RE: Dismissal of Certificated, Part-time Teachers for the 2020-2021 School Year

DATE: March 8, 2021

It has been our practice in past years to dismiss certificated, part-time teachers due to the return of teachers from full or partial leave, enrollment uncertainty in specific academic areas, or other reasons not related to a teacher's job performance (e.g., certification deficiencies). Taking such action at this time in the school year protects the school district from employing individuals whose services may not be required next school year. Taking this action also provides our administrators with greater flexibility in creating a staffing plan that is responsive to changes in student enrollment and/or student course selection patterns.

Later in the school year, when staffing requirements for the 2021-2022 school year are more fully known, we will be in a better position to re-employ these staff members at an appropriate level of service or employ new staff members who can better meet our staffing needs.

I recommend that Board of Education adopt the attached resolution.

Should you have any questions, please contact me.

Dear Name:

At the March 8, 2021, meeting of the Geneva Community Unit School District 304 Board of Education, formal action was taken to extend to you a dismissal notice, effective at the conclusion of the 2020-2021 academic year. Your contract of employment will, therefore, end at the close of the current school term. This action is required based upon uncertain staffing levels which will be required in the coming school year.

At such time as staffing levels for the coming year are determined and should an opening be in an area for which you are qualified, we would invite your application.

On behalf of the Board and administration, we wish to thank you for the service that you have provided to the students of our school district. Should you require additional information or clarification, please contact Adam Law, Assistant Superintendent-Human Resources.

Very truly yours,

Taylor Egan
