Knightline Newsletter

December/January 2018

North Valley Community,

As the 1st quarter comes to a close, I just want to inform our community about the wonderful happenings here at the school and what is on the horizon at NVHS. Many of our students and staff are feeling the hustle and bustle as the semester is in full swing. Our teachers are working with kids to help them achieve their academic goals. Remember, you can help monitor your child's progress through the parentVue account. We are continuing the 3R initiative with those positive notes for demonstrating Respectful, Responsible, or Resilient behavior. Hopefully, your student has received one or two of those and you have been able to have a meaningful conversation about the 3 R's. New this year is the 3R star notes that students can send to their peers for being a great representative of North Valley High School. When you get a chance, encourage your student to find and recognize their fellow classmates that have demonstrated respect, responsibility, or resilience.

Thanks for all your support, and enjoy the coming holiday seasons,

Erik Lathen

Principal

21st Century Grant Opportunities.....

Three Rivers School District has been awarded the 21st Century Grant. North Valley High School is included in this award this year. The Grant is here to provide services and opportunities for our students outside of school hours. We will be linked with local instruction as well as community partners. All of the classes are drop in and give something new a try. Of course we hope that the students will join in and attend for the whole term of sessions they are interested in. Finally as a school we have a lofty goal we need to have attendance at these functions. Our goal is to get over 30% of our student body to attend activities regularly.
