

Consider Approval of 2024-2025 Contract with Communities in Schools of San Antonio (CIS-SA)

1. Background:

Communities in Schools of San Antonio (CIS-SA) will provide counseling and/or supportive guidance, education and academic enhancement, parental and family involvement, health and social services referrals, pre-employment skills training, educational, cultural and career awareness activities. CIS-SA services will also support the school with any student and family issues that arise.

2. Process:

The CIS-SA program will serve Southwest High School, Southwest Legacy High School, CAST STEM High School, Resnik Middle School, McNair Middle School, Scobee Middle School and McAuliffe Middle School students that are at risk. This program will provide additional support and guidance for our students that are experiencing some life difficulties and assist with post-secondary guidance and college readiness. CIS will have trained personnel to provide these services.

3. Fiscal Impact:

The cost of the CIS program will not exceed \$266,000 and will begin on August 1, 2024 and will end on July 31, 2025. Campuses will use both Title I and Local funds.

4. Recommendation:

That the board approves the 2024-2025 contract with Communities in Schools of San Antonio (CIS-SA).

5. Required:

Board action.
