

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting September 28, 2020

FOR DISCUSSION:

Subject: Virtual Finance Town Hall Meeting

The Board has utilized community forums to invite residents to better understand District functions and operations, including a fall meeting to review finances. As the District is heavily dependent on residential property taxes and that many residents do not have children that attend the schools, the belief is that by sharing this information, the community can achieve a better understanding where their tax dollars are going, how they are being used, and how the Board provides the necessary oversight to ensure these resources are managed well.

During the pandemic, the District is currently restricted from having groups of over 50 in attendance for any event. Therefore, I am proposing a town hall format on the Zoom platform to share the critical information on the Budget and data that supports the ongoing good stewardship of these resources with the community.

I will have Mrs. Fecho send out potential dates to conduct this meeting in October to ensure you are able to attend.
