

It is with deep regret that I submit my resignation from the Waskom ISD. Please make my resignation effective at the end of this school year, 2011. I have really enjoyed my time here and the people who have made me feel so at home. Thank you for allowing me to work here for the spring semester. You have some very special people here that you should be very proud of.

Steve Howard – March 2,2011

A handwritten signature in cursive script that reads "Steve Howard". The signature is written in black ink and is centered below the typed name.
