Greetings Superintendent Guardipee-Hall,

I write this letter to provide assurance that Browning Public Schools is considered an Essential Business Operation under the Blackfeet Nation Resolution #89-2021. This classification allows the Browning School District #9 the authorization to make decisions themselves, however upon the decision to open your school the Minimum Basic Operations of the Business Regulations Order will apply.

If you have any questions or need further clarification, please do not hesitate to contact me at the information listed below. Thank you and have a great weekend.

Sincerely,

Kimberly D. Boy, MBA
