowledge and comprehension of the subject through a curriculum-based exam, evaluation of the student's higher-level cognitive skills and comprehension of the concepts through a written essay, and/or evaluation of the student's lab or performance

knowledge and techniques by setting up, explaining, performing, and/or demonstrating activities required in a class typical of the one challenged. An eighty-percent (80%) score or higher is required to receive credit, and any score less than 80% will not receive a credit. A student cannot be granted Credit by Examination for a course in which he or she has previously earned credit nor may he or she earn credit for a prerequisite course if they are presently enrolled in or have previously earned credit in an advanced course. If credit is denied, a student may not reapply for a Course Challenge for the same course. Only approved PSD courses can be challenged. Credit awarded for successfully challenging a course will appear on the student's transcript with the grade of "Pass", but no points will accrue to the grade point average. The word "Challenged" will follow the course title. (BP 6155)

DANCES

Dances must be scheduled 1 week prior (minimum), and approved by the advisor, activity director, and principal. Complete and turn in the Activity Request form to the office. Dances will end before midnight unless authorized by the principal and permission to extend curfew is authorized by the Petersburg Police Department. All school dances will be supervised by four chaperones (minimum), including administration, certified staff, and parents, if possible.

Students will not be allowed to leave and return while dances are in progress and outside containers are not allowed. All dances are restricted to Petersburg High School students unless special permission has been requested and granted by the principal.

Attendance at a PHS dance is a privilege, not a right. By voluntarily entering a dance, students are granting implied consent for staff to perform safety checks, which may include being lightly searched by a same-gender chaperone. In addition, the use of a Passive Alcohol Sensor (Alcohol Light) or Breathalyzer will be used to prevent students under the influence of alcohol from entering the dance, ensuring student safety and deterring illegal conduct.

Parents/students will be notified in the school bulletin prior to the dance of these safeguards, and signage will be posted when student searches and the PAS/Alcohol Light are going to be utilized. Specific details regarding student expectations and dance rules are available in the office. Compliance with these rules is required.

Alcoholic beverages, tobacco, and/or drugs are not permitted at dance functions by students, guests of students, or chaperones. Students are not permitted to have consumed alcohol or drugs or be under the influence of alcohol or drugs immediately prior to attending a dance function. The Alcohol Light (PAS) or Breathalyzer will be used to check all students entering PHS dance functions. The Petersburg Police Department will be called, parents will be notified and School Board Policy will be enforced when students are found violating this policy. BP 5131.6, BP 5030, BP 5144, BP 5145.12

DANGEROUS ITEMS

To further ensure student safety, dangerous items such as knives, explosive materials, etc. are prohibited in all school buildings, on school grounds, and at all school activities, including parties, dances, athletic events and school-sponsored trips of any kind. By law, students caught possessing a firearm must be expelled for no less than one calendar year. Students caught possessing a deadly weapon must be suspended for a minimum of 30 calendar days.

Knives/blades are coded under two different categories, one for blades 2 1/2 inches and longer (code 7) and one for knives/blades less than 2 1/2 inches (code 27). Any knife/blade coded as a 7 is considered a deadly weapon and must result in a mandatory 30-day suspension.

DISCIPLINE

The school is responsible for students' safety and welfare in school and during school-sponsored functions; therefore, students are subject to school discipline during these times. It is expected that high school students will conduct themselves as responsible citizens and make an effort to achieve excellence in their studies.

Students may be disciplined for behavior, prohibited by student discipline rules, that occurs off campus if the behavior is either related to school or school activities or is likely to affect safety or welfare or disrupt the orderly educational process in the District.

IN-SCHOOL SUSPENSION (ISS)/DETENTION

In-school suspension or detention may be assigned by the principal or designee. Students must be making adequate progress on any detention time, as determined by the principal or his designee, before attending any school function, including practice for activities. Students receiving a disciplinary write-up will receive a minimum half-hour detention.

DRESS AND GROOMING

In accordance with the implementation of the District's goals and strategies, the dress code for all students shall meet school board requirements (BP 5132) and create an environment that contributes to the learning needs of students.

The dress and grooming of students shall contribute to the health and safety of the individual, promote a positive educational environment and good school spirit, and be non-disruptive of the educational activities and processes of the school.

5. Skirts, dresses, and shorts shall be no shorter than the individual's mid-thigh. Destruction jeans shall not reveal skin above the individual's mid-thigh.
6. Garments and/or jewelry which display or suggest sexual, vulgar, drug, gang, or alcohol-related wording or graphics, or which provoke or may tend to provoke violence or disruption in the school, shall not be worn.

In the event of a dress code infraction, clothing will be offered in order for the student to return to class. If the offered clothing is refused, the parent/guardian will be contacted to bring alternative clothing that meets the dress code.

(updated 5/2024)

DUE PROCESS

Students and their parents have the opportunity to request a conference and/or hearing if they are dissatisfied with the imposition of a disciplinary action. Definition of the various disciplinary actions, and the authority and grounds for imposing discipline are specified in school board policy.

For the sanctions of ISS and/detention the student will have the opportunity to explain his/her conduct to the principal. A conference/hearing with the principal should occur as soon after the incident as possible. There is no appeal beyond the principal for ISS or detention.

For the sanctions of suspension from extra-curricular activities and/or short-term school suspension (less than 10 days), the student will normally have the opportunity to explain his/her conduct to the principal prior to imposition of the sanction. An informal hearing will be held within 24 hours, if possible.

An extra-curricular suspension shall not be postponed while awaiting an appeal hearing. Under certain circumstances, the principal may order a short-term suspension to begin before an appeal hearing. The appeal hearing will be held as soon as practical after short-term suspension begins.

The only avenue of appeal for short-term suspensions of 10 (ten) days or less is to the building principal. (AR 5144.1)

All procedures in the school board policy are the minimum standards for imposing discipline. More formal procedures may be invoked under special circumstances.

ELECTRONICS--PERSONAL (Cell Phones, Airpods, Headphones, Ear Buds, Smart Watches, etc.)

Students may not use personal laptops, ebooks, pads or any mobile device that sends or receives a signal without prior approval from the technology director and administration.

Student cell phone and other personal device use is not a right. The following points outline the policy and enforcement.

1. Cell phones are **NOT** to be on the student's person during school. This means cell phones **MUST** be placed in the cell phone classroom hotel, not in a pocket, in hand, or out in the classroom.
2. Cell phones and other devices **MUST** be placed in the cell hotel of the first period class or the office cell phone hotel if the student does not have a first period. Students may retrieve these during lunch if they are going off campus. They **MUST** do this immediately following the bell release for lunch.

3. Upon return from lunch, students who retrieved their devices **MUST** place them in the cell hotel in the class that follows lunch. They may retrieve them at the end of the school day. They **MUST** do this immediately following the bell release from the last class.
4. Device notifications/ringers are to be silenced.
5. At no time may students create a hot spot or tether devices; the school network must be used at all times in accordance with the Children's Internet Protection Act.
6. Students **MUST** surrender personal electronic devices, including cell phones, to a PSD staff member when requested as they are a disruption to the learning environment.
7. If a device is confiscated, the return of personal devices **WILL REQUIRE A PARENT** to pick up the device at the school office. This policy includes the use of personal electronic devices of any kind.
8. Exceptions to the head phone usage will only be made for medical necessities and **MUST** be documented with the office and special education department.
9. Any devices that takes pictures **SHALL** not be used in sensitive areas such as locker rooms, bathrooms, etc. Additionally, photographing or capturing videos of other students and/or staff without their prior approval is prohibited and may earn disciplinary actions.
10. Students leaving on school sponsored or other trips during the school day shall leave their cell phones in the office so as to avoid disrupting classes to retrieve the phone prior to departure.

It is highly recommended that students do not bring cell phones or other electronic devices to school. The school will not be liable for lost or damaged devices.

EVALUATION OF STUDENT ACHIEVEMENT

A complete record of grades earned, activities, conduct, test results, and attendance is maintained in the high school office. Each student has a transcript and a cumulative folder. The transcript contains the courses taken, grades, number of credits earned, and awards earned. The cumulative personal folder contains test results, biographical data, medical records, citizenship information, and pertinent documents relating to your education.

Your school record is invaluable to you and is used for recommendations to future employers and for college, vocational, and technical school entrance. All information in these files is confidential and will be disclosed only to qualified persons, including the student, parents, and teachers.

EXTRACURRICULAR ACTIVITY PARTICIPATION

Extra-curricular activities are very important to student growth. Student participation is a privilege, not a right. There are special school rules for participation in extracurricular activities, and students must meet all of these expectations in order to participate. These rules apply to students who participate in extracurricular activities and are not limited to the time or season of the extra-curricular activity only. The extra-curricular activities covered by the rules include, but are not limited to, all athletic units; Washington, D.C. Close-up; debate; the music program; pep band; and ASSG. Students are expected to meet the financial obligations of travel not covered by the school district. **A student who becomes nineteen (19) years of age, on or before August 1, shall be ineligible for interscholastic competition.** A student becomes ineligible for interscholastic competition, regardless of age or grades, at the beginning of his/her ninth semester in high school. Participation in Washington, D.C. Close-up is limited to one (1) year. Enrollment in band, jazz band or chorus/choir is required for travel to Music Festival & be eligible for SE Honors Music. Enrollment in a minimum of one (1) Art course is required to be eligible for the Region 5 Art Festival and All-State Art. **NOTE: No participant may participate in the first competition or event until all fees and forms are submitted and has completed all necessary eligibility requirements.**

GRADE REQUIREMENTS

Any student participating in an interscholastic activity for which grade or credit requirements are established by the ASAA shall meet those requirements. ASAA requires that a student must maintain at least an overall 2.0 GPA during the current semester to remain eligible. Students who do not maintain an overall 2.0 GPA may regain eligibility during the current semester by achieving and maintaining an overall 2.0 GPA within the school's grading system. Students must be in regular attendance at school classes in which they are enrolled or for which credit is granted (or be enrolled in a district or member school correspondence program).

Petersburg School District additionally requires that students participating in an interscholastic athletic, extracurricular, or co-curricular activity must maintain grades of "C" or better in all courses as reported on the most recent athletic director grade check, mid-quarter or end of quarter grade report to be eligible for competition and/or travel.

The athletic director or administration will perform activity eligibility grade checks on a regular basis, approximately every week utilizing current quarter grades, including mid-quarter and quarter grade reports. A student is deemed ineligible on their most recent and current quarter grade check if they possess a grade letter of an F, D, or I. The student is ineligible for all travel and/or competition until the student successfully passes the next grade check. Grade checks will take place every Tuesday throughout the school calendar year unless otherwise noted.

A student who receives an "I" (Incomplete) shall remain ineligible for competition and/or travel until the "I" is replaced by a passing grade ("C", "B", "A"). Converting an "I" (Incomplete) to a grade of "D" does not automatically qualify the student for competition and/or travel.

For all freshmen, sophomores, and junior, as well as seniors who are not on track to graduate, must be enrolled in a minimum of courses needed to receive 2.5 units of semester credit or equivalent at School of Eligibility or supervised by the School of Eligibility or its school district, that lead to granting credit toward graduation from the school district or School of Eligibility.

Seniors who are on track to graduate must be enrolled in a minimum of courses needed to receive 2.0 units of semester credit or the equivalent at the School of Eligibility or supervised by the School of Eligibility or its school district that led to granting of credit toward graduation from the school district or the School of Eligibility. Full time seniors who are on track to graduate, must be enrolled in a minimum of two (2) semester units of credit, or equivalent, at School of Eligibility.

Students must maintain at least an overall 2.0 GPA during the current semester to remain eligible. Students who do not maintain an overall 2.0 GPA may regain eligibility during the current semester by achieving and maintaining an overall 2.0 GPA within the school's grading system.

AR 6145 Extracurricular and Co-Curricular Activities - Petersburg High School

Students participating in any high school-sponsored activity must have no "F's" and/or no "D's" and/or no "I's" in any enrolled course on the most recent grade check in order to be eligible for competition and travel. A student who is deemed ineligible on their most recent grade check is ineligible for all travel, in-person competition, and any other interscholastic event for that grade check period.

Students receiving an incomplete will remain ineligible until it is replaced by a letter grade. Eligibility will be determined at the next scheduled grade check.

PETERSBURG HIGH SCHOOL ACADEMIC ELIGIBILITY CHECK POLICY

1. All students traveling as part of the PSD activities program must be grade eligible the Wednesday of the week prior to departure.
 - Activities Director or Designee will pull grades on Tuesday morning.
 - Students who do not meet the grade requirements will get a grade check sheet from the Activities Director or Designee.
 - Students must return the grade check sheet signed by the teacher no later than Wednesday at 3:45pm for eligibility. This includes home events.
2. If there are extenuating circumstances, the Principal may extend the deadline. The principal will document all incidences of extenuating circumstances. Under no circumstances shall an administrator, coach, or parent pressure a teacher to extend deadlines or certify eligibility for an ineligible player. A teacher may request that an administrator extend the deadline if that teacher is in the process of working with a student on their eligibility and feels that circumstances would warrant an extension.
3. The Superintendent or designee may revoke a student's eligibility for participation in extra/co-curricular activities when a student's poor citizenship is serious enough to warrant loss of this privilege.
4. The Activities Director will inform the coaches Wednesday evening if a player is ineligible for the next week's event.
5. Ineligible players may practice if approved by the head coach and administration.

The academic eligibility policy for middle school students (grades 6th-8th) shall reflect similar standards that are

applied to high school students (grades 9th-12th). In order to participate in activities in the next quarter of school, students in the middle school grades will need to meet a minimum of passing grades in all core areas (Social Studies, Science, English/Language Arts, and Mathematics) and have a current grade point average of 2.0.

Students completing 8th grade and transitioning to high school will need to meet the above criteria in the final quarter of their 8th grade year in order to establish eligibility as an incoming 9th grade student.

ATTENDANCE REQUIREMENTS

Students must attend all classes on the day of travel or activity, up to departure time for the event. If students leave on a weekend or holiday, students must attend all classes on the last school day before departure. The principal, coach and athletic director may approve special circumstances requiring alternative student travel arrangements. Students must return to school within 1 hour of returning to Petersburg OR as determined by the coach/sponsor and/or athletic director, when returning to Petersburg from school-sponsored travel. Any absence following travel must be excused by the athletic director or principal. Failure to return by stated time will result in an unexcused absence and the student may be ineligible for the next school-sponsored activity.

BEHAVIORAL EXPECTATIONS

Students representing PHS are expected to behave in a mature manner, dress appropriately, and conduct themselves with grace and politeness. Our students have a fine reputation, and we are very proud of it. Participation in activities is a privilege, not a right. A coach or an administrator has the right to deny a student's participation. Students must be making adequate progress on any outstanding detention time, as determined by the principal or his designee, to be eligible to practice or compete.

Petersburg Schools maintains a zero tolerance for students using tobacco, illegal drugs, weapons, and alcoholic beverages. Students are expected to disassociate themselves from situations where alcohol and controlled substances are being illegally used.

If a student is not under school supervision and is issued either a citation, the police have made a report to the school the student and/or parent choose to self-report, or the school otherwise becomes aware of a possible violation, then the school shall investigate the matter and the student will be subject to discipline under these extra-curricular activities rules.

Students representing PHS are expected to obey all school rules and city, state and federal laws. Petersburg School District maintains high expectations of students involved in extracurricular activities, and has taken a firm position that those students should not be using alcohol, tobacco, or illegal substances. Because of the tremendous responsibilities inherent in student activities, it is expected that students will abstain from use and that both students and their parents will honor this rule. Infractions that occur while the student is under school jurisdiction or control may result in more serious discipline.

Traveling students are not allowed to ride in automobiles except those driven by housing parents or school-authorized staff. Students must wear seat belts at all times. Students are not allowed to drive a car in another town while traveling for the school district.

Traveling students who violate laws or school rules may be sent home by the first available transportation, at the students' own expense.

Students may, at the reasonable discretion of the Superintendent, be disciplined for behavior prohibited by student discipline rules as mandated by ASAA, that occurs on or off campus any time of the year if the behavior is either related to school or school activities or is likely to affect student safety or welfare or disrupt the orderly educational process in the District. To the extent appropriate, the Superintendent shall follow the Discipline Chart for Extra-Curricular.

TOBACCO, ALCOHOL, DRUGS (T.A.D.) – Extracurricular (PCSD BP 5131.6)

An extracurricular student who receives an alcohol or drug citation shall promptly notify the activity director or principal. Any extracurricular student who fails to do so may forfeit their reduction option or be subject to further disciplinary action once the school learns of the offense. All student(s) and parent(s)/guardian(s) are required to attend the ASAA TAD Introduction Session once (1) per calendar year in order to participate in any practice for any activity.

Determination of Violations

A student is determined to have violated the T.A.D. policy if they use, possess, sell or furnish tobacco, alcohol and/or illegal substances, receive a citation from a law enforcement officer for alcohol or illegal drug violations, or is observed by a Petersburg School District staff member using, possessing or selling tobacco, alcohol and/or illegal substances. Observation by a staff member via the internet, video, picture or other media will be considered. This policy is in effect during the current Alaska Schools Activities Association (ASAA) Calendar year that begins with the first day of Cross Country and the last calendar day of Baseball for that current year. For example, the enforcement period for the 2025-2026 calendar year begins July 30th, 2025 and will end June 6th, 2026.

A member school's determination that a violation has occurred and its imposition of penalty may not be appealed to ASAA. If a member school or member school district reverses a determination of violation, it shall promptly notify ASAA of such reversal. Violations and penalties are to be based upon noncompliance with the policy by the student participant, by the student's parents/legal guardians, or both, provided however, that where a violation is based solely upon action or inaction of the parent or legal guardian and not of the student participant, under circumstances completely beyond the control of the student and where it would be manifestly unfair to disqualify the student on this ground, the member school may, at its discretion, withhold imposition of a penalty against the student.

First Offense

The student will be suspended from interscholastic competition for 30 calendar days (as defined in the discipline chart). The student and parent/guardian must complete ASAA's T.A.D. First Offense educational component before the student may return to practice. The suspension may be reduced to 15 days if the student additionally completes 15 hours of community service.

First Offense – student self-report

If the student self-reports a personal violation of the tobacco, alcohol or drug policy before the district otherwise learns of the student's actions, and the student did not receive disciplinary action from school officials or law enforcement officers, the district may reduce the first offense suspension to a minimum of 10 calendar days. To regain eligibility, the student must complete all requirements of a first offense violation as stated above and in the chart.

First Offense violation during travel on school-sponsored trip

The student will be suspended from interscholastic competition for 90 calendar days (as defined in the discipline chart). The student and parent/guardian must complete ASAA's T.A.D. First Offense educational component before the student may return to practice. The suspension will be reduced to 45 days if the student additionally completes 15 hours of community service.

Second Offense violation during travel on school-sponsored trip

The student will be suspended from interscholastic competition for 180 calendar days (as defined in discipline chart). The student and parent/guardian must complete ASAA's T.A.D. Second Offense educational components before the student may return to practice. To regain eligibility, the student must enroll and actively participate in Risk Reduction Counseling Assessment program through a certified provider at the student's expense and write an essay on what they learned about the experience. The suspension will be reduced to 90 days if the student additionally completes 20 hours of community service.

Third Offense

The student will be suspended from interscholastic activities and practice for one (1) school year. Both the student and parent/guardian must complete the Third Offense educational component prior to the student's return to competition. While under the period of suspension, the student **may** return to practice after completion of the Third Offense educational

component. The student must enroll and actively participate in Risk Reduction Counseling Assessment program through a certified provider at the student's expense. A student may need additional days of practice before returning to competition (See Article 7, Section 7 of the ASAA Policy Manual). A student's suspension may be reduced to 180 calendar days by completing 30 hours of community service as well as meeting the following criteria only on a 3rd Offense: a) seek assessment and counseling/treatment from a local health care professional, b) successfully complete the recommendations of the care provider and submit a letter from the agency, c) demonstrate a commitment to remain substance free, d) make a presentation to the District School Board requesting reinstatement of interscholastic eligibility, e) notify ASAA through the school administration that all conditions have been successfully completed, and f) and request reinstatement from ASAA. *There is no reduction for 4th and further offenses.

Fourth Offense

The student's privilege to participate in interscholastic activities and practice is revoked for one (1) year. Both the student and parent/guardian must complete the 4th Offense educational component prior to the student's return to competition and there will be no forgiveness of calendar days of suspension.

In such case, penalties shall be imposed on the first calendar day following a determination on appeal that a violation has occurred. A student shall be considered ineligible during each calendar day in which a penalty is imposed.

TOBACCO VIOLATION CONSEQUENCES

All violations of only the tobacco policy by an extracurricular student will be subject to the ASAA T.A.D. policy minimum suspensions.

First Offense

The student will be suspended from interscholastic activities and practice for 10 (ten) calendar days (as defined in Section). Fifty (50) percent of the suspension will be forgiven if the student completes 15 hours of community service. The student may return to practice when the student and parent/guardian complete the First Offense educational component.

For tobacco use, if a student under the First Offense Penalty violates the Tobacco Rule within the 10 (ten) calendar day period of suspension, the student's period of suspension will start over again; the First Offense educational component will become mandatory, and no forgiveness will be granted. This process will continue until the student has demonstrated 10 (ten) calendar days without a subsequent tobacco violation.

A student who has not completed a suspension or re-suspension under the first Offense Penalty for violation of the Tobacco Rule does not become subject to imposition of penalties under a Second, Third or Fourth Offense for violation of the Tobacco Rule, until the student has completed all suspensions and re-suspensions under the First Offense Penalty for tobacco use. A student serving a First Offense Penalty under the Tobacco Rule is, however, subject to immediate imposition of a Second Offense Penalty to the extent this is based upon violation of the non-tobacco prohibitions under this Policy.

Second Offense

The student will be suspended from interscholastic activities and practice for forty-five (45) calendar days. Both the student and parent/guardian must complete the Second Offense educational component prior to the student's return to competition and there will be no forgiveness of calendar days of suspension. While under the period of suspension, the student may return to practice after completion of the Second Offense educational component. A student may need additional days of practice before returning to competition (See Article 7, Section 7).

Third Offense

The student will be suspended from interscholastic activities and practice for one (1) school year. Both the student and parent/guardian must complete the Third Offense educational component prior to the student's return to competition. While under the period of suspension, the student **may** return to practice after completion of the Third Offense educational component. The student must enroll and actively participate in Risk Reduction Counseling Assessment program through a certified provider at the student's expense. A student may need additional days of practice before returning to competition (See Article 7, Section 7 of the ASAA Policy Manual). A student's suspension may be reduced to 180 calendar days by completing 30 hours of community service as well as meeting the following criteria only on a 3rd Offense: a) seek assessment and counseling/treatment from a local health care professional, b) successfully complete the recommendations of the care provider and submit a letter from the agency, c) demonstrate a commitment to remain substance free, d) make a presentation to the District School Board requesting reinstatement of interscholastic eligibility, e) notify ASAA through the school administration that all conditions have been successfully completed, and f) and request reinstatement from ASAA.

Fourth Offense

The student's privilege to participate in interscholastic activities and practice is revoked for one (1) calendar year. Both the student and parent/guardian must complete the 4th Offense educational component prior to the student's return to competition and there will be no forgiveness of calendar days of suspension.

These are minimum penalties which may be increased by the member school or member school district, based upon (1) the nature of the violation, (2) the extent to which it occurs on school property or during school activities, and (3) the extent to which it arises in the context of the student's participation in interscholastic activities.

Penalties shall be imposed beginning on the first calendar day following a determination that a violation has occurred. An extra-curricular suspension shall not be postponed while awaiting an appeal hearing except to the extent a school's appeals policy permits a student to continue to participate pending final determination of any appeal filed by the student under such policy. In such a case, penalties shall be imposed on the first calendar day following a determination on appeal that a violation has occurred. A student shall be considered ineligible during each calendar day in which a penalty is imposed.

PHYSICAL EXAMINATIONS

Students must have a physical exam on file before participation in any athletic activity. Students who participate in extracurricular activities are required to have some type of health insurance. Forms are available at the office for purchasing student accident insurance.

NOTE: No participant may participate in the first competition or event until all fees and forms are submitted and has attended the ASAA TAD INFORMATIONAL SESSIONS.

FEES AND TEXTBOOKS

Student fees are collected each year. The basic fee includes a yearbook and admission to all the regular home sports events. Certain subjects within the curriculum also have a required student fee. These fees are collected at the school office.

Students are issued textbooks and all books are identified by the book number and the student's name. It is the responsibility of the student to return the book in good condition with allowance made for general book wear and depreciation. The student is responsible for paying established fees for book damage or loss. Grade cards and/or transcripts will not be released until all fines or fees are paid.

Students are issued laptop computers for their use 24/7 and will be required to pay the insurance fee annually. Students are expected to treat the laptop computers as if they were their own. Gross negligence on the part of students for damage to the laptop computers will result in additional fees. See the technology use policy.

A complete schedule of student fees can be found in the school office or be accessed on the school district website.

FIRE DRILLS

Required fire drills are held monthly during the school year.

SIGNAL: A continual sounding of the fire alarm is the signal to exit immediately

PROCEDURE: Upon hearing the alarm, rise and leave the room briskly and in an orderly way. Form a line and file outside the building according to the instructions of the teacher. When outside, be alert to further instructions so that fire lanes may be kept clear. Return to class at a signal from the principal or teachers.

GRADUATION REQUIREMENTS

The following program meets the requirements for graduation at PHS. Students are required to complete a minimum of eight semesters (or the equivalent) of high school work as well as the following:

English	4 credits	(1 credit each year for 4 years)
Science	*3 credits	(1 credit each year of 9 th & 10 th Biology and Intro to Chemistry recommended; with one additional science elective)
Math	3 credits	(in grades 9, 10 and 11 recommended)
Social Studies	3 credits	(1 credit each for US History and World History, ½ credit for Alaska History and ½ credit for American Government.)
P.E.	1 credit	(½ credit allowed for participation in district-funded extracurricular sport or approved dance program, Viking Swim club or other school-approved activity program beginning in grade 10. Participation in two such activities will be required to earn ½ credit)**
Health	½ credit	
Electives	<u>9.5 credits</u>	
TOTAL CREDITS	24	

*Note: the graduation requirement for 3 science credits will begin with the Class of 2027, all prior graduating classes will be grandfathered into the 2 science credit requirement.

**To be approved, the dance program must meet the following criteria:

- established program for three (3) years
- taught by a qualified and recognized instructor
- holds a public performance
- willing to participate in granting credit option and to follow school requirements for participation
- willing to document minimum of 75 hours of physical activity

The Superintendent may recommend to the Board that the eight-semester attendance requirement be waived in the case of students who have completed all requirements for graduation. Early graduation requires approval of the School Board on an individual basis. The student requesting early graduation must have an education plan filed with the Board.

For existing high school students, the selection of Valedictorian, Salutatorian, and Historian will be determined at the end of the 2nd semester of the graduating class's senior year. The student with the highest GPA, carried out to the ten thousandths decimal place, will be selected as Valedictorian and the student with the next highest GPA will be selected as the Salutatorian, and the student with the next highest GPA will be selected as the Historian. If there is a tie in GPA, more than one Valedictorian, Salutatorian or Historian will be selected. The selection for Valedictorian, Salutatorian, and Historian will be determined based on a weighted grade point scale. (AR 5127)

Students need 24 credits to graduate. Students will not be allowed to participate in the graduation ceremony unless they have successfully completed all requirements. Students graduating from a non-district sponsored homeschool program are not eligible to participate in the graduation ceremony. In order to participate in the graduation ceremony, a student must be enrolled as a student in Petersburg School District. (BP 5127)

Study Hall classes do not receive credit. Resource classes are on a Pass/Fail grading scale.

Recognizing that the graduation ceremony is a school-sponsored, community celebration, student attire must comply with current district policies. This includes language and images on the graduation hat, gown and visible clothes worn underneath the gown must be in compliance with school policies. Violations will result in district staff requiring removal of the hat/gown prior to the graduation ceremony and replacing it with non-decorated attire.

All transfer of credits to Petersburg High School must come from a school accredited by AdvancED, the only body to be recognized by the State Department of Education and Early Development (DEED). Credits from alternative educational programs must fit the adopted statutory definition, in AS 14.30.365 (c) (1), of "alternative education program" as a public secondary school that provides a nontraditional education program, including the Alaska Military Youth Academy; a public vocational, remedial or theme-based program; a home school program that is accredited, as defined in this section; a charter school authorized under AS 14.030.250-14.03.290; a statewide correspondence school that enrolls students that reside outside of the district in which the student resides and provides less than 3 hours a week of scheduled face-to-face student interactions in the same location with a teacher who is certified under AS 14.20.020

GUIDANCE PROGRAM

A counselor is available to assist all students with personal and school problems and to assist them with educational and vocational planning. However, he/she will not choose a program for you. The final choice must rest with the parent and student. Some examples of how the counselor can help you are as follows: class scheduling, job exploration, post-secondary training selection, information on financial aid, planning for careers and life work, and personal social issues.

PHS classes are designed for classroom participation, not individual study. The superintendent or designee may allow home study programs based on PHS classes, if warranted.

Students may elect any course, for which they are otherwise qualified, without regard to race, color, creed, sex or handicap. Questions regarding discrimination should be referred to the Title IX and section 504 coordinator/Director of SPED Services.

GUN FREE SCHOOLS

By state law, any student who is determined to have brought a gun or other firearm to a school in the district shall be expelled from the district for a period of not less than one year. The Board may, on its own initiative or on the recommendation of the Superintendent, modify the expulsion requirement on a case-by-case basis. The term "firearm" means a firearm as defined in Section 921 of Title 18 of the United States Code and includes bombs and other incendiary devices. The term also includes parts from which a firearm may be assembled.

HALLWAY BEHAVIOR

Students are to be in the classroom or library when school is in session unless they have permission from the teacher. Those who receive such permission for a good reason are expected to be quiet while in the halls. The school is not an appropriate place to show intimate affection.

HARASSMENT

All students and staff have a right to a safe educational environment. Sexual harassment interferes with this right and will not be tolerated. Sexual harassment is specifically prohibited by state and federal law. Harassment includes unwanted sexual comments and behaviors, as well as racially or religiously oriented remarks and other behaviors that prevent a student from being comfortable in their school environment. Harassment may be directed toward persons of the same or opposite sex. Concerns about harassment should be brought to the attention of a teacher, counselor or principal so that appropriate action can be taken.

HELP FROM TEACHERS

Teachers will be glad to assist students who are having difficulty with their courses; however, it is the student's responsibility to ask for help and obtain make-up assignments. Teachers are available before and after school and by appointment. One may ask for additional help or tutoring from our special services teacher.

HONOR ROLL

An honor roll will be calculated at the close of each semester. A student must have an average of 3.3 or higher to be eligible. High honor roll is considered 3.5 and above and certificates will be issued for this achievement. Students must be enrolled in a minimum of six classes at PHS to be eligible for honor roll. A "D" in any class disqualifies a student for honor roll.

IMMUNIZATIONS and HEALTH SCREENINGS

State law requires that students complete their immunization program before being allowed to attend school.

All students may be screened for health statistics (such as height and weight) every school year, performed by a certified nurse, typically the school nurse, if applicable. All results are confidential and are only reported by student number to the state. Parents or students who wish to not have health screenings done at the school must notify the office staff.

LATE/MISSING WORK

Timely completion and submission of school work are essential components of the educational process and help to prepare students for future academic and professional success. This policy applies uniformly to all students and classes.

Assignment Deadlines: Each teacher will establish specific deadlines for assignments. This will be stated when the assignment is given.

Late Submissions: Assignments submitted after the established deadline will be considered late/missing.

Gradebook Entry: A grade of “zero” (0) will be entered into the PowerSchool gradebook for all late/missing work. This reflects the student’s current grade without the late/missing work.

Late Work Penalties: Assignments submitted up to 5 school days late will receive a maximum of 80% of the total possible points. Assignments submitted between 6 and 20 school days late will receive a maximum of 50% of the possible points. Assignments submitted more than 20 school days late will not receive credit.

Gradebook Indicators: Late or missing work will be clearly flagged in the PowerSchool gradebook to inform students and parents.

Academic Quarter Deadline: The end of the academic quarter is a hard deadline for all quarter work unless an appeal has been granted for extenuating circumstances by administration as outlined below.

Appeals Process: Exceptions for unusual circumstances must be appealed to the administration in writing by the student and/or teacher. A decision on the appeal will be provided by administration to the teacher and student within one calendar week of the appeal submission. During the appeal process no additional penalties will be applied to the work.

LENGTH OF SCHOOL DAY

Classes at Petersburg High School begin at 8:00 A.M. Monday through Friday and conclude at 3:00 P.M. Monday through Thursday. Students will be released at 1:30 P.M. on Friday.

LIBRARY

Our library supports the curriculum of the middle school and the high school. It is part of the Alaska Library Network and is connected electronically to the Petersburg Public Library. A common library card serves both facilities. The library houses a collection of books, periodicals, non-print media and audio-visual equipment.

The librarian maintains a study atmosphere in the library and all students are encouraged to use the library any time during the school day. There are no fines. Library check-out privileges may be suspended until overdue books are returned. Students are responsible for material they check out and must pay replacement costs of lost or damaged materials.

LOCKERS

Every student is issued a locker and combination on the first day of school. Personal valuables can be checked into the office to be kept secure. The high school accepts no responsibility for theft from lockers.

Your lockers are not your property. They may be inspected periodically.

MOTOR VEHICLES

Angled parking on Charles W. Street is reserved for school employees.

Students are not allowed to park in visitor parking in front of the school during the school day.

All drivers must take great care when parking and driving near the school.

Weapons, including guns, are not allowed in parked vehicles.

Remember that very small children are walking in the area and they are especially difficult to see; please, drive slowly and cautiously.

Student-operated vehicles may not be used to travel to and from off-campus class activities without signed parent permission on file in the principal's office. Cases of speeding or reckless driving and improper parking will be reported to the police department. When a student parks his/her vehicle, it should be locked. The school assumes no responsibility for vehicles or their contents. Moving violations in the school zone have the consequence of double the fines and points. Illegally parked vehicles may have a district parking boot placed on the vehicle’s wheel. Students will receive one warning, then the fine to remove the district parking boot is \$85.00, to be paid at the district office.

NATIONAL HONOR SOCIETY

Seniors, juniors and sophomores with a 3.6 grade point average are eligible for selection. Selection is also based upon leadership, service, and character. Members must maintain the high standards which warranted their election or they will be dropped from the society. National Honor Society members are expected to take challenging math, science, and English classes each year.

NONDISCRIMINATION POLICY

Petersburg School District does not discriminate on the basis of age, gender, race, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability or any other unlawful consideration. In providing educational services, activities, and programs, including vocational and career technology education programs. Petersburg School District complies with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; Title II of the Americans with Disabilities Act of 1990 ("ADA"), as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975, as amended; and any other legally-protected classification or status protected by applicable law. Any questions or concerns about Petersburg School District's compliance with these federal programs should be brought to the attention of the following persons designated as being responsible for coordinating compliance with these requirements:

For more information regarding accommodations, civil rights or grievance procedures, contact: Superintendent Taylor at (877) 526-7656, Petersburg School District, 201 Charles W. St., PO Box 289, Petersburg, Alaska, 99833.

For more information regarding Title IX regulations or to file a grievance contact. Mara Lutomski, Title IX coordinator at 877-526-7656 x100 Petersburg School District, 201 Charles W. St. PO Box 289, Petersburg, Alaska, 99833.

Petersburg School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

PART-TIME ENROLLMENT

Students who are enrolled in another school as their primary school may also enroll at Petersburg High School, if space is available in the desired classes. Part-time students will enroll after all full time students have registered. Continued enrollment in classes by part-time students will be predicated on academic performance and attendance. Failure to attend regularly and meet minimum academic requirements may result in students losing the opportunity to occupy seats in classes.

Students at PHS may register for dual enrollment with other accredited schools with the principal/counselor approval. Correspondence classes should be scheduled outside the regular school day. Student requests for correspondence study during the school day at Petersburg High School will be considered only if the student is a junior or senior, and has the principal's permission. Exceptions may be made with administrative approval. Distance delivery instruction as a way to expand and enrich PHS existing curriculum and/or to provide opportunities to make up credits needed for graduation, require principal/counselor approval. Students enrolled in distance delivery classes need to pay close attention to timelines and due dates in order to complete courses in a timely manner; a semester class must be completed within a semester.

Part-time students will need to request to attend school day activities outside of their scheduled enrollments. Additional criteria may apply to participate in these events.

Senior students on track for graduation may request to be released from a period of the scheduled day. A plan with parent/guardian approval will need to be approved by the principal. The maximum number of released periods is three.

PASS/FAIL CLASSES

There are PHS classes that are offered as Pass/Fail meaning the recorded grade will be a P for Pass or an F for Fail. These courses may receive credit but are not calculated into the Grade Point Average.

Study Hall is a non-credit earning class.

AP Study Release is a non-credit earning class.

Resource is a credit based study hall class. Students with IEP can earn up to .5 credit per class for a maximum of 2 classes per semester depending on needs and prior discussion. Students on a 504 plan can earn up to .5 per semester. This is a Pass/Fail grade contingent upon time use during classes.

Students enrolling in Elementary Tutor will need to complete an application and return to the counselor prior to the start of the semester. A student's first year of Elementary Tutor is a credit-earning class with a Pass/Fail grade contingent on completion of assignments. In order to participate in successive years, students will need to enroll in and complete the Educator's Rising course, or other Child Development course. The student would then receive a letter grade and .5 credit for the additional course and a Pass/Fail grade and .5 credit per semester for the Elementary Tutor course. Students enrolled as a Teacher's Aide may receive .25 credit per semester with a Pass/Fail grade. Students interested in Business Co-op will need to complete an application with their employer and parent/guardian and return it to the principal and counselor prior to the start of the semester. Students may be enrolled in no more than 2 periods per semester in this credit earning course.

PBIS

PBIS (Positive Behavior Interventions and Supports) is a school-wide, proactive approach, which emphasizes the instruction of social skills, data-based decision making, and the prevention of problematic behavior. While fostering positive behaviors and interactions, PBIS also improves academic performance. The most important part of PBIS is teaching expected behaviors. This is accomplished by utilizing a school-wide matrix of behaviors, which encompasses the three main expectations of Petersburg School District -- Be Safe, Be Respectful, and Be Responsible.

PHYSICAL EDUCATION AND ATHLETICS HEALTH RESTRICTION

A student who has been removed from participation in physical education class, an athletic practice or game for serious physical injury or medical condition by a supervising adult (i.e. coach, parent, athletic director, etc.) may not return to play until the student has been evaluated, diagnosed and cleared for participation by a licensed practitioner, which may be:

1) A health care provider licensed in Alaska, or exempt from licensure under Alaska law (AS 08.64.370(1), (2), or (4),

OR

2) a person acting at the direction and under the supervision of a physician licensed in Alaska, or exempt from licensure.

If your child has a diagnosis that may restrict or limit his/her activities in physical education, then your child's doctor must fill out a Release From School form and have it submitted to the school office at the beginning of the school year or prior to the beginning of the next school day. The doctor must specify the amount of time this form is valid. Note that a student who is unable to participate in physical education is not able to participate in interscholastic sports and may be excluded from certain field trips.

The following health conditions may require a completed Release From School form:

- Asthma
- Heart Conditions, including murmurs
- Orthopedic problems
- Cerebral Palsy
- Seizure Disorder
- History of head injury, dizziness and/or fainting
- Any other disease/illness that may restrict physical activity.

During the school year, your son/daughter may sustain an illness or injury that will require your child to be excluded or restricted from participating in physical education and interscholastic activities. All notes from a medical professional or parent must be brought to the school office for your child to be excused from gym. Petersburg School District limits parent excuses to 3 days for each quarter in the MS and 3 days per semester in the HS. Students requiring more than the above exclusion/restriction must bring in a doctor's note to be excused (see above). Additional excused days of physical education may be required to be made up with the PE teacher.

Parents who are a licensed practitioner cannot excuse their own child, as legal documentation must come from a third party medical professional.

POST HIGH SCHOOL EDUCATION

Information about colleges, technical and vocational schools is available in the school counselor's office. Together with your parents and the school counselor, you should begin planning for your future. For those who plan to continue their studies after high school graduation, there are a number of scholarships and student loans available to help you

financially. These financial aids are announced in the early spring, and it is the student's responsibility to apply for this assistance. Parents and students should begin this process at least during the student's junior year in high school.

POWERSCHOOL

Petersburg High School can provide parents and students access to current grades and attendance through the Internet. The following website will allow you access to your information: <http://pcsd.powerschool.com/public/home.html> For security purposes, parents and students are assigned unique usernames and passwords for each individual student at PHS. To receive your ID and password, contact the high school office.

PROGRESS REPORTS IMPROVEMENT NOTICES

A progress report is sent home every mid-quarter (four to five weeks) to the parents of those students whose work is failing or near failing. The purpose of this notice is to notify the student and parent that the course work is below par and that additional work will be necessary on the part of the student in order to prevent failing. Limited tutorial help is also available to students. All students involved in extracurricular activities will have their grades checked regularly by the coaching staff, in addition to every mid-quarter as well. Student's grades and course progress may be checked anytime via Powerschool student information system at www.pcsd.powerschool.com

Improved work notices may also be sent to the parent of students whose work has improved. Through this notice a teacher can express his/her congratulations and encouragement to the student in hopes that the student will continue in this manner.

REPORT CARDS AND GRADING SYSTEM

Report cards are issued every nine weeks. These cards should be shared and discussed with your parents. It is not necessary to return these cards to the school because you will receive a new card at the end of each nine-week period. Our grading system is as follows:

<u>Standard 4.0 Scale</u>		
A	(93-100%)	4.0 grade points
A-	(90-92%)	3.7
B+	(87-89%)	3.4
B	(83-86%)	3.0
B-	(80-82%)	2.7
C+	(77-79%)	2.4
C	(73-76%)	2.0
C-	(70-72%)	1.7
D+	(67-69%)	1.4
D	(63-66%)	1.0
D-	(60-62%)	0.7

F	Failing	0
I	Incomplete	0
NG	No Grade	0
M	Insufficient data/credit by another institution	
P	Passing (with Credit)	0
W/P	Withdraw/Pass (no credit)	0
W/P	Withdraw/Fail (no credit)	0

<u>Advanced Placement 5.0 Scale</u>		
A	Outstanding Achievement	5.0 grade points
A-		4.7
B+		4.4
B	Above Avg. Achievement	4.0
B-		3.7
C+		3.4
C	Average Achievement	3.0
C-		2.7

Grade Point Averages (GPA) will be calculated using a 4.0 scale. For purposes of GPA, Advanced Placement (AP) courses will be calculated on a 5.0 scale if students complete the course in good standing (70% or higher) and take the AP exam associated with the course. GPA will include plus and minus grading on a student's transcript. Student transcripts include both a weighted and unweighted GPA.

A student may take one elective course on a pass/fail basis each semester (does not include courses required for graduation, such as American Government, English I, etc.) The pass/fail grade will not be used in the computation of your grade point average. Such an election must be made and the teacher and the counselor notified within the first two weeks of the course. An Incomplete grade must be made up within two weeks. If not made up within two weeks after the end of the term, an incomplete will be assigned the grade that indicates the student's earned progress during that term. Classes taken for credit recovery can only receive a maximum grade of Pass or Fail.

RE-TAKING A CLASS

Secondary Credit Recovery/Retake Programs

The recovery of credit for secondary students is essential to fulfill graduation requirements and meet prerequisites for moving into more advanced classes. The following multi-option program identifies the acceptable options for students to progress successfully in their educational journey through credit recovery and retaking courses. Students wishing to retake a course must fill out a Course Retake Form with administration.

Option One: Class Repetition

Students may repeat a complete course to raise an existing grade.

This requires:

- Adding the course to their regular class schedule
- Completing all course work as designed by the course instructor
- Receiving a higher grade than previously attained

As a result of using this option, students will receive credit and GPA adjustments according to the performance achieved in the second attempt. For example, the student scores a “C” letter grade in the second attempt at the course. This would replace the existing “F” on their transcript and would add the corresponding grade points into their cumulative GPA. Students do not need to fail a class to choose to retake the class for a higher grade.

This option is available only once.

Option Two: Pass/Fail

Students complete the failed portions of the class.

This requires:

- Students to attend credit recovery sessions until all work is completed within a predetermined time frame.
- Students who complete the areas of the class that they fail will receive a “Pass” grade on their transcripts
- The Pass, or P, grade on the transcript would grant credit towards graduation or advancement but would not add points to the GPA
- The previous class would remain on the transcript as an “F” and would impact GPA.

As a result of using this option, students will receive credit according to the performance achieved in the second attempt. There would be no effect on GPA or GPA related eligibility.

Option Three: Approved Correspondence Courses (including PHS Independent Study)

Students complete an entire replacement course from a district approved correspondence program.

This requires:

- Purchasing the course using personal funds
- Completing the course within a predetermined time frame.
- Completing all course work as designed by the vendor
- Receiving a higher grade than previously attained

As a result of using this option, students will receive credit and GPA adjustments according to the performance achieved in the second attempt. For example, the student scores a “C” letter grade in the second attempt at the course. This would replace the existing “F” on their transcript and would add the corresponding grade points into their cumulative GPA. However, in cases of a tie in class ranking, the student who retook a class will receive the lower ranking.

It should also be noted that students are given credit and a grade each time they take repeatable classes (i.e., band, physical education, chorus, etc).

SAFE SCHOOLS AND CRISIS RESPONSE

Students need to feel safe within their school. The District has a crisis response plan. Procedures are in place for a response to threats of attack, shooting in the school and hostage situations as well as other dangerous situations, including a death. The response team consists of staff, parents, students, police, clergy, and social service professionals.

Students who are aware of plans that would endanger any member of the school community or school property should contact the principal or Superintendent immediately to let them know about the situation. A student should never hesitate to contact school officials or Crime Stoppers (772-7463) with knowledge concerning threats towards another student, staff member or the school buildings. What one student may believe to be an insignificant threat could, in actuality, be the only information known to prevent a tragedy. Students sharing information with school officials can know that their efforts will be respected and valued even if the threat proves to be uneventful.

EMERGENCY PROCEDURES and Emergency Commands:

A.L.I.C.E. is a school safety program created in the year 2000 to offer additional options to students and staff in dealing with an armed intruder situation. Two of the individuals who founded and developed the program are long-term law enforcement professionals. A 30-year educational professional is a member of the team and works to ensure that A.L.I.C.E. teaching/training materials are age-appropriate, psychologically sound, and address the issues of individuals with special needs.

A.L.I.C.E. is an acronym that stands for:

ALERT: Get the word out that a threat exists.

LOCKDOWN: Secure a place to stay as much as possible as a starting point to buy time.

INFORM: Give constant, real-time information throughout the building using all available technology.

COUNTER: This is a last resort. Individuals are unable to escape. Countering may be as simple as creating a distraction to allow opportunities to escape.

EVACUATE: The goal is to move students out of the danger zone. It's important to be prepared to escape.

Traditionally, schools have used a procedure known as "lockdown" which essentially means locking the school building and classrooms and having students and teachers take shelter in their classroom. We believe that offering additional age-appropriate options will allow our students and teachers to be better prepared if a crisis situation occurs. Providing a constant flow of information to everyone in the building can allow opportunities to safely evacuate the building. An important goal of the A.L.I.C.E. program is to evacuate as many people as possible to a safe place.

SIGNAL: A repeating two-toned sounding of the alarm is the signal for students to quickly enter the nearest classroom.

PROCEDURE: Once within the classroom, students should follow the teacher's directions for lock down procedures

SCHEDULING OF CLASSES

All students must enroll in seven (7) classes each semester of the school year, unless approved by the principal.

Withdrawing from a Class: A student who drops a course during the first two weeks of the semester may do so without any entry on his/her permanent record card. A student who drops a course after the first two weeks of the semester shall receive an W/F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances. Students wishing to withdraw from a class need to complete a Course Withdrawal Form with administration.

Teacher's Aide Credit: Most classes earn one credit for a year's work. A Teacher aide earns ½ credit for a full year's time, and can only be taken twice during a student's school career, unless approved by the principal. Only Juniors and Seniors are eligible to request a teacher aide position with approval by school administration. Students who desire to be a teacher aide must have C's or better in all classes on their last semester grades.

SCHOOL CALENDAR

All approved student activities must be placed on the school calendar in the office a minimum of two weeks in advance of the scheduled date. Activity Request forms are available in the office. Forms must be completed and signed by an advisor and the principal and returned to the office two weeks prior to the event.

SEARCH AND SEIZURE

BP 5145.12

All lockers and other containers provided to students by the District are owned, supervised and controlled by the District. Lockers and other District-provided containers are subject to search by the Superintendent, or designee, who may authorize a District employee to search them at any time. Authorization to search is specified in school board policy. No decorations allowed on the outside or inside of the locker unless approved by the office.

Any District administrator may conduct searches when there are reasonable grounds or suspicion that the search will uncover evidence that the student is violating the law or the rules of the district or the school. The use of drug-detection dogs and metal detectors, or similar detection devices, may be used upon express authorization of the Board/Superintendent.

The Superintendent or designee may request a drug test from a student, if they have reasonable cause to suspect that the student is under the influence of alcohol or a controlled substance not prescribed as required by law. A student's failure to comply upon request pursuant to this policy will be used as evidence against the student in a disciplinary proceeding and will subject the student to other sanctions by board policies and school rules.

Items discovered in the course of a search that are illegal or violate school or district rules shall be seized. If the seized item is not illegal to possess, but is prohibited on school grounds, the item may be returned to the student's parent(s) or guardian at the end of the school day. If the item is illegal to possess, the Superintendent or designee may direct that the item be surrendered to police.

A reasonable attempt will be made to notify the student's parent(s) or guardian before a search has taken place, if practical. If prior notification is not practical, a reasonable attempt will be made to notify the student's parent(s) or guardian after a search has taken place. The notification shall include the reason for the search and the nature of any contraband discovered.

SENIOR WORK COMPLETION DEADLINE

Graduating seniors/students for the class of 2026 must complete and submit all course work to fulfill graduation requirements by May 27th, 2026 by 4:00 PM. This allows teachers to complete grading and for all aspects of graduation ceremonies to be finalized.

SEXUAL HARASSMENT

The Board shall not tolerate the sexual harassment of any student by any other student or any district employee. Any student or employee who is found guilty of sexual harassment shall be subject to disciplinary action.

Students or staff should immediately report incidences of sexual harassment to the principal or designee. The Superintendent or designee shall promptly investigate each complaint of sexual harassment in a way that ensures the privacy of all parties concerned. In no case shall the student be required to resolve the complaint directly with the offending person. BP 5145.7(a). Sexual Harassment complaints shall be reported to the Title IX Coordinator Mara Lutomski at titleix@pcsd.us

STUDENT COUNCIL

The student council is a learning opportunity for PHS students to develop and promote commitments to citizenship, scholarship, leadership, human relations and cultural values. The student council teaches and provides the means through representative government to develop decision-making skills. Classes report their activities and concerns through their elected representative to the council. Council activities and decisions are in turn reported back to classes, organizations and faculty. Decisions and requests of the student council are communicated to the administration, faculty, and school board through the student council school board representative.

The student council is made up of elected Associated Student Body Officers (president, vice president, secretary, treasurer, sergeant-of-arms (ASB Executive Board), city council representative, school board representative, curriculum steering committee representative, library board representative, parks and rec representative, public safety representative), the president and class representative for each class. Student council meetings are scheduled monthly or more regularly.

An agenda will be prepared by the president prior to meetings and Robert's Rules of Order are followed during meetings.

Petersburg High School follows an opt-out policy. Student work, photographs, video images, and/or recorded statements may be posted on District websites, social media pages, and other electronic media to highlight student achievements or showcase educational experiences.

Please complete the online opt-out form if you prefer to opt your student out. This will exclude your child and

their work from being posted on the District's website (PCSD.US), Facebook, Instagram, and Twitter. Please note that only first names will be used in posts.

The opt-out form is available at the website address- <https://www.pcsd.us/page/optout> or scan the following QR Code with your smart device-

Release of Information to military recruiters

The federal Elementary and Secondary Education Act requires all local education agencies to provide to military recruiters, upon their request, the name, address and telephone number (including unlisted number) of secondary school students. Although military recruiters focus their efforts on high school juniors and seniors, the law allows for the gathering of this information from the broad category of "secondary" students, defined as students in grades 7 through 12. If any secondary student or the parent/guardian of a secondary student does not want the District to provide the requested information to military recruiters, the secondary student or the parent/guardian must "opt out" of providing such information by submitting a signed, written request to this effect.

Institutions of Higher Learning information release

The Every Student Succeeds Act of 2015 (ESSA) requires all local education agencies to provide to institutions of higher education, upon their request, the name, address, and telephone number of secondary school students. Although post-secondary institutions/ schools focus their efforts on high school juniors and seniors, the law allows for the gathering of this information from secondary students. If any eligible student (18 years of age) or the parent/guardian of a secondary student does not want the District to provide the requested information to institutions of higher education, the secondary student or the parent/guardian must "opt out" of providing such information by submitting a signed, written request to this effect.

STUDENTS' RIGHTS, RESPONSIBILITIES and GRIEVANCE PROCEDURES

PHS students have the right to learn in school without interruption. Any school attempting to serve the needs of hundreds of individuals must, in order to protect the rights of all, establish guidelines so that all will know how to pattern their behavior. Many rules are unnecessary if members of the organization keep in mind their purpose for being here and are considerate toward the rights of others. Honesty, fairness, ambition and understanding are character traits that we should continually work to develop.

Students are guaranteed the right to appropriately express themselves, conduct meetings and carry out actions in accordance with the democratic process, and through the student council organization which has been established for the purpose of learning and practicing this process.

Care and respect for the physical condition of the buildings and grounds are the responsibility of us all.

School rules have been made to protect every student's right to learn. If a student breaks a school rule, it means they are interfering with the right of others to learn. Remember that a lot of thought has gone into making school rules. They have not been made to upset students or to make adults happy. They are there for student protection!

All school rules are related to law that guarantees a free, public school education to all people ages seven through sixteen. No one can take that right away from students without a good reason. Such "good reasons" are related to behavior. If students behave in a way that endangers other people, their right to a free education can be taken away. Also, if students interfere with the education of others, their rights can be taken away.

Principals, teachers and staff have the responsibility to keep the school safe and secure. Students have the responsibility to always behave in a safe and secure manner. When student behavior is not responsible, consequences result.

If there are any questions relating to student rights, contact the principal. Petersburg Schools are committed to providing

an effective means for parents and the community to voice concerns and complaints. In general, the complaint should be received and addressed at the level closest to which the complaint originated. For example, if it involves a teacher, first talk to that individual. If you are still concerned, talk with the principal. Then if you are still concerned, make an appointment to talk with the Superintendent.

A grievance as defined herein is a written complaint, registered by identifiable individuals, involving an alleged violation of the Federal laws or regulations governing Title IX, Section 504, and Title II by the local educational agency. A grievance is a formal complaint regarding specific decisions made by school personnel. A grievance may be submitted in specific circumstances such as when a student or parent believes that board policy or law has been misapplied, misinterpreted, or violated. Any claims of discrimination on the basis of race, color, national origin, sex, pregnancy, religion, age, or disability also may be submitted as a grievance.

The Petersburg School District recognizes that in accordance with Title IX of the Educational Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, a procedure is required whereby parents, employees and students can be assured of a prompt and fair disposition of their grievances.

A grievance must be filed as soon as possible but no longer than 30 days after disclosure or discovery of the facts giving rise to the grievance. A student who has a grievance must provide the following information in writing to the principal:

- The name of the school district employee or other individual whose decision or action is at issue;
- The specific decision(s) or actions at issue;
- Any board policy or law that the parent or student believes has been misapplied, misinterpreted, or violated; and
- The specific resolution desired

The right to file a complaint shall be afforded to any parent, employee, and/or student, and the general public and shall begin with a written statement by said parent, employee, and/or student alleging a violation of the Federal law or include, as a minimum, the following information:

- a. the name and address of the party or parties alleging the violation, and
- b. a description of the alleged violation of the Federal law or regulation by the local educational agency.

Persons who desire to register complaints relative to Title IX of the Educational Amendments of 1972 should direct these complaints or other inquiries to the Title IX Coordinator at:

Upon receipt of a complaint the, Petersburg School District shall adhere to the following procedures:

1. The principal shall investigate, except in situations related to Title IX incidents, the alleged violation and shall render a written resolution of the complaint in a prompt and thorough manner. Title IX incidents will be investigated by the Title IX investigator.
2. The principal shall provide an opportunity for the complainant or the complainant's representative, or both, to present evidence, including an opportunity to question the parties involved.
3. Upon receipt of the principal's resolution to the complaint, the party alleging the violation has the right to appeal this decision to the Superintendent within thirty (30) days. The superintendent will render a final decision within thirty (30) days from the date the appeal is received.

VISITORS

Adult visitors are always welcome to the high school if they are parents, guardians or are assisting a staff member. Visitors to the school must check into the office and get a visitor pass. They must have the principal's and teacher's permission before attending class.

WITHDRAWAL FROM SCHOOL

A student wishing to withdraw from PHS must inform the principal and circulate a withdrawal form, signed by the parent/guardian, to each teacher for signatures from whom the student is currently taking a course. The teacher will verify that books have been turned in and indicate the grade earned at the time of withdrawal. The librarian must also initial the withdrawal form to indicate that all books have been turned in to the library. All fines must be paid prior to withdrawal. Before a student withdraws, an exit interview with the school counselor and principal must be completed.

Transcripts will not be sent to other schools until the student has met all obligations to PHS. Students who plan to transfer to another school should notify the office so transcripts can be sent without delay.

ACTIVITY PROGRAM PHILOSOPHY

The activities/athletics program contributes to the district's educational objectives and a student-centered program at Petersburg High School and Mitkof Middle School. The activities program must be properly organized and efficiently implemented. When programs are well organized and efficient, the contribution to the personal needs of the students is enhanced.

Winning is a major objective in athletics as it is in society, and teams or performers should always strive to win within the framework and spirit of the rules of the game and the principles of good sportsmanship. Although winning in sports is a major objective and a tremendous motivating force at the time, it is not considered to be the goal of activity & athletic participation.

More important than winning is the growth that takes place in the participant. Participation in activities and athletics contributes to becoming a well-rounded citizen with a desire to achieve excellence, to live a more healthful and purposeful life, to respect the dignity of others, possess a willingness to make a personal sacrifice for the benefit of the team, and to live by a higher code of conduct.

ACTIVITY/ATHLETIC PROGRAM STATEMENT

The Petersburg School District Activities/Athletics Department inspires champions today and prepares leaders for tomorrow by providing an excellent environment allows student-athletes to achieve their highest academic, activity/athletic and personal aspirations.

Interscholastic athletic competition should demonstrate high standards of ethics, sportsmanship, and promote the development of good character and important life skills. The highest potential for this demonstration is achieved when participants are committed to pursuing victory with honor.

ACADEMIC/ELIGIBILITY REQUIREMENTS

BP 6145 Extracurricular and Co-Curricular Activities

The School Board recognizes that extracurricular and co-curricular activities enrich the educational and social development and experiences of students and shall annually adopt a plan for student participation in extra/co-curricular activities which does not compromise the integrity and purpose of the educational program.

Eligibility Requirements for Petersburg High School Students

In order to participate in extra/co-curricular activities, students in grades 9 through 12 must demonstrate satisfactory educational progress in meeting the requirements for graduation.

The Superintendent or designee may exempt from eligibility requirements extra/co-curricular activities or programs, which are offered primarily for the student's academic or educational achievement.

AR 6145 Extracurricular and Co-Curricular Activities - Petersburg High School

Students participating in any high school-sponsored activity must have no "F's" and/or no "D's" and/or no "I's" in any enrolled course on the most recent grade check in order to be eligible for competition and travel. A student who is deemed ineligible on their most recent grade check is ineligible for all travel, in-person competition, and any other interscholastic event for that grade check period.

Students receiving an incomplete will remain ineligible until it is replaced by a letter grade. Eligibility will be determined at the next scheduled grade check.

PETERSBURG HIGH SCHOOL ACADEMIC ELIGIBILITY CHECK POLICY

1. All students traveling as part of the PSD activities program must be grade eligible the Wednesday of the week prior to departure.
 - Activities Director or Designee will pull grades on Tuesday morning.
 - Students who do not meet the grade requirements will get a grade check sheet from the Activities Director or Designee.
 - Students must return the grade check sheet signed by the teacher no later than Wednesday at 3:45pm for eligibility. This includes home events.
2. If there are extenuating circumstances, the Principal may extend the deadline. The principal will document all incidences of extenuating circumstances. Under no circumstances shall an administrator, coach, or parent pressure a teacher to extend deadlines or certify eligibility for an ineligible player. A teacher may request that an administrator extend the deadline if that teacher is in the process of working with a student on their eligibility and feels that circumstances would warrant an extension.
3. The Superintendent or designee may revoke a student's eligibility for participation in extra/co-curricular activities when a student's poor citizenship is serious enough to warrant loss of this privilege.
4. The Activities Director will inform the coaches Wednesday evening if a player is ineligible for the next week's event.
5. Ineligible players may practice if approved by the head coach and administration.

Academic Eligibility Requirements for Mitkof Middle School Students

Middle School Athletic/Activity Eligibility grade checks will be performed weekly throughout the school year. Grade checks may be moved by the Superintendent or Designee in order to meet travel dates and competition dates.

Students that have earned any D's and/or F's and/or I's in any enrolled course during that grade check will be deemed ineligible to participate in any school-sponsored extracurricular and/or athletic events for the event in which the grade check is for. Students may re-gain eligible status by passing the next grade check that is scheduled. Students earning an I (incomplete) will remain ineligible until the incomplete is replaced with an A, B or C grade and/or products are completed.

A student attending a non-member charter school, alternative school or program (including district correspondence) during the first semester of ninth grade; and a student transferring from out-of- district who attends a non-member charter school, alternative school or program (including district correspondence) after the first semester of the ninth grade, must designate a member school within the district as the School of Eligibility.

3. A student attending a non-member charter school, alternative school or program (including district correspondence) whom wishes to change his/her School of Eligibility will be ineligible for Varsity, State Qualifying and State Championship interscholastic competition at the new School of Eligibility for one calendar year, from the start of the next semester at the new school of eligibility based on the date of receipt by ASAA of the Application for Changing School of Eligibility form. At schools with no sub-varsity teams, the student could ask for a waiver to participate on the varsity team during the regular season, but would not be able to participate at either conference or state tournaments.

C. Alternative Education Programs:

2. Students enrolled in an alternative education program, may participate in interscholastic activities when such participation is sanctioned or supported by this Association; is conducted outside of the regular school curriculum; and does not involve participation in student government at a school. Such students need not be enrolled in the member public, private or religious school in which they participate in interscholastic activity, except that
 - a. in order to participate in the All-State Music and Solo and Ensemble Music Festivals, such students must be enrolled in a corresponding music class at their School of Eligibility, at which they may be selected for participation through a competitive audition process, and
 - b. in order to participate in All-State Art or in the World Language Declamation Festival, such students must be enrolled in a corresponding class at their School of Eligibility. ASAA may waive the requirement for students enrolled in alternative education programs or in the event that the individual school of eligibility does not offer Music, Art or World Language classes.

4. Nothing in these Bylaws or in Association policies prohibits a member school or district from adopting a "fair share" policy as to the equitable charging of fees to alternative education program students who participate in the member school's or district's interscholastic activities.

D. For transfer purposes, a student establishes their "school of eligibility" by participating* in an interscholastic competition. *

Participating is further defined as: Having met the minimum eligibility requirements to participate in competition and at least one of the following:

1. Being entered in a score/record book
2. Recording an official time or score for the participant in an interscholastic competition

Additional Information on Student Eligibility (ASAA Policy):

A student is eligible to participate in the interscholastic activities of only one member school per year, except as provided under the Transfer/Residency Rule (Section 9). That school shall be considered the School of Eligibility. To establish their initial ASAA "school of eligibility", a student:

1. enrolled in enough courses to meet the current semester requirements at a member school, may only establish their "school of eligibility" at that school.
2. who is simultaneously enrolled (in enough courses to meet the current semester requirements) at more than one member school and who wishes to be eligible to participate in the interscholastic activities, must designate one of the members schools in which they are enrolled as the School of Eligibility.
3. who is simultaneously enrolled at one or more member schools (but not enrolled in enough courses to meet the current semester requirements at either member school), who wishes to be eligible to participate in the interscholastic activities of one of the member schools, must designate one of these member schools as the School of Eligibility.

5. or be enrolled in an alternative education program.

The School of Eligibility must ensure that the student meets all eligibility requirements before being permitted to participate.

A. To be eligible during a school semester for participation in interscholastic activities, a student must meet the following criteria:

1. Be properly registered in a 9-12 or 10-12 high school program or any combination thereof, at a member school where the student will participate or where authorized by a member district, be enrolled in the member district's non-member school or program (including district correspondence), when such district is paying the student

surcharge for that student or, in the case of students attending alternative education programs, be registered with their School of Eligibility.

ACKNOWLEDGEMENT FORM for COACH or SPONSOR

By signing the Acknowledgement Form at the end of this handbook (Appendix I), the coach or sponsor acknowledges receiving, reading, and abiding by the guidelines, regulations, and policies found in the Activities Handbook for Coaches and Sponsors.

ALCOHOL AND OTHER DRUGS POLICY (PSD BP 5131.6)

Because the use of alcohol and other drugs adversely affects a student's ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences, the School Board intends to keep district schools free of alcohol and other drugs. Alcohol, like any other controlled substance, is illegal for use by minors.

The Board desires that every effort be made to reduce the chances that our students will begin or continue the use of alcohol and other drugs. The Superintendent or designee shall develop a comprehensive prevention program that includes instruction, intervention, recovering student support, and enforcement/discipline.

The Superintendent or designee shall clearly communicate to students, staff and parents/ guardians all Board policies, regulations, procedures and school rules related to this prevention program. Special efforts shall be made to ensure that these materials are understood by parents/guardians and students of limited literacy or limited English proficiency.

Recognizing that keeping schools free of alcohol and other drugs is a concern common to the district and community, the Board supports cooperation among schools, parents/guardians, law enforcement and other appropriate community organizations involved in preventing alcohol and other drug abuse.

Interagency Cooperation for Student & Staff Safety

To obtain the widest possible input and support for district policies and programs, the Board shall appoint a district wide school-community advisory committee to make recommendations related to the prevention of alcohol and other drug abuse. The committee should make its recommendations based on input from students, parents, teachers, school administrators, and community members. The Board also encourages the use of site-level advisory groups in this area.

Instruction

The district shall provide preventative instruction that helps students avoid the use of alcohol or other drugs and teaches students how to influence their peers to avoid and/or discontinue the use of alcohol or other drugs. Instruction shall be designed to answer students' questions related to alcohol and other drugs. The instructional programs will help students obtain and use current and accurate information, develop and maintain a positive self-concept, take positive actions to cope with stress, and use appropriate social and personal skills to resist involvement with alcohol and other drugs.

The curriculum will be comprehensive and sequential in nature and suited to meet the needs of students at their respective grade levels. All instruction and related materials shall stress the concept of "no unlawful use" of alcohol or other drugs and shall not include the concept of "responsible use" when such use is illegal. The Board encourages staff to display attitudes that make them positive role models for students with regard to alcohol and other drugs. Staff should help students see themselves as responsible partners in efforts to maintain a safe, constructive school climate.

The Board recognizes that children exposed to alcohol or other drugs prior to birth may have disabilities requiring special attention and modifications in the regular education program. The Superintendent or designee shall provide appropriate staff training in the needs of such students as required by law.

Intervention

The Board recognizes that there are students on our campuses who use alcohol and other drugs and can benefit from intervention. The Board supports intervention programs that include the involvement of students, parents/guardians and community agencies/organizations.

The Board finds it essential that school personnel be trained to identify symptoms that may indicate use of alcohol and other drugs. The Superintendent or designee shall identify responsibilities of staff in working with, intervening, and reporting students suspected of alcohol and other drug use.

Students and parents/guardians shall be informed about the signs of alcohol and other drug use and about appropriate agencies offering counseling.

Recovering Student Support

The Board recognizes the presence of recovering students in the schools and the necessity to support these students in avoiding re-involvement with alcohol and other drugs. The Board shall provide ongoing school activities that enhance recovery.

Enforcement/Discipline

The Superintendent or designee shall take appropriate action to eliminate possession, use or sale of alcohol and other drugs and related paraphernalia on school grounds, at school events, or in any situation in which the school is responsible for the conduct and well-being of students. Students possessing, selling and/or using alcohol or other drugs or related paraphernalia shall be subject to disciplinary procedures which may result in suspension or expulsion.

School authorities may search students and school properties for the possession of alcohol and other drugs as long as such searches are conducted in accordance with law.

Performance Enhancing Drugs as Stated in BP 5131.63

The School Board recognizes that the use of performance enhancing drugs presents a serious health hazard to students. Performance enhancing drugs include anabolic steroids and any other natural or synthetic substance used to increase muscle mass, strength, endurance, speed or other athletic ability, excluding dietary and nutritional supplements such as vitamins, minerals, and proteins which can be lawfully purchased over-the-counter. The Superintendent or designee shall make every effort to ensure that students do not begin or continue the use of anabolic steroids or other performance enhancing drugs.

Participation in athletics and other extra-curricular activities is a privilege. Participants have a responsibility to themselves, their fellow students, their parents and their school to set positive examples of conduct, competition, sportsmanship, and training. Performance enhancing drugs are incompatible with this image and pose a health and safety risk to users and others.

Students possessing, using, distributing, or selling anabolic steroids or other performance enhancing drugs will be removed from the extra-curricular activity for the remainder of the season/year and may be banned from future participation as determined appropriate by the Superintendent/Chief School Administrator or designee. Students who participate in athletics and other extra-curricular activities will be notified of this policy and will be informed of the dangers of performance enhancing drugs.

ALCOHOL, DRUGS, TOBACCO VIOLATION CONSEQUENCES

An extracurricular student who receives an alcohol or drug citation shall promptly notify the activity director or principal. Any extracurricular student who fails to do so may forfeit their reduction option or be subject to further disciplinary action once the school learns of the offense.

Prohibited Conduct: The possession, distribution or use of any tobacco products, including “E” or electronic cigarettes, alcohol and controlled substances (as defined in number 11 of this policy in the ASAA Handbook) by a student-athlete or activity participant, whether it occurs on or off school property, is prohibited and shall result in the penalties set forth herein.

Time Period During Which Policy Applies: The policy in this section applies to any student who is participating or has participated in interscholastic activities starting from the student’s first participation in interscholastic activities, at any ASAA member school, and continuing until the student graduates from high school. This policy applies during “calendar days” as defined in this section. The policy first went into effect on July 28, 2008.

Annual Requirements: The Pre-Participation Orientation is required of each student participant and parent/guardian annually, at the beginning of the student’s first season of the school year, before the student is eligible to participate. This session is a short informative presentation designed to encourage students to maintain a chemical-free lifestyle, and to ensure that students and parents/guardians understand the policy and the consequences for violation. Upon completion of the Orientation, the student and parent/guardian must sign the Student/Parent/Legal Guardian TAD Acknowledgement Form for the student to gain eligibility. Schools will affirm that this has happened by marking the designated field on the School Activities Reporting System (SARS). In the event a student and parent do not view the Pre- Participation Orientation and/or sign the Student/Parent/Legal Guardian TAD Acknowledgement Form, the student is still subject to the policy.

Student and Parent/Guardian Acknowledgement: ASAA will provide access to the Student/Parent/ Legal Guardian TAD video and acknowledgement form to member schools and districts. The orientation video will explain the policies of this section and penalties for violations. Students and the student’s parent or legal guardian, are required to view the orientation video annually, prior to signing the acknowledgement form. The form must be signed by the student and the student’s parent or legal guardian, and requires that the student and parent or legal guardian acknowledge that they have read and understand the terms of the policy, including the potential penalties for violations, and that it requires the school to report such violations to ASAA. The form will require that the student and parent or legal guardian agree to be bound by these terms. A copy of the signed form must be returned to the school before the student is permitted to participate. Member schools shall keep a copy of the signed forms on file.

Educational Component: The educational component is a critical part of the policy and is comprised of **multiple** parts; Pre-Participation Orientation, First Offense, Second Offense, and Subsequent Offenses. ASAA will provide the first three parts of this component to member schools.

Cumulative and Progressive Penalties: Violations of this policy will be cumulative and progressive, as described in the following paragraph, throughout a student’s high school years. If a student transfers from one ASAA member school to another ASAA member school, the student’s cumulative violations will accompany such transfer and shall be the basis for any additional penalties should further violations occur.

Determination of Violations

A student is determined to have violated the T.A.D. policy if they use, possess, sell or furnish alcohol and/or illegal substances, receive a citation from a law enforcement officer for alcohol or illegal drug violations, or is observed by a Petersburg School District staff member using, possessing or selling alcohol and/or illegal

substances. Observation by a staff member via the Internet, video, picture or other media will be considered. This policy is in effect during the current Alaska Schools Activities Association (ASAA) Calendar year that begins with the first day of Cross Country and the last calendar day of Baseball for that current year. For example, the enforcement period for the 2025-2026 calendar year begins July 30th, 2025 and will end June 6th, 2025.

A member school's determination that a violation has occurred and its imposition of penalty may not be appealed to ASAA. If a member school or member school district reverses a determination of violation, it shall promptly notify ASAA of such reversal. Violations and penalties are to be based upon noncompliance with the policy by the student participant, by the student's parents/legal guardians, or both, provided however, that where a violation is based solely upon action or inaction of the parent or legal guardian and not of the student participant, under circumstances completely beyond the control of the student and where it would be manifestly unfair to disqualify the student on this ground, the member school may, at its discretion, withhold imposition of a penalty against the student.

First Offense

The student will be suspended from interscholastic competition for 30 calendar days (as defined in the discipline chart). The student and parent/guardian must complete ASAA's T.A.D. First Offense educational component before the student may return to practice. The suspension may be reduced to 15 days if the student additionally completes 15 hours of community service.

First Offense – student self-report

If the student self-reports a personal violation of the tobacco, alcohol or drug policy before the district otherwise learns of the student's actions, and the student did not receive disciplinary action from school officials or law enforcement officers, the district may reduce the first offense suspension to a minimum of 10 calendar days. To regain eligibility, the student must complete all requirements of a first offense violation as stated above and in the chart.

First Offense violation during travel on school-sponsored trip

The student will be suspended from interscholastic competition for 90 calendar days (as defined in the discipline chart). The student and parent/guardian must complete ASAA's T.A.D. First Offense educational component before the student may return to practice. The suspension will be reduced to 45 days if the student additionally completes 15 hours of community service.

Second Offense

The student will be suspended from interscholastic competition for 90 calendar days (as defined in section discipline chart). The student and parent/guardian must complete ASAA's T.A.D. Second Offense educational components before the student may return to practice. To regain eligibility, the student must enroll, actively participate and follow through with treatment recommendations in Substance Abuse Counseling and Assessment through a certified provider at the student's expense and write an essay on what they learned about the experience. The suspension will be reduced to 60 days if the student additionally completes 20 hours of community service.

Second Offense violation during travel on school-sponsored trip

The student will be suspended from interscholastic competition for 180 calendar days (as defined in discipline chart). The student and parent/guardian must complete ASAA's T.A.D. Second Offense educational components before the student may return to practice. To regain eligibility, the student must enroll and actively participate in Risk Reduction Counseling Assessment program through a certified provider at the student's expense and write an essay on what they learned about the experience. The suspension will be reduced to 90 days if the student additionally completes 20 hours of community service.

Third Offense

The student will be suspended from interscholastic activities and practice for one (1) school year. Both the student and parent/guardian must complete the Third Offense educational component prior to the student's return to

competition. While under the period of suspension, the student **may** return to practice after completion of the Third Offense educational component. The student must enroll and actively participate in Risk Reduction Counseling Assessment program through a certified provider at the student's expense. A student may need additional days of practice before returning to competition (See Article 7, Section 7 of the ASAA Policy Manual). A student regains eligibility by completing the following criteria including the calendar days of suspension: a) seek assessment and counseling/treatment from a local health care professional, b) successfully complete the recommendations of the care provider and submit a letter from the agency, c) demonstrate a commitment to remain substance free, d) make a presentation to the District School Board requesting reinstatement of interscholastic eligibility, e) notify ASAA through the school administration that all conditions have been successfully completed. A student's suspension may be reduced to 180 calendar days by completing 30 hours of community service.

Fourth Offense

The student's privilege to participate in interscholastic activities and practice is revoked for one (1) year. Both the student and parent/guardian must complete the 4th Offense educational component prior to the student's return to competition and there will be no forgiveness of calendar days of suspension. In addition, the student must complete the following in order to regain eligibility: a) seek assessment and counseling/treatment from a local health care professional, b) successfully complete the recommendations of the care provider and submit a letter from the agency, c) demonstrate a commitment to remain substance free, d) make a presentation to the District School Board requesting reinstatement of interscholastic eligibility, e) notify ASAA through the school administration that all conditions have been successfully completed, and f) and request reinstatement from ASAA.

In such case, penalties shall be imposed on the first calendar day following a determination on appeal that a violation has occurred. A student shall be considered ineligible during each calendar day in which a penalty is imposed.

TOBACCO VIOLATION CONSEQUENCES

All violations of only the tobacco policy by an extracurricular student will be subject to the ASAA T.A.D. policy minimum suspensions.

First Offense

The student will be suspended from interscholastic activities and practice for 10 (ten) calendar days (as defined in Section). Fifty (50) percent of the suspension will be forgiven if the student completes 15 hours of community service. The student may return to practice when the student and parent/guardian complete the First Offense educational component.

For tobacco use, if a student under the First Offense Penalty violates the Tobacco Rule within the 10 (ten) calendar day period of suspension, the student's period of suspension will start over again; the First Offense educational component will become mandatory, and no forgiveness will be granted. This process will continue until the student has demonstrated 10 (ten) calendar days without a subsequent tobacco violation.

A student who has not completed a suspension or re-suspension under the first Offense Penalty for violation of the Tobacco Rule does not become subject to imposition of penalties under a Second, Third or Fourth Offense for violation of the Tobacco Rule, until the student has completed all suspensions and re-suspensions under the First Offense Penalty for tobacco use. A student serving a First Offense Penalty under the Tobacco Rule is, however, subject to immediate imposition of a Second Offense Penalty to the extent this is based upon violation of the non-tobacco prohibitions under this Policy.

Second Offense

The student will be suspended from interscholastic activities and practice for forty-five (45) calendar days. Both the student and parent/guardian must complete the Second Offense educational component prior to the student's

return to competition and there will be no forgiveness of calendar days of suspension. While under the period of suspension, the student may return to practice after completion of the Second Offense educational component. A student may need additional days of practice before returning to competition (See Article 7, Section 7 of the ASAA Policy Manual).

Third Offense

The student will be suspended from interscholastic activities and practice for one (1) school year. Both the student and parent/guardian must complete the Third Offense educational component prior to the student's return to competition. While under the period of suspension, the student **may** return to practice after completion of the Third Offense educational component. The student must enroll and actively participate in Risk Reduction Counseling Assessment program through a certified provider at the student's expense. A student may need additional days of practice before returning to competition (See Article 7, Section 7 of the ASAA Policy Manual). A student's suspension may be reduced to 180 calendar days by completing 30 hours of community service as well as meeting the following criteria only on a 3rd Offense: a) seek assessment and counseling/treatment from a local health care professional, b) successfully complete the recommendations of the care provider and submit a letter from the agency, c) demonstrate a commitment to remain substance free, d) make a presentation to the District School Board requesting reinstatement of interscholastic eligibility, e) notify ASAA through the school administration that all conditions have been successfully completed, and f) and request reinstatement from ASAA.

Fourth Offense

The student's privilege to participate in interscholastic activities and practice is revoked for one (1) year. Both the student and parent/guardian must complete the 4th Offense educational component prior to the student's return to competition and there will be no forgiveness of calendar days of suspension.

Penalties shall be imposed beginning on the first calendar day following a determination that a violation has occurred, except to the extent a school's appeals policy permits a student to continue to participate pending final determination of any appeal filed by the student under such policy. In such case, penalties shall be imposed on the first calendar day following a determination on appeal that a violation has occurred. Definitions: As used in this section above for Alcohol, Tobacco, and Drugs Violations:

Electronic “E” Cigarettes – any electronic oral device, such as one composed of a heating element, battery, and/or electronic circuit, which provides a vapor of nicotine or any other substance, and the use or inhalation of which simulates smoking. The term shall include any such device whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, or under any other product name or descriptor.

Calendar Days – Each day, including weekends and holidays, during the member school’s school year. Additionally, if a student participates in any interscholastic activity, including practice, outside of the school year, then the entire period of such participation, including intervening weekends and holidays, counts as calendar days for such student.

Controlled Substance – Any substance appearing on the list of Controlled Substances identified by the federal Office of the Drug Enforcement Administration or as set forth in 21 U.S.C. Section 812, unless the student’s usage of such substance is consistent with a physician’s prescription for the student’s usage. The DEA list of Controlled Substances appears on its internet website at https://www.deadiversion.usdoj.gov/schedules/orangebook/c_cs_alpha.pdf. ASAA will endeavor to provide member schools with an updated List of Controlled Substances; however, for purposes of ASAA’s policy, the current list maintained by the DEA is controlling. In addition, any substance listed as illegal or restricted by Alaska statute or regulation, or classified as a “designer drug” by the federal Office of the Drug Enforcement Administration or by Alaska statute or regulation, shall be considered a controlled substance for the purposes of this policy.

Suspension – As defined in Article 5, Section 1 A6 of ASAA bylaws.

ATHLETIC TEAM SELECTION

The Petersburg School District allows for a cut policy in all high school and middle school sports. Criteria for selecting a team are determined by the coach of each sport. This criterion is issued each season, in writing if requested, for each student trying out for a team.

ATTENDANCE REQUIREMENTS

PHS & MMS students must attend all classes on the day of travel or activity, up to the departure time for an event. If students leave or participate on a weekend or holiday, students must attend all classes on the last school day before departure or competition. Students should return to school within approximately one hour after their return to Petersburg. Dates and times for departure and return will be determined by the principal and/or the Activities Director. If a student is unclear, they must ask the coach/advisor before leaving the terminal. Those who do not return within the time frame or do not report to school following the travel may become ineligible for participation in the next traveling event. The loss of travel privileges will be for the same activity, however, if it happens at the last activity of the season, it will apply to the very next activity in which the student may participate.

Students that receive an unexcused absence in any class throughout the day or that leave school during the school day that are not deemed excusable absences (i.e., doctor appointments, scheduled dental appointments, see also PHS & MMS School handbook) will not be allowed to practice for their activity on that school day. Please plan appointments accordingly to avoid conflicts with the attendance requirements. Schedules and dates of competition and travel are posted and planned well in advance.

Mitkof Middle School students that do not dress down for PE class and/or are unexcused or not in attendance for that school calendar day are not allowed to practice during that same calendar day for an activity. MMS & PHS Students that have disciplinary detentions must complete a minimum of one (1) detention prior to attending practice. MMS Students that earn a major disciplinary infraction may be removed from travel or participation in any academic or athletic related competition.

Practice – As defined by ASAA and Article 7 Section 7.A of ASAA Bylaws. A practice is defined as a regularly scheduled team physical activity designed for the preparation of athletes for the sports season and conducted under the supervision of a certified school coach during the season established by the Board of Directors. In order to qualify as a practice, the student must participate in at least one hour of physical activity. Students are required to attend a minimum of 10 practices per activity in order to be eligible for any travel/competition. For overlapping activities that require a minimum practice quantity, the number required to be eligible for the next activity is 5 practices.

AWARDS

Criteria for the earning of student recognition, awards, letters and certificates will be determined jointly by the sponsor and school administration and will be made known to the student before the activity begins. (See Duties of Coaches and Sponsors Below and Appendix II).

STATE CHAMPIONSHIP RECOGNITION

In PHS activities & athletics, earning a state championship or individual state champion is a special accomplishment. In the event that a team/individual of Petersburg High School earns an Alaska School Activities Association (ASAA) recognized state team championship and/or an individual state championship, the following may occur to celebrate the victory with our school and community:

- An assembly may be scheduled within a reasonable time with the assistance of the coaching staff, administration, and activities director following the completion of the state tournament/competition.
- At the conclusion of the assembly and/or school day, school administration may arrange a noise parade with the Petersburg Fire Department, pending their cooperation and availability. EJECTION of COACH or PLAYER

A sportsman is one who engages in sports in a fair and generous fashion. Unsportsmanlike conduct is conduct that is prejudicial to the fair and generous acceptance of the rules of the activity, the officials, the opponents, and the policies of the schools and the coach. Actions that bring discredit upon the school, the activity, the officials, the rules or the opponents may be considered unsportsmanlike.

Any student or coach who is ejected from a contest will not be eligible to participate in the next contest. Additional penalties may be imposed by the school district.

Alaska School Activities Association (ASAA) rules will be followed concerning ejection of a player or coach from a contest. (Excerpts from ASAA Bylaws Article 6, section 5)

Player Ejection

1. Player must refrain from participation in any scheduled contest in the same activity (game suspension) until the completion of the next regularly scheduled contest at the same level. (i.e., JV, Varsity) This means that a varsity player may not participate in a JV game while waiting for the next varsity game in which he/she is suspended. Schools may not schedule additional contests to circumvent this provision.
2. Player may not sit on the bench and if possible, must be seated with a school representative in the bleachers and not be dressed down.

Coach Ejection

1. Coach must refrain from coaching in any scheduled contest in the same activity (game suspension) until completion of the next regularly scheduled contest at the same level. Schools may not schedule additional contests to circumvent this provision. Implementation of this penalty will be delayed for a coach who is traveling with his/her team when the game ejection occurs, and who has no assistant coach or other authorized individual available at the site of the contest to supervise the team during the period of suspension. In such case, the ejected coach must serve the suspension during the next regularly scheduled contest after returning to the home community.
2. Coach may not be physically at the site of the next contest, nor may he/she have any contact, direct or indirect, with their teams during the contest while suspended.

Eligibility Reporting

1. The Superintendent or designee shall submit eligibility lists for all sports on the first calendar days of each respective season through the online eligibility system provided by ASAA. NO additions or deletions will be made after the 14th day of the season. INSURANCE

Students of Petersburg School District are covered by district provided student accident insurance during the hours and days when school is in session and while attending or participating in school supervised and sponsored activities on or off school campus.

Notification of Injury claim forms are available at the district office. Notification of Injury claim forms must be submitted within 90 days of the injury. A copy of the completed district Accident Report form must be attached to the claim form. The coach, sponsor, or school supervisor must complete part 1 of the Notification of Injury claim form.

Claim forms must be filed within 90 days of the first medical treatment. There is a deductible. The policy provides coverage for scheduled fees and includes “usual and customary” restrictions. The policy covers treatment for up to one year from the date of injury.

This is accident only insurance. It does not cover conditions, which are not the direct and independent result of a specific accident (i.e., stress fracture would not be covered).

Athletes are responsible for reporting injuries to coaches/sponsors. Coaches are responsible for providing claim forms to injured athletes. Parents/guardians are responsible for mailing the claim form to the insurance company.

MEDIA RELATIONS

Maintaining a positive public image is the responsibility of all coaches and student athletes of the PSD. Providing the press with positive accounts of athletic events is an important role of participants and others involved in activities. What a coach or player says—in the heat of the competition—or what he/she is quoted as saying— can have lasting repercussions. Ensure your statements reflect well on your team and your school. Always model good sportsmanship; find something positive to say. Remember, these are student athletes, not professional athletes.

The statement must certify that, in the opinion of the examiner, the student is physically fit to participate in strenuous physical activities.

PURCHASE of EQUIPMENT, MATERIALS and SUPPLIES PROCESS

As a government agency, a school district must maintain very specific processes and controls regarding purchases of equipment, materials, and supplies. In accordance with state law, a certified accounting firm audits the district's expenditures and purchases annually.

NOTE: Purchases that do not follow established internal controls requisition procedures cannot be reimbursed.

Steps involved in making a purchase:

1. Discuss with the Activities & Athletics Director what is planned to be purchased.
 - Check with Activities & Athletics Director and/or Activities Clerk for approved vendors.
 - A **REQUISITION** is required for all purchases. If a purchase is made at a local store without following the requisition approval process the district cannot reimburse for the purchase.
 - Be certain that "shipping" charges are correctly calculated for delivery to Alaska.
 - If using an online vendor attach a copy of the saved "cart" to the requisition form. **NOTE: If items in the "cart" are changed after approval of the requisition the total expenditure cannot exceed the originally approved amount. If changes are made, send a copy of the new "cart" to the Activities Clerk.**
 - SIGN the requisition for purchase as the **ORIGINATOR**.
2. Submit the completed, signed requisition form to the Activities Director or designee.
3. Activities Director or designee reviews the requisition, approves or denies purchases, and forwards the requisition to the principal.
4. Principal reviews the requisition, assigns the account code, checks fund availability, processes the requisition and submits to the Business Office.
5. Business Manager verifies account code and fund availability.
6. Requisition submitted to Superintendent for approval.
7. A **PURCHASE ORDER** (approval to purchase) is now created. A copy of the purchase order is sent to the Athletic Director or Designee.

8. Unless otherwise indicated the Business Office will order the approved purchase. (If the originator is using an online account, then the originator now is able to process the order on line).
9. **ARRIVAL** of purchased items. All packing slips or invoices to be sent to the Business Office with the signature of the person verifying ordered items were received and indicating “Approved for Payment” **the day the item is received**. Back-order items will be process when they arrive. Send the packing slip or invoice for the portion of the order that was received.

ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we hope you will be positive in supporting your favorite team. As athletes, we ask that spectators promote the ideals of good sportsmanship by applauding fair play and showing respect for all participants and officials.

Students will not turn 19 years of age on or before August 1.

- All money goes into the gaming account. **(required)**
- There are 200 tickets available to be sold.
- Tickets are divided into books of 5.
- **Each student has the opportunity to sell at least one book of tickets. Students will sign the spreadsheet/document indicating that they have received the tickets.**

- Once a student has sold their entire book of tickets, they must turn in the ticket stubs and money before receiving another book of tickets.
- No student may have more than one book of tickets at a time.
- Students/Families are financially responsible for tickets signed out.
- Money is distributed to students based upon the total money brought in minus the money out, tax required for gaming permit, and number of tickets sold. (net proceeds)
- Activity district sponsor with other sponsor(s) are responsible for tracking tickets in and out, collecting money for tickets turned in, as well as filling out deposit slips. Information is tracked on a spreadsheet.
 - Example -
 - $200 \times \$100.00 = \$20,000$
 - Monday-Thursday = \$300.00 (1 \$100.00 winner and 1 \$200.00 winner)
 - Friday = \$900.00 (1 \$100.00 winner, 1 \$200.00 winner, and 1 \$300.00 winner)
 - This year totals
 - There were 3 Fridays $\times \$900.00 = \$2,700.00$
 - There were 9 weekdays $\times \$300.00 = \$2,700.00$
 - $\$2,700.00 + \$2,700.00 = \$5,400.00$
 - $\$20,000.00 - \$5,400.00 = \$14,600$
 - $\$14,600.00 \times .01$ (raffle tax to be paid to the state) = \$146.00
 - $\$14,600.00 - \$146.00 = \$14,454.00$
 - $\$14,454.00$ divided by 200 = \$72.27
 - \$72.27 goes into each student account for each ticket sold
 - If a student sells 5 - $\$72.27 \times 5 = \361.35 goes into their account.
