RE: Board donation – BCPS “Room156”

I recommend the Board accept the following donations in the total of \$518.00

- First Presbyterian Church- \$368.00

*Boyne City's First Presbyterian church donated to Room156 after hearing all about the program. I met with their members for a Sunday service and was able to talk and answer questions for anyone curious. Their support is appreciated!*

- Vrondran Family – in Honor of Curt Sims- \$50.00

*The Vrondran family made a kind donation, in bus drivers Curt Sims honor. He loved the students he transported and would be happy to know they are being supported.*

- George and Melissa Lasater - \$100.00

*Longtime supporters of Room156, the Lasater family donated after Melissa kindly helped us out by driving for a few days! We love their support and are happy they are a part of our driving family. Melissa we miss you!*

BCPS Pantry “Room 156” supplies our fragile student population with much needed food and resources to help students through the weekend or time away from school. Most of this population relies on breakfast and lunch from school, so time away from these important resources can be worrisome. Donations will be used over the school year to keep our pantry stocked.
