### PACE Outreach

PACE is hosting quarterly activities this year. The ALC hosted a Papa Murphy's tour this month while the MLC had a Valentine's Skating event. We also mailed out 18 Valentines boxes for students all over Alaska who wanted to participate in our exchange.

### **School Improvement**

PACE staff continue to meet monthly to review school goals, further expand curriculum options, and develop ways to help our students and families. February MTSS meetings just wrapped up as we were able to look at grades and work samples for the first semester. Teachers and staff have set tasks and goals to accomplish before the next round of meetings in March. State testing for AK Star and PEAKS also begins in March.

### **Other**

PACE is actively following the session in Juneau, particularly as they pertain to funding and education. Thank you to those of you advocating tirelessly on behalf of our students, families, faculty, and staff!
